Three Classes For Dominion Day Race Meet

Earlier in the season there was considerable talk circulating that there would be no Dominion Day races at Summerside this year. It hardly seemed possible that this could come to pass and now word has been received that Summerside will stage its annual event at the Trotting Park.

There are to be three classes with \$300 offered in each class. They are as follows: 2.18 trot & pace, (3 secs. allowed trotters). 2.21 trot & pace. 2.23 trot & pace.

These are subject to minor changes in case they do not fill. A notice will appear through this press shortly, after definite arrangements have been made.

A list of eligible horses for the fast class reveals Lusty Frisco, Frank J. Ortolan, Helen D. McEwain, the Great, Trilix Volo, Mac Volo, Hackfast. These horses are all in training and all probable starters.

In the 2.21 mixed, Harvest Melody, Bud Cope, Soviet, Leta Kalmuck, Peggy Longest, etc. are possibilities, which makes this class look real good.

The "green" class is necessarily good and will probably have in the vicinity of a dozen entries. Mac Steele is training several eligibles, as is also Harry O'Brien, and it will probably be the first class to fill.

Harry O'Brien, the veteran track maker did some work on the Summerside oval last week and intends to have it as near perfect as possible for the 1st of July. The stand is also being checked over and will be repaired.

All in all, things seem to be looking up for a real good Dominion Day.

Secretary's Report

Nine meetings had been held during the year, with an average attendance of seven members present. A special meeting was held on July 10th, 1936 for the purpose of looking into the shortage of hospital linen, reported to us by the trustee board. As a result of this meeting one hundred sheets were bought and made up by members and handed in to Matron. Seventy seven pneumonia jackets, table cloths, wash cloths and table napkins have been supplied as needed. Curtains and shades for Nurses Home have been bought and made up and cleaning of the Home with necessary repairs has been attended to promptly by our Home Committee, who will please accept our sincere appreciation of time and energy expended in this way.

Our funds which at times have been alarmingly low have been helped out in the following ways:

One rummage sale, one pantry sale, put on by Kensington women, three parties given by town women and membership dues. Thirteen Women's Institutes have made small cash donations, three Women's Institutes contributed blankets, nine W. I. contributed sheets, pillow slips and bedspreads which have been thankfully acknowledged.

A project for supplying screens for the public wards which was entered into with much interest at our March meeting, has been set on foot. The needs and condition of these wards. We regret the patients have been denied the privacy which these screens would afford them. Our hospital is evidently too small for the demand.

The usual Christmas treat of \$20.00 was given nurses.

Graduation pins and all other expenses connected with the graduation exercises have been cheerfully paid by our aid.

Two new features which denote progress have been introduced during the year, namely the organization of a Junior Aid and membership cards.

Our officers and committees have been faithful in the discharge of their duties. The needs and obligations of our hospital necessitate an enthusiastic membership.

A regular attendance at our monthly meetings assures enthusiasm and results.

Respectfully submitted,
SARAH B. SCHURMAN, Secretary

The report of the Treasurer, Miss Mary F. Hunt showed receipts of \$405.12 \$669.98, and expenditure of \$405.12 leaving a balance on hand in the Bank of Nova Scotia of \$264.85—S

On motion of the Attorney General the court was adjourned until September 13th when the civil jury cases will be heard.

MISS ANNIE PHILIPSON REMEMBERED

Miss Annie, the winsome little daughter of Mr. and Mrs. Philipson, was not forgotten and her classmates with their teacher gave a little party for her on the lawn of U. G. Pineau's charming home. Games were played and ice cream and cake served by the hostess. The pupils then read the following address and presented their little friend with three beautiful books. A charming gift of a coronation cap and sweater came from Mrs. Percy Campbell.

Miss Annie, thanked her friends very prettily and invited them to visit her when in Summerside.

PLAY SCORES HIT

The large audience in Cape Traverse Hall Wednesday evening, by their frequent hearty applause showed their appreciation of the comedy, "The Prince of Liars", which was so ably presented by the Hampton players. There were no dull moments from the opening scene until the final curtain, unexpected developments in the situation following one another with a rapidity which kept the audience guessing until the happy ending. The players were well chosen, each performing their role effectively. Clifton Ince played the part of Arthur Hummingtop, the Prince of Liars skillfully and apparently with ease, while Mrs. Ince was charming as Mrs. Hummingtop. Florence McRae as Mrs. Cillebrand, the eagle-eyed mother-in-law, was superb. Edith Cannon as Rosa, the Gutta-Percha girl, and Donald Cameron as Joshua Gillebrand gave a realistic interpretation of a very modern young couple. Margaret Cameron as Daisy Maitland, the genuine niece from New York, and Manford Beer as Ralph Ormrod, the artistic friend were both exceedingly good, while Iva French as Barbara the Maid, and Edwin Ferguson as Dobson the butler, staged a little private romance of their own.

Between acts Mr. Clayton Morrison of Hampton sang "When I Was Twenty-One", responding to an encore with "The Little Shirt

ADDRESS

To Mr. and Mrs. Roland Philipson:—On the occasion of your leaving our village to locate in the county town of Summerside, we, your friends and neighbours of Albany, have gathered together this evening to express in a slight degree our regrets at losing such a valuable citizen, and at the same time to congratulate Mr. Philipson on his well merited promotion with his firm which has necessitated his and his family's removal from our midst. Three years ago you came to this community as strangers, but it was not long before you both showed that your desire was to serve the best interests of the place. You were both ready to enter with zeal into any project for the betterment of the district, when a helping hand was needed yours were always ready. In expressing the wish of us all that your future years may be prosperous and happy, we ask you to accept this electrical floor lamp as a slight token of esteem from THE CITIZENS OF ALBANY

Pioneers Stage Last Inning Rally To Defeat Soviets 7-5

In the best played ball game seen in Summerside this year and also what might be termed a "real" ball game, the Pioneers defeated the league leading Soviets 7-5 to bring themselves up on even footing with the leading team.

At the end of the fifth the Pioneers seemed to be riding pretty easily on the long end of a 5-2 score. However, like a bolt from the blue, the Soviets scored once in the sixth on two singles and an error and then went on in the seventh to tie the score on three singles, a double and a sacrifice. With two out and score 3-4 Joe Casey came through with a single to drive in Ralph Clow with the tying run. Each team got men on bases in the eighth but the Pioneers were left with men stranded on second and third while the Soviets saw their hope for the winning run die at second.

To start the ninth Gil Williams bunted safely down the third base line. Dodds followed with a single to right. Schurman walked and Millman came through with a single through the infield, driving in Williams with the winning run and Dodds with one for good measure. The side was then retired in order. Supported brilliantly Wilson retired the Soviets in order.

Walter Arsenault met his first defeat of the season but has nothing to reproach himself for, pitching a brilliant game. He allowed the winners but five hits over the full nine innings. Wilson was chalking up his second straight victory as Arsenault met his first defeat. He walked one and allowed seven hits, all of which came in the sixth, seventh and eighth. With the exception of a few bad throws both teams fielded brilliantly.

The next game will take place on Tuesday when the Sungloes will be seeking their first win at the expense of the Soviets. Harry Crossman, stellar Pioneer first sacker, was absent from the lineup due to an injury sustained last game but is expected back again by next Friday.
