## Moncton Hawks Edge Saint John Beavers 4-3

HALIFAX, Oct. 18 — (CP)— A third period assault yielded three goals for Moncton Hawks tonight and enabled a 4-3 edge over Saint John Beavers in a Maritime Senior Hockey League fixture. The same clubs had fought a 3-3 tie in the League opener Saturday night.

SAINT JOHN, N.B., Oct. 18 — (CP)— A third period assault yielded three goals for Moncton Hawks tonight and enabled a 4-3 edge over Saint John Beavers in a Maritime Senior Hockey League fixture. The same clubs had fought a 3-3 tie in the League opener Saturday night.

Buck Whitlock, Hawk centre who is seemingly destined for another season of high scoring, shot two of the last period tallies.

After a scoreless initial session, Saint John led 2-1 at the end of the second.

Bolestered by new players, the teams started at a fast clip. Despite the eagerness of the season the scoreless first period was speedier than many sessions seen here last winter when the 1947-48 schedule was well under way.

Five penalty receivers in a rough and tongs through most of the first 20 minutes but Albert Tomari, for Hawks, and Sonny MacDonald kept their citadels clear. Tomari was called upon to make a few more stops than the Beaver custodian.

The Saint John lineup included their latest addition, Mike Demchuk, with Moncton last season.

## Dartmouth Wins 4-3 From St. Mary's

HALIFAX, Oct. 18 — (CP)— A third period goal by winger Alex Robertson gave Dartmouth Arrows a 4-3 win over Halifax St. Mary's here tonight before 3,764 fans to usher in the Nova Scotia end of the Maritime Senior Hockey League. The Santamarians fought from behind with a three-goal spurge in the second period to tie the game 3-3.

Both teams are new entries. Arrows replaced the defunct Truro Bearcats while St. Mary's moved up from the junior ranks to take over the franchise of Halifax Crescents.

Mild weather conditions made the ice soft and watery and produced a thick fog which delayed the game five times. Nevertheless it was a crowd-pleasing performance with 19 penalties, including a major and a misconduct.

Much of the action was crammed into a riotous second period that produced five goals and 11 penalties. Defenceman Carroll Bloom came up with a major for fighting, goalie Ernie Yeaton got a minor for taking a swing at a player. His sentence was served by Don Larlee.

Bob Fero was given a 10-minute charge of passing two \$50 worth cheques at the Mark Twain Hotel here last August. His bond was fixed at \$500 in each case.

Cooper also gave \$1,000 bond on a fugitive warrant from Ohio where he is accused of giving a worthless cheque for \$97.85 to the Stature Clothing Company of Cincinnati.

The former pitcher's lawyer said he would make restitution. Cooper said when he wrote the cheques he expected to get the money to cover them right away, since he anticipated signing a contract with a baseball club. The deal fell through, he said.

## Sports Forum

Sir—I guess I will introduce myself as I don't seem to be very well known, although I bred, raised, trained and raced Shy Ann 2nd for two years. I have driven Shy Ann in every race except one at Covehead last year when Earl Semple the Riverside driver, who I met when I was here, drove her. Last year I drove my own mare. Last year at Summerside, Dominion Day, when I won the 2:30 trot and pace with Shy Ann 2nd I had a very hard time to convince the reporters that my mare did not belong to George Callbeck, Summerside.

Now this is all due to guess work for when I enter my mare I sign my full name and address as owner and driver. Last year at Summerside I overheard a woman say that mare Shy Ann 2nd belongs to George Callbeck and I said "not yet" and she said oh yes, he owns all the Ann horses. So I really had some fun. I have five horses training now and hope to race three of them next year. I have Shy Ann 2nd; a four-year-old Brian York; a two-year-old Simcoe Harvester; a Golden Scott mare Scottish Lass, and a three-year-old Silver Peter. Please try and get it straight next time.

I am, Sir, etc.

## Wins Terrier Title From Class of 45

LONDON, Oct. 18 — (AP)— Former world flyweight champion Jackie Paterson knocked out Danny O'Sullivan of England in the seventh round of a scheduled eight rounder. Each weighed 118.

In this same series, U. N. B. and Mt. A. will meet for their first game at Sackville this Saturday, the results of which will give the Saints a little idea what they will be up against when they meet U. N. B. on the 27th. The first home game for the Saints will be played at the Sackville rink on November 3rd, on the S. D. U. football grounds.

Summerside baseball fans have the edge this year on "diamond entertainment" when they witness the second game of the intermediate playdowns next Saturday. Charlottetown fans caught their final glimpse of the "old ball game" over the week end when Husky McCabe's Anchors threw on the power to blank the northend Rovers 11-0 in an overwhelming victory.

A meeting of the City League hockey officials will be quite apparent that there will definitely be a City League this winter. Whether or not the Abbies will ice a team for "B League play" still remains to be seen.

## Does Oily Hair Mean Unhealthy Scalp?

Esen 'Natura' Oil may Lead To Hair Troubles

Your hair may be naturally oily, yet develop a drab, dull appearance, and begin to thin out. Oil is not necessarily harmful, but your hair traps dirt, dirt and grime from the air—in fact, collects more dirt in a single hour than your body does in a full day.

This dirt combines with scalp oil, dried skin and perspiration to form a waxy accumulation which lies tightly over your scalp and chokes off proper nourishment from your hair. To keep your hair abundant, good-looking, and attractive, your scalp must be healthy and perfectly clean. Your warning signal of an unhealthy scalp is dandruff.

Dandruff tells you to take care of your scalp right now. So dissolve and wash away all dirt and dandruff with Fitch Dandruff Remover Shampoo. Fitch Shampoo works right down into the thousands of tiny hair openings in your scalp, so they are antiseptically clean, and your hair can get the nourishment it needs to keep healthy and lustrous.
