## CLOSING UP OF YARMOUTH BANK

### Application Made by Mr Stavert To Pay Shareholders $10 a Share

HALIFAX, Dec. 15—W. E. Stavert, liquidator of the Bank of Yarmouth, applied yesterday for leave to pay out $10 a share to the contributors who have paid up double liability. There are 4000 shares and 3383 shares have paid their calls in full. The capital stock is 4000 shares of the value of $75 a share. The liquipator pays out this on o after 17th December, 1906, so that after the payment the shareholders will have paid $65 instead of $76 on their double liability.

## RAID ON LIQUOR BAR, GLACE BAY

GLACE BAY, Dec. 15—The first raid on a saloon since "Skiddoo" Chisholm so mysteriously disappeared was made on the bar room of J. D. McNeill on Lower Main Street a few days ago. Officer Lucas, armed with a warrant, marched down Main Street, while the form of the burly Chief and Officers Morris and Nicholson came up in the rear. When John D.'s saloon was reached Office Lucas knocked at the door and demanded admittance in the King's name. This at first was denied him. The trapper in response to his demand said "Wait till I see about it," and after a hurried consultation with the man in charge, the officer was admitted, followed by the Chief and Officers Morris and Nicholson. There were quite a number of patrons in the bar when the officers appeared, but they made their exit and skiddooed through the back door. The officers went to work at once and seized all the liquor in the premises, and one who is in a position to know, claims it was the best selected stock in town. Teams were engaged and the trucking of the booze commenced.

### ADVERTISING IS BROAD.

Advertising in itself means publiitcy and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the anncuncement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journ
