CHOOSING A BRIDE.

I have observed among my friends and acquaintances, says a writer in The Kansas City Star, that those who married plain, unassuming people of quiet tastes were always the best satisfied, while those who chose their partners for looks and showy qualities, or because they made a good appearance in society, were most often unhappy in their home life.

The girl who is popular and high-spirited, has no end of beaux and goes to all the parties and dances may be a very different creature when she settles down to cooking, keeping house, and "making things pleasant" for just one man.

Again, some shy little girl who cannot sing or play or dance, who does not shine at social gatherings, and is scarcely noticed among her more brilliant sisters, may be a lit-

tle "home body" whose dearest joy is in her home and "homey" things. The chances are that chosen from a home where it takes careful planning to make ends meet, she will be more able to appreciate the value of money than a girl whose every want is filled, will so work or care on her part.

Another thing is needed if you would have a happy home and a cheery wife to meet you with a pleasant smile at your return from work each day.

It is in that you wear the same dressy smile and "glad to see you" air, that you show interest in and appreciation of the things she does for your comfort and happiness. Also, don't forget to go to places with her occasionally.

A woman will tire of staying at home trying to make things pleasant for a man who comes home from work or from school, who takes all her little attentions for granted and gives nothing in return.

The woman is not always to blame for the unhappy situations in her home. Last, but not least, find the girl who is "willing."

That's patterned on the plan of the Associated Press. The city is gone over well. Occasional they leave no stone. I'll bet there are some cuts that seem.

WAS SO RUN DOWN COULD NOT DO ANY WORK.

Thought it was so far gone Nothing Could Cure Her.

MILBURN'S HEART AND NERVE PILLS Made Her Strong and Healthy.

Many women get run down, and are unable to look after their household duties, owing to their nervous system becoming unbalanced, and when this happens, the heart starts to work in sympathy with the nerves. In Milburn's Heart and Nerve Pills is contained a medicine that will cure all forms of nervous disorders, as well as act on the heart itself. Mrs. F. McFarlane, Riverside, Sask., writes: "It is with the greatest pleasure I write you stating the benefit I have received from using Milburn's Heart and Nerve Pills. This medicine I was so run down I could not do any work, and one day a neighbor advised me to try your Pills. I told her that I thought nothing could cure me, as I was too far gone. But she told me to get a box of Milburn's Heart and Nerve Pills, which I did, and before I had finished them, I began to improve, and when I had finished the one box I was as strong and healthy as any person. Anyone who is suffering from heart or nerve troubles should take your Heart and Nerve Pills and they will soon discover their worth."

Price 25 cents per box, or 3 boxes for \$1.25. All dealers, mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
