## The World's Greatest Hockey Skate.

**MODEL 'C'**

## OUNCES LIGHTER AND STRONGER.

"Automobile" Skates are no longer an experiment. They have come to stay. Nickel steel blades make them fast and strong to stand the roughest and hardest usage. They come to you recommended by the greatest hockey players. It is the lightest and strongest skate on the ice today. Most dealers carry a full line of "Automobile" Skates as well as our other lines. Ask to see the Ladies' "Auto" the "Cycle" favorite, "Artistic Special" "Klondyke" "Youkon." The skates you buy should have one of these names on the blades. That is your assurance of getting a last word in skates.

Have you received your copy of the Year Book yet? There is a copy waiting to be mailed to you. It contains the latest and most reliable hockey information of any publication in Canada. We would like to send you one. If your dealer cannot supply, write us.

**WEDDING BELLS.**—The Church of the Paulist Fathers, New York City, was the scene of a very happy event on Thanksgiving Day, Nov. 23, when Miss Mary Douglas Lewis, daughter of John D. and Isabel Lewis of Graton, North Dakota, and formerly of Cardigan, Prince Edward Island, became the wife of John J. Kenny, formerly of St. Teresas, P. E. I., and now of Columbia University, New York City. The bride was attired in a suit of blue broadcloth, with mink furs and blue hat and plumes. Rev. Richard Cartwright performed the ceremony. The bride was attended by Miss Marie Kenny and the groom by his brother, P. L. Kenny. After the marriage, dinner was served at the Hotel Marie Antonette, where a number of the friends of the wedded party sat down to dinner, amongst them being the mother of the groom, Mrs. John Kenny, St. Teresas, who came for the occasion. The happy couple took the train for Washington where they will spend their honeymoon. They will reside in New York City. Their many friends wish them a happy wedded life.

McHattie, presented the Budget, and also made a slight reference to the \$900.00 minimum, James McKendrick stepped forward and said—"I have been paying \$20.00 to Church support. I will double it and make it \$40.00." Another man increased his contribution 150 per cent. These are the men we want in the Presbyterian Church in Canada."—Copied from the Presbyterian Witness, Dec. 7th, 1912.

### AN ERRATIC VOLCANO.

Rose From the Sea, Formed an Island and Sank Again.

On June 16, 1810, the Sabrina, a British sloop of war, observed smoke arising from the sea near St. Michael, off the Azores, and made for it, believing that a naval engagement was in progress. Her crew found, however, that great tongues of flame were issuing along with the smoke and that they had cleared for action to fight a volcano.

Forty-eight hours later an island made its appearance, having risen from a depth of forty fathoms in that period, and in another day it was fifty feet above the surface, with a length of about three-quarters of a mile. By July 4 the Sabrina's people were able to land on this new shore, which was then 800 feet high, with a circumference of fully a mile, with a stream six yards wide running from the center to the sea.

They took formal possession of it for his Britannic majesty, hoisting the union jack on its most conspicuous point, but by degrees the island sank until about the middle of October it vanished below the surface, with the union jack still on it, like a battleship sinking with colors flying after a fatal engagement.—London Standard.

**A Letter of Importance.**  
The letter P is the most important in the alphabet because it leads all others in perfection. It is likewise first in peace and prosperity and gives to pleasure its proper form. It is found in every enterprise and aspiration, and without its valuable offices our stanchest anchor of hope would be but a commonplace hoe. In importance it is decidedly the dominating letter. It has no place in history, but is foremost in philosophy and gives power to the pen. While always first in provocation, it likewise leads in pardon and possesses great power in persuasion. It is rich in the emotions and virtues. Patriotism, passion, patience, pity and poetry acknowledge it as their very own. No point or picture or port was ever made without it. It leads all others in power, permanency and preciousness. Purpose has no meaning without it, and pyramids are built upon its base.—Galaxy.

## A WEAK, ACHING BACK

Caused Her Much Misery.  
Kept Her From Sleeping Nights.

Weak back is caused by weak kidneys, and on the first approach or evidence of kidney trouble Doan's Kidney Pills should be used, and serious trouble avoided.

Doan's Kidney Pills go right to the seat of the trouble, cure the weak aching back, and prevent any further complications arising.

Mrs. W. R. Hodge, Fielding, Sask., writes—"A few lines highly recommending Doan's Kidney Pills. For this last year I have been troubled very much with nasty sick headaches, and a weak aching back which caused me much misery, for I could not work and had no ambition for anything. My kidneys were very badly out of order, and kept me from sleeping at nights. I tried many kinds of pills and medicines, but it seemed almost in vain. I began to give up in despair of ever being well and strong again, when a kind neighbor advised me to try Doan's Kidney Pills, which I did, and am thankful for the relief I obtained from them, for now I am never troubled with a sore back or sick headaches. I will always say Doan's Kidney Pills for mine and can highly recommend them to any sufferer."  
Price, 50 cents per box, 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.
