There's Only One Best Fox Wire AND IT'S Orb Brand

Even if our prices were as high or higher than other Wire it would pay you to buy ORB BRAND FOX WIRE, because it is stronger, will last longer and serve indefinitely as an impenetrable protection against the escape of these valuable animals.

Orb Brand Fox Wire will not bag, sag, chip, peel or rust like ordinary Wire, it is different, and it's in this difference lies its real economy. Orb Brand will wear, and WEAR WELL. One customer in Quebec writes:

"Your Fox Wire is far Superior to any brand I ever saw!"

He should know, because this same man investigated the offer of almost every house in Canada selling fox wire. Why did he buy from Holman's? That is a question you can answer as well as ourselves.

Experimenting is expensive. When the oldest Fox Ranchers use Orb Brand Wire after expensive experiments, is it not safe to suppose that they know what they are doing. Why not take a lesson from the page of experience? You can save money by doing so.

We have the sole selling control of Orb Brand Fox Wire for P. E. I.
