TO BOYS AND GIRLS

During your vacation, July and August, in the Garden of the Gulf (where everything that God has created is at its best) take all the good you can in living out of doors, and observing the beauties of nature. Those that know tell us that three-fourth of our education comes through the eye. Whether a walk to the woods or along the sea shore, fail not to catch glimpses of the beautiful on every side. Especially would I ask you to watch the fleecy cloud effects and sunsets in August.

Surroundings of this nature suggest beautiful thoughts, take pencil and paper or camera and catch these as they appeal to you in your outings this summer.

The following prizes are offered, open to all boys and girls of Prince Edward Island:—

For best poem (not more than six verses), any subject; silver medal.

For best essay or prose selection or not more than 350 words, any subject; silver medal.

For best photograph, any subject, any size; silver medal.

All manuscripts and photographs sent in must be duly signed, and it must be understood none of these can be returned, and as many published as thought desirable. The writer thanks the Charlottetown School Board for accepting the suggestion, and would appreciate the co-operation of parents and scholars.

The competitions are now on, cut this notice out, and time limit expires September 1st, 1915. Address all matter for competition to—

W. S. LOUSON, Charlottetown.

FATHERS AND MOTHERS

The National Crusade against Vice is caused primarily by lack of amusement in the home. Keep your boys and girls away from the environment of the dance hall and the city streets. Give them the proper amusement at home and they will not look for it on the outside (where they often find it under conditions that are not always ideal). Buy a Piano for them at this sale. It will only call for the investment of a few dollars. Terms will be arranged to suit your convenience. DO THIS NOW. IT MAY SAVE YOU ENDLESS HOURS OF GRIEF IN YEARS TO COME.

Boschu Palmetto

Consult Your Doctor

If you have serious kidney trouble, such as Bright's Disease or Diabetes—consult your physician at once. We do not recommend any remedy for those diseases.

But if you have a mere functional derangement of the kidneys or bladder, indicated by pain in the back, inflammation, etc., you will find Penstar Buchu and Palmetto Compound a very satisfactory remedy.

The formula is on the label—exact quantities and ingredients. It is a fine prescription for kidney and bladder troubles and the makers are proud of it. That is why they publish it, for anyone who knows about such things can tell that this is a splendid remedy.
