MONDAY. —HOCKEY PLAYER.—The Manitoba Free Press contains portraits of the members of the Moosejaw hockey team, with the question "Can they take the Allan Cup from Winnipeg?" in display type. Among the players is D. H. McDonald, an Island man, who is described as follows: D. H. McDonald, left wing, plays for all he is worth all the time. Fully equals his confreres in speed, uses his head as well as feet and hands. Handles himself and his stick well, and has a powerful shot, as most goalkeepers in the league can testify. He played with Summerville, P. E. I., team from 1907 to 1910, and has played on the Moose Jaw senior team since 1911. Aged 23, weight 136.

WEDNESDAY. —WEDDING BELLS.—The Manse, Kensington, on March 18th, was the scene of a happy event when Miss Adella M. Reeves of Freetown was united in marriage to Mr. Harry W. Faynter of Long River. Rev. G. A. Sutherland officiated. The bride was very prettily dressed in steel grey with trimmings of grey silk and all-over lace to match. The happy couple returned to Long River where they will in future reside.

WEDNESDAY. —MRS. McLEOD DEAD.—The death occurred at the home of her daughter, Mrs. Profit, Burlington, on March 15, 1913, of Margaret Haslam, relict of the late Hugh McLeod. Besides her daughter Mrs. Profit, with whom she resided, she leaves to

CADETS ENTERTAIN.—An important event in the social life of Summerville took place last night when the older members of the Summerville Cadet Corps entertained their friends at a whist party and dance held in the armories from eight to one o'clock. About 80 invitations were issued, a large number of which were accepted. Everything was done in excellent style by the cadets, who deserve great credit for the good time they gave their friends. The chessmen were Mrs. Chas. Hensley, Mrs. Chas. Rogers, Mrs. A. A. McLellan and Mrs. C. Edward Strong.

THURSDAY. —MRS. DUNCAN McEWEN.—There entered into her eternal rest at the home of her daughter in French River, Mrs. Duncan McEwen, formerly of Kensington, in the 70th year of her age. She was the widow of the late Mr. Duncan McEwen who only predeceased her by nine days. Her health began to fail about two years ago but this she bore with a truly Christian spirit, never murmuring or complaining. Her prayer was that she might be spared to nurse her invalid husband to the last, and that prayer was granted. The Presbyterian Church of Kensington has lost an active worker. She was always looking upon the bright side of life and ready to help others in time of need. It may be said of her—to know her was to love her. She leaves to mourn three daughters—Mrs. Geo. C. McKay of French River, Mrs. Chas. Truel of Hartford, Vermont; Mrs. Byron Smith of Manchester, New Hampshire. To those of the community extend their heartfelt sympathy.

PLEASE PUBLISH MY TESTIMONIAL

So Other Sufferers Will Take "Fruit-a-lives" And Be Cured

Gratitude—heartfelt gratitude—prompted this letter. Madame Langlois was so thankful to "Fruit-a-lives" for restoring her to health and strength, that she gladly allowed her letter to be published.

St. Romuald, Que., Sept. 23rd, 1912. "I have pleasure in stating that I have been cured of severe Dyspepsia and Chronic Constipation by using "Fruit-a-lives." I was a terrible sufferer from severe Constipation for many years, and I tried every remedy I heard of, and also was treated by physicians without any permanent benefits. Then I tried "Fruit-a-lives," and this fruit medicine has completely cured both the Constipation and indigestion. I cannot praise "Fruit-a-lives" enough!"

home till 12 o'clock that night so that Burke did not go for a drive with John Murray about 10 o'clock that night, as he had stated in his evidence. John Murray said he never confessed to Burke that he burned James Horne's barn. Howard Waite and Neil Buchanan both swore that Chas Burke had told them that Thomas Murray had confessed to him that he had burned the barn. Mr. Waite said that Chas Burke told him that if John Murray did not stop talking about him in connection with the fox theft he would get square with him. The case comes up for further hearing Tuesday, April 1st.

BASKET SOCIAL.—A very successful basket social was held at the residence of Mr. George Dignan, Woodstock, Lot 6, on Wednesday evening, 19th March, in aid of the West Devon Methodist Church. Notwithstanding the bad state of the roads a large crowd attended. The first part of the evening was spent in games, music and social conversation. Then came the sale of baskets which was conducted by Mr. Samuel Duncan and the bidding was spirited and lively. Some of the baskets were real gems of artistic beauty, and if the external appearance was an index of the worth of the eatables within, there is ample reason for the anxiety displayed by the young men present to secure the good things prepared by their lady friends. The committee in charge is deeply grateful to all who attended, particularly the young men from Alberton and Cascumpec who did so much to contribute to the financial success of the social. They also thank Mr. and Mrs. Dignan for their kindness in placing their residence at the disposal of the Church Committee. The sum of \$40.00 was realized.—Com.

FRIDAY. —PROPERTY PURCHASED.—Mr. Robert B. Rankin who some time ago sold his property in Cascumpec and moved to Alberton, has purchased the fine property of Governor Rogers. Mr Rankin is to be congratulated in securing this property which is situated on the best farming land to be found in the country, is centrally situated and should he desire to sell, could be disposed of to advantage at any time.—A.

McNeil, and will leave shortly for Western Canada. Mr. McMillan taught school in New Perth West for several years, and is one of the best teachers this Province has produced. He is one of its best and finest young men, and he and Mrs. McMillan and daughter will be greatly missed in New Perth and vicinity by a very large circle of friends and acquaintances.

"DOUBLE BEREAVEMENT.—William Campbell, Victoria Cross, son of Mr. and Mrs. James Campbell, died February 26, 1913, aged 26 years, from blood poisoning and was only sick a few days. His father, James, died March 6, 1913, (only 8 days later), aged 75 years, of pneumonia. He leaves to mourn a widow, two sons, Dan at home and Robert in the West; three daughters—Sarah Ann and Hannah at home, and Minnie, married in Montana. Mr. Campbell was well and favorably known, of a quiet and amiable disposition, honest and upright in all his dealings, and endeared himself to all who knew him. His late son William was a bright and industrious young man, and cut down just in the prime of manhood. The bereaved have the sympathy of the community and the deceased will be much missed in their social sphere. The Guardian extends its sincere sympathy to Mrs. Campbell and family in their doubly sad and sudden bereavement.—B.

"AN ACCIDENT.—Mr. H. McDonald, Black Point, had the misfortune, recently, of falling from his barn loft striking on a feed box, breaking two ribs, and bursting a blood vessel in his kidney. He is improving somewhat slowly.

"CENTENNIAL.—The Livingstone Centenary Memorial service in the Baptist Church, Kingsboro, was well attended, and listened to with much pleasure. The principal speaker of the evening was Rev. R. H. Bell.

"EASTER CONCERT.—The Easter song service and concert held in the East Point Baptist Church on Sunday night the 23rd inst, under the auspices of the members of the C. S. Mission Band, was a splendid example of local talent and worthy of much praise. Miss Elsie Fraser and Miss Laura Stewart deserve much merited credit for their untiring efforts in bringing to a successful issue, after weeks of labor, this excellent program—Singing, Glad Welcome by the Choir. Recitation by Miss Elsie Fraser. Exercise, A Vision of India, Misses Laura Stewart, Gertrude Stewart, Bessie and Rhoda Robertson, Ethel and Alda Fraser, Cora Young, Mabel Robertson. Recitation, Miss Pearl Ching. Exercise, Easter Lights, sixteen girls. Singing, Christ arose, by the Choir. Recitation, Miss Gertrude Stewart. Singing, Jesus will Bless Us, by twelve little tots. Recitation, Miss Ethel Fraser. Recitation, Miss Laura Stewart. Singing, Crown Him by Choir. Address, The Egg, by Mr. R. H. Bell.

Salves Can't Cure Eczema. In regard to skin diseases, medical authorities are now agreed on this—Don't imprison the disease germs in your skin by the use of greasy salves, and thus encourage them to multiply. A true cure of all eczematous diseases can be brought about only by using the healing agents in the form of a liquid. WASH THE GERMS OUT. A simple wash! A compound of oil of Wintergreen, Thymol, and other ingredients as combined in the D. D. Prescription. This penetrates to the disease germs and destroys them, then soothes and heals the skin as nothing else has ever done. We have made many friends of more than one family by recommending this D. D. Prescription to a sufferer here and there, and we want you to try it now. We want to tell you, too, about D. D. Soap. It keeps the pores clean.

The Wail of the Starved Potato advertisement featuring an illustration of a man and text: 'The Wail of the Starved Potato. Look at that poor, shriveled up, good-for-nothing potato. He is wailing because he is starved to death, and the man that grows him is wailing because he is not making the money he should out of his farm. What is the reason? Simply because this potato is starved. Look at Mr. Potash-Raised Potato. See how jolly fat and clean and shapely his fellows are growing and all because of POTASH. The poor, skinny potato starved to death because his grower uses a low grade fertilizer. This grower does not understand that every crop of 800 bushels of potatoes, eats from the soil approximately 60 lbs. Nitrogen, 40 lbs. Phosphoric Acid and 105 lbs. of POTASH. Note that this is 3 times as much POTASH as Phosphoric Acid. The low-grade fertilizer contains but 2 per cent. POTASH and 6 to 8 per cent. Phosphoric Acid. Sure 'y it is not three times as much POTASH. Any agricultural expert in the country will tell you that it is far better to use a 10 per cent. POTASH fertilizer.'

This Applies to All Crops in Canada advertisement featuring an illustration of a man and text: 'This FREE Book (When Poultry Pays) is worth dollars to any farmer's wife in Canada. It makes no difference what crop you raise, you'll find the ordinary fertilizer does not contain the amount of POTASH necessary to secure the largest possible crops from your farm lands. When buying fertilizer insist that your dealer give you a 10 per cent. POTASH fertilizer. If he has not got it, and you have to use a low-grade fertilizer, use enough POTASH to increase the amount to 10 per cent. of POTASH. Our agricultural experts will tell you just how to do this free. It is simply, easily and quickly done, and will bring you many, many times the first cost in a larger harvest. Ask the Agricultural Department at Ottawa if this is not so. Or if you subscribe, you can mix your own fertilizer at your own home. Our experts will tell you how, free. You can buy POTASH from your dealer. If your dealer has not got it, give his name and we will sell to your direct, as we have POTASH ready for immediate delivery in storerooms in Montreal, St. John, N. B., and Toronto. Write to-day for free booklet and prices. Don't starve your crops. Feed them and they will feed you and your pocketbook. "POTASH PAY" Write us to-day for free booklets.
