IT IS AS EASY TO LOVE.

Your neighbor as yourself when your neighbor is a pretty girl. It is just as to cure yourself of Catarrh Bronchitis or Asthma, if you use Catarrh-zone, the new medicated air treatment for all diseases of the nasal and respiratory passages caused by germ life. Catarrh-zone cures by inhalation without dangerous risk to the sufferer. It goes wherever air can go and never fails to reach the affected parts. This is why it excels treatment requiring the use of sprays, douches, powders, ointments, &c., which cannot reach the seat of the disease and are therefore useless. For sale at all druggists, or direct by mail, price \$1.00. Send 10c in stamps to N. C. POLSON & CO., Manufg chemists, Kingston, Ont., for sample outfit.

"A HEART AS STURDY AS AN OAK."

But what about the blood which the heart must pump at the rate of 70 times a minute? If the heart is to be sturdy and the nerves strong this blood must be rich and pure. Hood's Sarsaparilla makes sturdy hearts because it makes good blood. It gives to men and woman strength, confidence, courage and endurance.

Hood's Pills are non-irritating and the only cathartic to take with Hood's Sarsaparilla.

Artificial Teeth on Metal Plates

A dentist who knows his business, and one that has any regard for his patients will always advise them to have a metal plate

PROF. MELVILLE B. BUCKLEY,
Instructor Boston Dental College, Boston Mass.

In view of the vast amount of injury done to the mouths of wearers of rubber or vulcanite plates, by the retention of undue heat owing to the non conductivity of rubber and as aluminum is now so cheaply produced and making as it does a rigid, light, cleanly, unobjectional plate there seems no reason why any person should wear a rubber or vulcanite plate. Not only this, but better results in fit and adhesion are obtained in difficult cases, than in the use of rubber.

L. P. HASKELL, D. D. S.
Chicago Ill. Dental School.

The above quotations are from hundreds by eminent dentists whose close observation in many years experience in plate work has learned them the many advantages of metal over rubber.

Many persons who are compelled to wear artificial teeth on a plate find that the ordinary plate causes heating of the mouth, bad taste, shrinkage of the gums, etc., finally causing the plate to get loose, sometimes sore lips, sore mouths and sore throats, and caused directly from the wearing of an ordinary plate.

We recommend a Metal Plate either of Gold, Platinum, Aluminum.

It is a conductor of heat and cold, it is non-irritating, and is thinner, lighter, and stronger than any other plate.

We have testimonials from persons for whom we have made metal plates—not one would wear an ordinary plate again. You can have your impression taken, and a metal plate made same day fully guaranteed because we make them ourselves, and know about the material used. Call and see specimens of our work. Every piece of work done by us must give entire satisfaction to the patient, else we will not allow it to leave our office.
