RECEIVES VETERAN'S JEWEL.

The Guardian was shown today a very handsome and valuable Veteran's Jewel which Mr. A. D. Fraser has received from the Supreme Executive of the Independent Order of Foresters for faithful and lengthy service to the Order. Mr. Fraser has held this office of Financial Secretary in different Courts for over twenty-one years and the office of High Secretary for almost ten years. So he is well deserving of the honor that the Supreme Court has been pleased to bestow upon him. Although not so prominently before the public in this province as it was some years ago, the Independent Order of Foresters throughout the rest of Canada and the United States, it still maintains two Sanatoriums and an Orphanage where Foresters and their dependents receive the best of treatment and are greatly benefited. Three very attractive new Policies are now being offered by the Order each of which has attached to it an appealing surrender value. The One Hundred per cent. and The Twenty Year Pay Life and The Order is now one hundred and twenty per cent strong and during the year just ended 11,859 members were added, the new policies totaling \$12,549,250, more than one million per month. The Independent Order of Foresters was inaugurated in June, 1874 and the Jubilee of the Order will be celebrated by a monster demonstration and grand Foresters' Camp at Niagara Falls during the month of June next. From ten to twenty thousand Foresters are expected to take part.

S. S. RALLY.

The Sunday School Rally held by the District Sunday School Association on Jan. 7th at Victoria Cross was a grand success. The programme consisted of addresses by Revs. H. A. Brown and C. E. Armstrong, Montague and Rev. Mr. McLellan, Valleyfield. Recitation of scripture by the pupils of Victoria Cross Sunday School, and an inspiring and instructive paper, on "The relation of the Sunday School teacher to the pupil, spiritually," by Mrs. Brown. Mrs. Brown also delighted the audience by rendering a soul-inspiring solo. The efficient president of this organization, Mr. S. Martin, Heatherdale plans to have another rally at Lower Montague in March. Eternity alone may tell the good being done by this united effort and helpers of children in the Sunday Schools in this district, would put to shame the pupils of some of our larger schools by their recitations of the Word. These scriptures will always remain with them, and will be a comfort to them while life shall last. "Bring up a child in the way he should go and when he is old, he will not depart from it."—D.

The very sudden call which came to this beloved and respected citizen of Cambridge and Murray Harbor North, came as a shock to the whole community. He had been enjoying his usual health, engaged in the work of his shop, was the genial and friendly companion, life was running a smooth course yet on the morning of January 4th he was seized by a sudden illness and the soul passed to meet his maker.

The deceased was practically a life resident of Cambridge, having come here from Birmingham, England, when but a boy. For 36 years he was the dependable employee of the late James Clow. Twenty-four years ago he united with the Presbyterian Church and was a consistent and highly respected member. He also filled the position of Secretary for the trustee board of Cambridge Road

school for 30 years. Always ready to assist in any work for the community welfare his passing away leaves a blank which means a real loss to all. Besides a devoted wife he leaves to mourn, and yet to treasure his memory the following: Mrs. Frank Vuozzo, Montague; Mrs. Neil Vanderstine, Peterborough; Mrs. Benj. Richards, Murray Harbor; W. Mrs. Albert McLeod, Cambridge; Thomas Coleman, Alta; Gladstone and Harry at home. The funeral service was conducted Jan. 6th by Rev. Henry A. Brown, the very large gathering evidenced the public sympathy extended to the family in their sad bereavement.

Matters connected with the transportation service to and from the Province were discussed at a special meeting of the Council of the Charlottetown Board of Trade representatives of the Senate and Federal Parliament. Mr. S. A. Macdonald, president of the Board of Trade, presided. There were present Hon. J. E. Sinclair, Senator McLean, Senator Murphy, Senator Prowse, Messrs. J. J. Hughes, M. P., D. A. MacKinnon, M. P., and the following Board of Trade Council members, Messrs. J. P. Gordon, W. F. Tidmarsh, E. H. Beier, E. T. Higgs, P. W. Turner, R. E. Mutch, H. V. Buntain, J. O. Hyndman, A. S. Pomeroy, N. Rattenbury, W. C. S. McLare, P. W. Clarkin, W. L. Higgins.

The need of an improved mail and passenger service between Sackville and Tormentine was strongly presented by Mr. R. E. Mutch. After discussion it was decided that the secretary be instructed to write Mr. L. S. Brown, manager of the Atlantic division, C. N. R., at Moncton, asking that an early personal interview be arranged with the Board of Trade for a full discussion of this matter. Mr. N. Rattenbury brought up the need of additional railway room, and better accommodation for shippers of perishable products at the railway wharf. Mr. A. A. Pomeroy spoke of the unsatisfactory boat service between Charlottetown and Picton during the past few years, and of the need of having on this route a steamer better adapted to the work. Mr. W. F. Tidmarsh urged the desirability of having Charlottetown included as a port of call in the new service about to be inaugurated between Sydney, the Magdalen and Souris, provided this meets with the wishes of the people of the Magdalen, as he believed it would. Senator Murphy referred strongly to the present train service between Charlottetown and Timish, which is causing much dissatisfaction in Western Prince County owing to the time lost in transit, and the expense involved. This matter, which had been presented before the Moncton authorities, without success, will be pressed still further. He asked that the request receive the support of the Charlottetown Board of Trade. After considerable discussion on the questions raised, the meeting adjourned. A vote of thanks, moved by Mr. Higgs and seconded by Mr. Brown, was tendered the members of the Senate and Federal House for their attendance.

A WOUND IS AN OPEN DOOR

Absorbine Jr. enables you to shut the door quickly.

The skin is Nature's own protection against germs. When it is bruised, broken or cut, that protection is withdrawn. The door is open. As quickly as possible Nature closes it by forming what we call a scab and renders you comparatively safe against infection. But this scab sometimes takes days to form and until it has fully sealed the wound, even until the wound has thoroughly healed again you must furnish the required protection yourself. A few drops of Absorbine Jr. in the water will give you an antiseptic wash that will kill all possibility of infection and help nature to heal the wound. As well as being a very powerful germicide, Absorbine Jr. will draw out the inflammation and bring instant relief. Absorbine Jr. is antiseptic, germicide and liniment in one container—handy to keep always in the house; easy to carry around if you travel. \$1.25 at your druggist's.
