

Operations—15 years suffering with constipation—Kellogg's Bran restores health

Mr. Lancing's case is typical of thousands of others. He found great relief from constipation in Kellogg's Bran because it is ALL bran. Nothing but ALL bran can be so effective. Read what he has to say:

For permanent relief, eat Kellogg's Bran regularly. Two tablespoons daily—in chronic cases, with every meal. It is guaranteed to bring results, or your grocer will return your money.

McLeod, well known farmer of Hants-shire received word yesterday that the young pigs shipped by him to a dealer in Sydney last Spring, have just captured a first, second and third prize at a Fair held there recently. A SAD DEATH—The death of Mrs. Colin Schurman of Summerside under peculiarly sad circumstances occurred on Sunday night. Before retiring she thought she would take a bath. Mr. Schurman in the meantime had gone to his room and got up the next morning as usual and started the fire in the stove. Seeing no sign of Mrs. Schurman he went to her room and saw that her bed had not been slept in. He next looked in the other rooms and then in the bath room, where he was horrified to find her prostrate in death, her body being partly out of the bath tub with one arm extended over the side of it and one foot in the water. It appears that deceased was subject to weak turns and the evidences showed that after bathing she had been overcome with one of those heart attacks as she was leaving the bath. Dr. J. E. MacNeill was summoned and found that death had ensued in the manner related. The sad affair is deeply regretted. Deceased who was 69 years of age was formerly Miss Freda Laird of Bodeque and leaves to mourn besides her husband, one son, now living in Western Canada and a daughter, Mrs. Harry Waugh, Wilnot. The funeral took place on Wednesday.
