1915 EXHIBITION FOR THE EMPIRE.
MONTREAL, Oct. 2.—From the Imperial standpoint there is probably no project liable to arouse more enthusiasm than the All British Exhibition which it is proposed to hold in London in 1915 and at which only products of the Empire will be on view. Viscount Hill, who has recently been touring through Canada and who was in Montreal last week, indicated the present plans, and the arrangements which are to be made to make Exhibition one of Imperial magnitude and success.
Canadian exhibits would naturally be the largest feature of the Exhibition apart from those of the Mother Country, and the benefit to this Dominion would naturally be that a much wider and more accurate knowledge of her enormous resources would be obtained. Such an entirely British exhibition would not only interest patriotic citizens of the Empire, but would also attract the attention of foreign capitalists who would see for the first time evidence of the resources and possibilities of the Empire gathered at one place, and thus everything points to the fact that the Exhibition would probably be of greatest importance to Canada than to any other portion of the British Dominions.

3,000 YEARS AGO THE EGYPTIANS CURED DISEASE WITH FRUIT

To-day, Canadians Are Doing It With "Fruit-a-tives"

—The Famous Fruit Medicine

We are apt to consider the age we live in as the most wonderful age that the world has ever known. It is, in many respects, yet the ancients surpassed us in some things. Engineers of our 40-story sky-scrapers still marvel at the massive pyramids and the sphinx. So, too, the Egyptian physicians of 3,000 years ago, used fruit juices as a medicine for treating blood trouble, liver and kidney disease, and stomach weakness. Their method of mixing fruit juice as a medicine, is also one of the lost arts. A well known Canadian physician, however, perfected a method of utilizing fruit juices, which is one of the greatest discoveries of modern medical research. "Fruit-a-tives" is the natural cure for Chronic Constipation, Biliousness, Indigestion, Pimples, Kidney Disease, Pain in the Back, Bad Complexion, Rheumatism, Nervousness, Headache and Neuralgia.
50c. a box, 6 for \$2.50, or trial box, 25c. At all dealers, or from Fruit-a-tives Limited, Ottawa.
