

IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

MONDAY.

Wm. J. MacNeill, Searletown, shipped recently to parties in Cardigan a fine brood mare in foal to Lucky Prince.

The marriage of Claudia, second daughter of the late Lieut.-Col. H. Allan Bate and Mrs. Bate, Ottawa, to Frederick Peters, son of Hon. Fred Peters, of Victoria, B. C., ex-Premier of Prince Edward Island, is arranged to take place quietly on Tuesday, February 28th, in All Saints' Church, Ottawa.

The annual statement of the Lot 16 Dairying Association has been published. By it it is shown that this association has had an exceptionally successful year. There are 110 patrons who contributed 1,496,774 lbs. of milk. The amount realized on sales of cheese was \$11,837.94, and butter, \$3,632.95, totaling \$15,580.79. Of this, after deducting expenses on cheese and butter taken by the patrons, the sum of \$11,617.65 was paid to patrons.

Miss Margaret Kitchen, daughter of J. C. Kitchen, of Fredericton, N. B., was married on Wednesday last to H. D. Smith, of Edmonton. The ceremony was performed at the residence of the bride's parents and the happy couple will visit Boston and New York before taking up their residence in the west. Mr. Smith is a Prince Edward Island man, and is a school teacher in Alberta. He went west about five years ago and has since secured extensive ranching interests.

The annual statement of St. Dunstan's Cathedral building fund was read yesterday by Rev. Dr. McLellan. The following is the summary:— St. Dunstan's Cathedral Building Fund, 1910.

Table with financial data: Receipts for year, Expenditure, Balance applied to payment, etc.

Word has been received of the death of William Wightman, of Georgetown, killed on the 22nd of January at Pittsburg, Pennsylvania. Deceased was the only son of the late William Wightman, for twenty-eight years postmaster of that town. Left without father or mother at the age of twelve years he was sent to school at Narrows Creek shortly afterwards found employment at the Fore River Works, Quincy, Mass., later received and accepted a position in a large establishment in Pittsburg, which he filled with acceptance, until the accident which caused his death. To him life was not all play and sunshine. He was cast upon the world at an early age to battle for a living. Modest and retiring disposition, steady and industrious habits, he earned the confidence of his employers and at the early age of twenty-one years passed through this testing show to the great beyond. "The path of virtue and that which alone leads to the land where sorrow is unknown."

From Cambridge Lodge, No. 112, I. O. G. T., To Mrs. Howard Finley, Cambridge, Dear Sister: We your brothers and sisters of the Lodge take this opportunity of tendering you our deepest sympathy in the loss you have sustained, by the death of your beloved brother, W. M. Miller, who passed away on Jan. 28th, 1911. It is said indeed to see a young man cut off in the prime of life, but 'He who doeth all things well,' knoweth what is best for us. He would direct you to look forward hopefully to a glorious reunion in a better land where there shall be no more parting. Please convey to the rest of your family our heartfelt sympathy at their sad bereavement. May you all look to him who is able to comfort and sustain you in all troubles and trials and rejoice in the hope of meeting him on the other shore where loved ones part no more. Please do not think this letter formal but a sincere expression of sympathy from every member of the Lodge. Yours with deepest sympathy, Signed on behalf of the Lodge:—Janette Butler, Mrs. Harry Higginbotham, Oswald Graham—Committee.

GRAND NEWS FROM NEW ONTARIO

Mr. G. W. Todd Tells How He Got Rid Of His Rheumatism.

Wah-Tay-Beg, New Ontario, Feb. 10. (Special).—Every person who suffers from Rheumatism wants quick relief and a sure cure. That's the reason they will all be interested in the statement of G. W. Todd of this place. Listen to it:

"After suffering with Backache and Rheumatism for twelve months and trying several so-called remedies and getting no relief, I decided to give Dodd's Kidney Pills a trial. Two boxes brought me the relief I had looked for so long."

Are you looking for relief from your Rheumatism? Are you also looking for a cure that will banish its ache and pains so that they will never return? You will find both in Dodd's Kidney Pills. Rheumatism is caused by uric acid in the blood. That uric acid is in the blood, simply because disorder of Kidneys are not doing their work. With healthy Kidneys, all the uric acid will be strained out of the blood and there cannot possibly be any Rheumatism. Dodd's Kidney Pills never fail to make the Kidneys healthy. Ask your neighbors about them.

TUESDAY.

Speaking last night of the ice conditions at the present time Capt. Finlayson, of the Minto, said that this year the ice is as heavy as he has ever seen it. Capt. Finlayson came to the city yesterday and returned to his steamer on the mail special last night.

In another column the wedding is announced of Miss Lulu Murdoch, daughter of David Murdoch, Beaton's Mills, to Watson J. Higgins, City, which took place in this City on February 1st. The wedding was a quiet one, the ceremony being performed by Rev. Daniel McLean. Many friends of the young couple will wish them a long and happy journey through life and the Guardian also extends best wishes.

—Mrs. David Reid, Reid's corner, met with a painful accident yesterday morning which will likely confine her to her home for some days. While working down cellar she accidentally tripped over the dog which had followed her down and she fell heavily to the ground striking on her shoulder and dislocating the shoulder blade. Medical aid was at once summoned and the injured member reset. At latest reports last evening Mrs. Reid was resting easily although suffering a good deal of pain.

The funeral of the late George Mountain Summerside, took place yesterday afternoon, from his father's residence to the People's Cemetery and was very largely attended. The services at the house and grave were conducted by the Rev. James Strothard. The pall bearers were: W. M. Matheson, Joseph McDougall, Jerald Mulligan and Philidel Perry. Out of respect to the deceased the stores of R. G. Snellett delivered a very interesting lecture in the Presbyterian Church last Monday night. Subject: "Travels in the West." At the close of the lecture the young ladies sold candy which was quickly disposed of—the young gentlemen seemed to have enjoyed the sweet teeth. Mrs. Moore Smith is visiting in the city. Wellington, the guest of her brother, Alfonso Connel. Quite a number of young people are confined to their homes with measles. We hope to have them out among us soon again. Our school is progressing favorably. Mr. Hatfield Dymont, District teacher, Hatfield Dymont, has proved to be the right man in the right place. He is very prompt and obliging. Master Major Henry has gone to Summerside to spend a few weeks.

The anniversary services of the Summerside Baptist church were held on Sunday last and were very largely attended, the church being crowded at both morning and evening services at which the pastor, Rev. R. O. Morse, delivered two eloquent and forcible addresses, while the choir rendered special music appropriate for the occasion. Before the close of the evening service the pastor made the pleasing announcement that the beautiful church, erected about four years ago at a cost of about \$5,500, was now entirely clear of debt. The collection at both the services amounted to \$115.72 being more than enough to wipe out the small debt outstanding against the church.

Jan. 23rd, died suddenly at Hopedale on Jan. 23rd, Malcolm Nicholson, jr., in the thirty-fourth year of his age. Though for some years he had been subject to attacks of paralysis, yet his death came as a shock to his family. Grief about his work as usual, he suffered one of these fainting attacks from which he never rallied, but died within a few hours. But though death came hastily yet it did not find him unprepared as his hope and trust was in the Lamb of God that taketh away the sins of the world. Much sympathy is felt for the parents as they have been called upon to mourn the loss of two other sons within the past three years. He leaves to mourn besides his parents three brothers and three sisters, a sister and brother at home and the others in the United States.

—The Guardian understands that A. H. Wadman has about disposed of his undertaking business in Summerside and will shortly remove to Charlottetown where he has purchased an undertaking establishment. His many friends while regretting his departure will wish him every success in his new venture.

...A Valleyfield correspondent writes: "The Valleyfield singing school has just closed for this season much to the regret of the young folks. We are pleased to see W. A. Montgomery ground again after a rheumatic attack. Martin McDonald, Lyndale, spent Sunday in Valleyfield, the guest of Johnathan McLeod. W. A. Bruce has returned home from Uncle Sam's domain where he spent the first part of the winter. J. A. Nicholson, the popular and progressive student, has returned to Charlottetown to resume his studies in the P.W.C. We are glad to see Mac Ross back from Caledonia."

Rev. George Steele reports that about one-third of the amount allotted to the N. B. and P. E. I. conference has been promised, says the Wesleyan. In a few weeks \$1000 will be transferred from the bank for permanent investment. Last week another of our highly respected superintendents informed him of the sum of \$250 placed in a will for this fund. Others are remembering it in the same way—particulars of which are present are not for the public. From the 17th to the 19th, Mr Steel was in St. John. The laymen gave him a cordial reception. They feel that something must be done for the superannuated, and many of them are doing it. Others are remembering it in the same way—particulars of which are present are not for the public. Sold by all medicine dealers or sent by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont. The young man Murphy, who figured in the Prince Edward Island report has not yet been arrested, the police having been unable to locate his whereabouts. His wife is still at the Brunswick House and the father of the girl is remaining in town.—Amherst News.

An idea of the extent of the hog industry on Prince Edward Island from Nov. 1st 1910 to Jan. 31st, 1911, 12125 hogs weighing 2,063,026 lbs., were landed at Pictou from Prince Edward Island. Halifax took 6344; Quebec, 2020; St. John 1952; Montreal 165, and the balance went to Sydney and other places in Nova Scotia and New Brunswick.—Pictou Advocate.

A pleasing ceremony took place in Notre Dame Academy early yesterday morning when Miss Eulalia McDonald, for several years teacher in Queen Square school was united in marriage to George Archibald McAlley, of Vancouver, B.C. Rev. Dr. McLellan performed the ceremony. The couple were unattended. After the ceremony a wedding breakfast was served at the home of J. J. and Mrs. Desmond, Bayfield St. The bride is a daughter of John McDonald, Stanley Bridge, and the groom formerly belonged to St. Peter's Bay. They left last night on a trip to Montreal and other cities.

John Gauthier, Rusticville, who has been under treatment in the Charlottetown Hospital for several days for injuries alleged to have been received in an altercation with B. W. LePage on Thursday night left for his home yesterday afternoon. The trouble arose, it is said over some remarks made by Mr. Gauthier concerning matters pertaining to the election. Gauthier it seems made some joking remark about a small article of apparel borrowed by Mr. McPhee from Mr. LePage to wear at the meeting which were irritating to Mr. LePage. When Gauthier dropped into his store on Thursday night he was brought to book for his utterance. Mr. LePage, it is said got very angry and made a remark to which Gauthier took strong objection. The next thing that is said to have happened was that Mr. LePage appeared with a couple of axe-handles and started to use them with a right good will on Gauthier, who claims that he broke one in three pieces across his body. Gauthier received severe contusions on the shoulders, elbow and hand. He states that he intends taking legal proceedings in the matter.

—A correspondent from Victoria West writes:—The many friends of James McKenzie are pleased to see him home again after being absent for over three years. He is now enjoying a well earned vacation. Rev. R. G. Snellett delivered a very interesting lecture in the Presbyterian Church last Monday night. Subject: "Travels in the West." At the close of the lecture the young ladies sold candy which was quickly disposed of—the young gentlemen seemed to have enjoyed the sweet teeth. Mrs. Moore Smith is visiting in the city. IMPOVERISHED BLOOD A Common and Dangerous Trouble—You Must Enrich the Blood to Escape Danger Anemia is simply a lack of blood. It is not of the most common and at the same time most dangerous diseases with which young girls suffer. It is common because the blood so often becomes impoverished during development, when girls are too frequently allowed to over-study, over-work and suffer from a lack of exercise. It is dangerous because of the stealthiness of its approach, often being well developed before its presence is recognized, and because of its tendency to grow so steadily worse, if not promptly checked, that it may run into consumption. The value of the tonic treatment with Dr. Williams' Pink Pills should be known to every mother in the land. These Pills make new nerves, bring a glow of health to pale, sickly cheeks, and drive away the weakness, headaches, faintness, heart palpitation and loss of energy so noticeable in young girls who are suffering from anemia. To all such sufferers, Dr. Williams' Pink Pills are an absolute necessity. Mabel McTavish, Prince Albert, Sask., says: "In my case I can only say that life was lost; its magic; all work was a trial, and even pleasure only a task. When I went up a flight of stairs I was ready to drop from sheer weakness, and I had begun to think life would be a continued burden. But all this is now changed, thanks to Dr. Williams' Pink Pills. These were recommended to me, and after taking them for about a month I found my health renewed. I could sleep better, my appetite returned, and I was so strong and well that housework was no longer a burden to me. My sister seemed to be going the same way last summer and Dr. Williams' Pink Pills were at once sent for and two boxes made her as well as ever. Dr. Williams' Pink Pills are now the prized medicine in our home, and doctor bills have been fewer since we discovered the virtues of this great medicine."

On the 28th ultimo the community of Riversdale, Queen's County, were made sad by learning that Catherine, youngest daughter of the late Charles McAdams of that place, had passed to the spirit land on the evening before. The early stage of her illness was not very severe and hekl out hopes of recovery, so the end came as a shock. On the previous Sunday deceased occupied her place in the sanctuary as usual and for days afterwards she went about in a feeble condition; late on Friday her pure spirit took flight to the realm of immortals. The best available skill and every possible attention were lavished on her, but she did not survive. She was a favorite not only in the circle at home, but also in the community where her short life had been spent. Why the best are removed when their usefulness is only beginning will probably always remain a mystery to our ken, but the circumstance has been noticed in all countries and climes. Before the dawn of our language observant ones of antiquity had a saying to the effect that the wise and virtuous were called of the stage when life's morning was young, while the shadow on the dial pointed to west; in our time like conditions obtain. Besides the grief-stricken mother, deceased left two sisters and seven brothers, some at home, others in countries abroad. Two of the latter in response to messages by wire arrived from the United States, but only in time to see the loved form cold in the casket. The interment was in the cemetery at Canoe Cove, Lot 65.—Com. (Other papers please copy.)

Cured Eczema and Dandruff

"I am pleased to inform you that I have been cured by Cuticura Soap and Ointment. Since I was a boy I have suffered with dandruff, not only from the itching but from its disagreeable appearance in a scaly form on my head. I had to brush it dressing for all day long. I used every kind of preparation supposed to cure dandruff, also soaps and shampoos, but seemed to me that, instead of improving with these remedies, the dandruff increased, even my hair began to fall out and the itching was so bad that I was almost driven to despair. I was cured, the eczema and dandruff were gone and my head perfectly clear."

"I can assure you that so long as I live no other soap than Cuticura will be used by me and all those near to me. I will also add that I will always use Cuticura Ointment as a dressing for the hair. I feel that you should know of my cure and if you desire you may use this as a true testimonial which comes from a sufferer of thirty years standing. I will be happy to tell any one of my experience in order to assist those who may be suffering from the same disease." (Signed) J. Acryppo, General Commission Merchant, 59 Pearl St., New York.

Cuticura Soap and Ointment afford the speediest and most economical treatment for itching, burning, scaly humors of infants, children and adults. As in this case, a single set is enough to cure. —A Lewis, Lot 60, correspondent writes:—The farmers of this vicinity have been busily engaged hauling home their winter's firewood. J. A. MacKinnon has returned home from the Maine lumber woods. H. Bremick is going into the hog-raising business on a large scale. MacArthur paid a visit to Caledonia recently. E. MacKinnon is busily engaged working on his saw mill. Miss Bell McPherson is visiting friends in Murray Harbor.

THURSDAY. —The many friends of W. S. Bealston, Summerside, will be glad to learn that he is steadily regaining his health in the Rainbow Lake, Sanitarium.

Miss Margaret Kitchen, daughter of Mr. J. C. Kitchen, who is to be married next Wednesday to Mr. H. D. Smith, of Edmonton, was given a linen shower on Tuesday evening by the young ladies of the Brunswick Street Baptist Church. About fifty of the young ladies waited on her at the home of her sister, Mrs. Raymond Scully, and a pleasant evening was spent.—Fredericton Gleaner.—Miss Kitchen has many friends here.

The many friends of Mrs. James Bentley, of Alberta, formerly of Margate, P. E. Island, will be glad to hear of her serious illness. She has for the last two months been receiving treatment for a cancerous affection in a hospital in Calgary, but as there is no hope of her recovery she has been removed to the residence of her daughter Mrs. George McKay of that city. Mrs. Bentley whose maiden name was Miss Ellen McNeill, is a native of Cavendish.

Prof. Theo Ross recently purchased for breeding purposes, the Princess Mare from W. S. Newsum, at a cost of \$400.00. This mare was sired by Parkwood, and is perhaps, the most beautiful carriage mare in the Province today. She took first prize at the Prince Co. Exhibition last fall. She was bred by Jos. McDonald, Verdon River Bridge, who has from her a filly coming three years old, sired by Oakley Baron. This filly should also develop into a valuable piece of horseflesh.

There passed peacefully away at Lynn, Mass., on Feb. 3rd, 1911, Elizabeth May Corner, beloved wife of Arthur H. Vaughan, in the 26th year of her age. She leaves to mourn, besides her husband, four small children, her mother, Mrs. D. C. McKinnon of Charlottetown who was with her when she passed away, also one sister, Mabel of this City. Much sympathy is felt for the bereaved relatives as this is the second death in the family inside of a month, her brother, Leon, having passed away in Jan. 10th.

Scott's Emulsion

The London Lancet, after a careful examination of reported that "the preparation fulfills ALL the requirements and presents ALL the conditions of a very satisfactory emulsion. In appearance and consistency it is not unlike cream and under the microscope the fat globules are seen to be of perfectly regular size and uniformly distributed. So well has the oil been emulsified that even when shaken with water the fat is slow to separate. The taste is decidedly unobnoxious and the Emulsion should prove an excellent food as well as a tonic."

We believe no other preparation of Cod Liver Oil has received such weighty commendation and if the same high authorities were to examine it now they would find it even finer, more digestible, more palatable and more satisfactory in every way; in fact, SCOTT'S EMULSION has so long been the one satisfactory and perfect Emulsion that it is accepted as the standard by medical practitioners all over the world, by the public and by hundreds of imitators, for it is the one and only Emulsion imitated.

SCOTT'S EMULSION

has become the world's Standard Body-Builder because of the perfect purity of its ingredients, its absolute freedom from ALCOHOL or any other harmful substance and because the results from it are uniform and far greater than from any other preparation.

By a telegram received in this city yesterday it was learned that Dr. Blake and Miss Farquharson had arrived safely in High River, Alberta, the previous evening. The telegram also reported that Fred Blake, who is ill of typhoid, as being a little better. Mr. Blake's many friends will hope for his speedy recovery.

—East Point Institute met at Priest Pond on the 3rd inst, and discussed cooperation to improve the stock, farmers, methods of operation also in buying and selling, marketing pork, so as to prevent the usual glut, and consequent drop in price such as occurred last fall, also the need of better methods of marketing eggs by which strictly fresh guaranteed eggs, could be shipped more directly to the consumers. It was shown that there was a loss of 17 per cent in shrinkage alone on eggs, also that from three to six middle men come between the producer and consumers.

The marriage of Miss Annie Kony, St. Teresa's, to John Mooney, a prosperous farmer of Peak's, which took place at St. Teresa's Church on Tuesday morning, 31st ulto., was an event of great interest to their many friends. The ceremony was performed by Rev. Dr. Curran, Kelly's Cross, and of the bride, assisted by Rev. I. R. A. McDonald, P. P. Miss Lena Monaghan, Kelly's Cross, acted as bridesmaid, while Joseph Mooney did the honors for the bridegroom. Breakfast was served at the bride's home, after which the wedding party came to this City by the morning train, and registered at the Victoria Hotel. A wedding dinner was served in one of the Victoria Hotel's private dining rooms. Among the guests were Rev. M. Phelan, Iona; Father Brisco, City Hospital; Rev. Dr. Curran, Kelly's Cross; Rev. Dr. Smith and Rev. D. P. Crocken, St. Dunstan's College, and Rev. Maurice McDonald, City. The party left at 3.20 train for Peak's, their future home—amid the good wishes of their many friends. The presents were many and costly, attesting to the popularity of the contracting parties. The Guardian extends congratulations.

\$3.50 Recipe Cures Weak Kidneys, Free

Relieves Urinary and Kidney Troubles Backache, Straining, Swelling, etc. Stops Pain in the Bladder, Kidneys and Back.

Wouldn't it be nice within a week or so to begin to say goodbye forever to the scalding, dribbling, straining, or too frequent passage of urine; the forehead and the back-of-the-head aches; the stitches and pains in the back; the growing muscle weakness; spots before the eyes; yellow skin; sluggish bowels; swollen feet and ankles; leg cramps; unnatural short breath; sleeplessness and despondency? Have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$2.50 just for writing it, and you would have to pay for it and will be glad to send it to you entirely free. Just drop me a line like this: Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see, it is without cost to you. It is a great, harmless remedy, but it has great healing and pain-conquering power once you get it, so I think you had better see what it is without delay. The sender's copy free—you can use it and cure yourself at home.
