10. "Lifted up his eyes, and beheld." - Near Bethel to the east - there is a conspicuous hill from the brow of which this survey of "all the Plan of the Jordan" could well have been made.

Think of Having Patti Teach You to Sing!

You can have the great Patti sing to you in your own home. She will, not only, sing once, but she will sing the same song over and over—stopping anywhere, going over and over the same bar, if you like.

Or, if you wish to play or sing like the famous masters, you can have them interpret the most difficult pieces, and tirelessly repeat, till the exact phrasing, the most delicate shading of tone is caught and learned.

Victor-Berliner Gram-o-phones

The Dunlop Creed

WE believe that the trade mark, the two hands, is the most valuable asset in our business, and we shall aim to keep it always in good repute by fair and square dealing.

We believe it is in the fullest sense injurious to our prospects to allow the Dunlop trade mark to be placed on any goods not made of a superior quality of rubber.

We believe in quality. We know that the satisfaction quality gives is lasting, while the satisfaction a purchaser has in buying cheaply is short lived. When he does not find quality he forgets the price paid and begins to think he has been fooled.

As we hope to last in this business we affirm it is our unalterable determination never to compromise the Dunlop standard of quality in rubber.
