

No such thing as "rubber roofing"
A lot of manufacturers call their roofing "Rubber Roofing," "Rubberine," "Rubberoid"—Rubber-thin and Rubber-thick. The life is all out of rubber if exposed to the daylight for six months. It would be silly to put rubber in roofing, and rubber costs more per pound than roofing sells for for a hundred pounds. There is no such thing as "Rubber Roofing" of any kind. There is no rubber in

Certain-teed

Roofing
It is made of the very best Roofing Felt thoroughly saturated in our properly blended asphalt and coated by a harder grade of asphalt which keeps the soft saturation within—the life of the Roofing—from drying out quickly. We have found from long experience in every part of the world and under all kinds of conditions that these are the materials that give the best and the longest service on the roof.
Certain-teed Roofing is guaranteed 5, 10 or 15 years according to whether the thickness is 1, 2 or 3 ply respectively, and if the roof fails to make good you have a responsible guarantee to fall back on. Beware of the product which is misrepresented to you in any way. Your local dealer will quote you reasonable prices on our goods.

D & A CORSETS
"D & A" or "La Diva" Corsets retailing at \$2.50 are equal in style, material and workmanship to imported corsets costing \$3.50 to \$5.00; the duty and extra profit—for which you get nothing, explains the difference.
Quite aside from your natural wish to encourage Canadian workmen, it is worth your while, for the saving it involves—to buy a "D & A" or a "La Diva" Corset.

These are the points in which Berger's Arsenate of Lead excels.
1. It is the most potent—it can be used at greater strength than any other without harming the most delicate foliage, because it contains less than one-half per cent. of water-soluble Arsenic.
2. It mixes most easily with water, remains longer in suspension, and gives an ideal spraying mixture that never clogs the apparatus—because of its extremely light, "fleece" condition.
3. It defies the heaviest rains—because its fine particles impregnate every fibre of the leaf—not being merely deposited on the surface

Spray Your Trees Now
The most effective treatment for the Codling Moth is spraying your trees before the buds burst with Berger's Arsenate of Lead, which is harmless to trees, fruit and foliage, but death to all insects. Decide to spray your trees in time, and so save the money loss which the Codling Moth and other pests cause.

—WEDDING BELLS.—A very pretty wedding took place on Wednesday evening, June 16th, at the home of Mr. and Mrs. Albert R. Garrill, Northam, when their daughter Ruth was united in marriage to Mr. William J. Dennis, a prosperous and respected farmer of Urlington. The bride looked charming in her bridal attire of white satin with an overdress of silk net. She wore a bridal veil and wreath of orange blossoms and carried a bouquet of flowers. Miss Priscilla Garrill was bridesmaid and Mr. Ira Ramsay, of Arlington, supported the groom. Miss Sadie Monkley played the wedding march and Rev. John J. Bumford, rector of St. James Episcopal Church, Port Hill, performed the ceremony. A beautiful arch of cherry and apple blossoms had been made for the bridal party to stand under and it looked quite effective. After the ceremony, about seventy guests sat down to partake of the good things provided by Mrs. Garrill. The bride and bridegroom are both very popular, as was evidenced by the large number of presents received. Both were members of the church and choir of St. James Episcopal Church, Port Hill and were presented by them with a silver sugar and spoon holder. The neighbors of Northam presented the bride with a parlor chair and hall rack. Many other useful and valuable presents presented by friends of the bride and groom were to be seen. Mr. and Mrs. Dennis have the best wishes of their many friends in Port Hill, Arlington and Northam and the Guardian joins in wishing them every happiness.—P.

—TO ENLIST.—Mr. John Ahearn, who is now police officer of Tignish, has made application to enlist in the Heavy Artillery. Should he be accepted there is no doubt that his present record as a pugilist and his splendid physique would a long way to make him a soldier worthy to wear a uniform in the defence of his country and King.—Z.

—SAD DEATH.—The many friends of Mr. James Rayner, of Kildare, well known capitalist and fox-rancher, are tendering their regrets at the untimely death of his daughter, Eva, which occurred on Wednesday. It seems that the young lady was convalescent from a severe attack of diphtheria and on Tuesday was feeling well enough to come down stairs, and while returning to her room was suddenly seized with convulsions from which she died on Wednesday.—Z.

—VISITING HERE.—Mr. Milford Streeter, well-known brewer of Brooklyn, New York, accompanied by his wife and son, spent the week-end in Tignish on a visit to this part of the Island on a general tour which includes, besides this province, New Brunswick and Nova Scotia. Mr. Streeter is making a careful study of the fox industry while here and is an enthusiast of all civic improvements.—Z.

—HOTEL ARRIVALS.—At the Belle Vue Hotel were registered last week: Mr. and Mrs. Milford Streeter and son, Brooklyn, N. Y.; H. McEwen, P. W. Clarkin, W. A. Hueston, Capt. W. A. Cooke, W. A. MacKay, A. Rattenbury, J. J. Hornby, Charlottetown; W. McDonald, New Glasgow; Wm. Burleigh, Ellerslie; J. O. Donnell, J. V. Mayer, L. Smith, Montreal; R. C. Blakeney, Halifax; Jas. McIsaac Woodside, W. H. Every Rural Home Should Be Equipped With A Beach Odorless Chemical Closet
The Beach is a neat and ornamental little chemical closet that can be installed in any home, and will give practically the same service and satisfaction as the most expensive kinds.
The Beach Odorless Chemical Closet is the simplest, most satisfactory, known means of overcoming the lack of waterworks for the sanitary disposal of sewerage. Instead of water the Beach Chemical is used as a disinfectant, deodorizer and germicide—it is non-injurious to the person and odorless.
Call in, see and examine the closets now on display. We will gladly explain, anything you do not understand and give you suggestions that will prove helpful when installing one.
The Beach Odorless Chemical Closet costs but \$10.00. Get one.
