C., registered at the Queen Hotel yesterday. The Northumberland arrived in port last evening at seven o'clock with about a dozen passengers and nine cars of way freight. Horace Hassard, City, returned last night from a short trip to Summerside. The outward cargo by the Northumberland this morning will consist of four cars mixed freight. H. C. Perry, of the Jose Gaste Cigar Co, London, Ont, returned to the city last night from a business trip to Summerside. Any city girl with a fair education, who desires to learn type setting, should call at the Guardian office between eight and ten this morning.

It is useless for Guardian readers to apply for name and address of any advertiser when not given in advertisement as same is received in confidence. The Harland came in yesterday morning from Orwell bringing a quantity of freight and a number of passengers. In the afternoon she left for Crapaud with a cargo and a few passengers. The Brant will probably leave to go into the lighthouse supply service, under the direction of Colonel Anderson, starting at Gaspe. She will this morning start laying the Harbor buoys and will then put out the Crapaud and Riffeman buoys. The Gunare will leave shortly for Picton where she will go on the slip and on the first of May she will go to Quebec. The annual report of the Dominion Rifle Association has not yet been issued, so that the list of the first twenty men in the Bisley aggregate shoot at Ottawa is lacking, but it is understood that Major J. M. Jones, of Pownal, P. E. I., will be one of the team, and that there will be a Truro man and possibly another Nova Scotian in the aggregation. The Bisley team will be commanded by Col M. B. Edwards of St John—St John Telegraph.

Auld Bros. have an interesting advertisement on fertilization. It plainly shows that no farmer can afford to overlook this important matter. A corner of the ad contains a little talk of interest to fruit raisers and also an offer to send literature dealing more particularly with fertilizers and containing information of inestimable value to the up-to-date farmer.

A meeting of those interested in baseball was held in the Assembly Hall of the Charlottetown Business College last evening, and the report of the committee appointed to draft a constitution and rules and regulations governing the league was presented and in substance was adopted by the meeting. W. B. Prowse occupied the chair and Principal Miller, who was attending the quarterly meeting of the Board of Trade, was elected President of the league. A meeting will be held on Friday evening next to conclude arrangements for the season's work.

Elsewhere in this issue appears the seed ad of A. Horne & Co. Ltd, who for the past forty years have been carrying on a successful and widely known business in this Province. As the firm buys nothing but the best quality seeds, taking as their motto, "one quality only and that the best," farmers are assured of good results and knowing how important the planting of first quality seeds is, in order that rich and abundant crops may be the result, are asked to call on the firm before placing their Spring orders. Their long experience in business should prove a safe guarantee as to the merits of their excellent seeds.

For the third time within a month that grim destroyer Death has visited the district of Bellevue, this time claiming for a victim one of its oldest residents, in the person of Anne McDonald, relict of the late Archibald Matheson, who died on the eight of April at the advanced age of 91 years. The deceased leaves to mourn a family of six daughters, five of whom attended her during her last illness; one son and a number of grand and great-grand children. She was a member of the Valleyfield Presbyterian Church for upwards of thirty years and was highly esteemed by all who knew her, as was evidenced by the number of friends and relations who followed her remains to Valleyfield Cemetery, there to be laid by the side of her husband who predeceased her for forty-five years.

It is with much regret the Guardian records the death of John Drummond which sad event occurred at his home at Brookfield on March 2nd. The deceased was in good health up to a few days before his death, when he was stricken with a disease from which he seemed never to recover. Mr. Drummond was a man of sterling qualities, of more than ordinary human sympathy, always ready to help those in time of trouble, and he will be greatly missed in the community in which he lived. His remains were interred in Brookfield Cemetery on Friday, March 4th, followed by a large number of friends. Rev. W. J. Green officiated at the house and grave. A widow, one son and one daughter are left to mourn; also one brother, James, in Freetown, and three sisters, Mrs. Stetson, living in O'Leary; Mrs. McElen and Miss Drummond, in Brookfield. The deceased was in the sixty-eighth year of his age.
