Is your cream can being **ROBBED?**

Is your separator the thief?

SUPPOSE you found that some one was stealing even a little of your cream every day. You wouldn't rest easy until you had put a stop to it.

If you are using an old or inferior cream separator, the chances are ten to one that each time you use it you lose some cream. Your cream can be being robbed just as surely as if some one were stealing cream from it.

Some people go on using their old separator even if they know that it is not working right. They fail to realize that if the separator doesn't run right it can't possibly skim clean. They overlook the fact that a De Laval will soon pay for itself just from what it saves over an inferior or half worn-out machine.

If your present cream separator is not skimming as close as two one hundredths of one per cent it will easily pay you to

trade in your old separator on account of a new **DE LAVAL**

68,000 users did so last year
34,873 in the U. S. and Canada

You can never get your money back by continuing to use a worn-out or inferior cream separator. The longer you keep it, the greater your loss.

The quickest and best way to satisfy yourself as to the comparative merits of the De Laval and your old machine is to ask the local De Laval agent to bring a machine right out to your place.

He will be glad to let you have a free trial alongside your present machine; and, if you decide to purchase, will make you an exchange allowance on your old machine, whether it be an old De Laval or some other make.

If you don't know the De Laval agent, write to the nearest De Laval office below, giving make, number and size of your present machine and full information will be sent you.

A Servant of The People

An ideal servant is practical, helpful, alert and absolutely dependable.

Examining the record of "The Mutual of Canada" by these tests, we find in it an ideal public servant.

In the year 1914 distressed widows and orphans were relieved by the payment of claims amounting to \$520,219.60.

Endowments and Annuities were paid to policyholders still living to the extent of \$366,577.

While surplus earnings were distributed during this one year—in amount \$429,013.

And this is the kind of work that the Mutual Life has been doing for nearly half a century.

What can we do for you?

MONDAY

ENGAGEMENT ANNOUNCED—The engagement is announced of Miss Annie Pollock, 355 Delaware Avenue, to Mr. Arthur L. Carr, of Edmonton, Alta., son of the late G. W. Carr and of Mrs. Carr, Misconche, P.E.I. The wedding will take place early in June.—Toronto Daily News.

ANOTHER WOUNDED—Mr. Kenneth Ellis, a former Summerside boy who enlisted with the first Canadian contingent and who is now fighting at the front, has written to his father, Mrs. K. P. Ellis, Summerside, stating that he had been wounded in the knee in the recent battle around Ypres and is now in a hospital at Rouen, France.—H.

PAINFUL ACCIDENT—Mr. Neil McQuarrie, Summerside, met with a painful accident on Monday afternoon about 3 o'clock. While walking to his office on Water Street he missed his footing and fell on the concrete sidewalk resulting in the fracture of one of his legs, between the knee and ankle.

INSPECTION—The Cadet Corps of Prince of Wales College was inspected on Saturday by Lieutenants F. B. Duguet and Elliott Full, Halifax, and made an excellent showing. Lieut. Duguet in complimenting the members of the Corps said he was told that he was coming over to inspect a good corps but he had found a "crack" corps and one of which they might well feel proud.

LITTLE CHILD STRAYED—A little girl about three years old who had evidently strayed away from home, was picked up on the outskirts of Summerside, on Saturday afternoon. The child was cold and hungry and could not give her name nor that of her parents. She was taken to the home of Mrs. Leonard Schurman, who treated the child with generosity, and made her as comfortable as possible, when towards evening the owner located the lost child. It seems the little one had followed the railway track for over a mile going the opposite way from her home.—H.

AT THE CENTRAL CHRISTIAN CHURCH YESTERDAY—The services in the Central Christian Church yesterday were conducted by Rev. Mr. Whitehead. His subject in the morning was "The Ark of Safety" and at the evening service he preached on "The Motherhood of God." The Misses Dorothy and Lottie McDonald sang a duet at the evening service, which was much appreciated. At the morning service Mr. Whitehead announced that he had received a telegram of the serious illness of his sister in St. Louis, Missouri, U. S. A., and was leaving for there this morning. He will be absent several weeks.

EXCELLENT STOCK—Mr. James Roper arrived by the Northumberland Saturday from Toronto, bringing with him a pair of pure-bred Clydesdale mares for breeding purposes. He also brought with him pure-bred Clydesdale stallion 3 years old. This is one of the very best colts ever imported to P. E. Island, weighing before leaving Toronto, 1560 lbs. and costing in the vicinity of \$2,000. He was imported from the Old Country to Canada as a yearling and is sired by the great show horse "High Honour" by "Hawatha." Mr. Roper is to be highly commended on securing such a horse for P. E. I., as he is a good addition to the many good ones he now has. He will be jointly owned by James Roper, East Royalty, and H. Kelly, Southport, and can be seen at the stables of F. W. Hughes, Gratton St. His card will appear later.

WEDDING BELLS—The marriage of Miss Mary Johnson, daughter of Councilor and Mrs. Geo. Johnson, of this town to Edward B. Carter, a well-known business man of Winnipeg, was held in the Methodist Church on Monday evening. A smart company of friends and relatives filled the church. Rev. T. G. Bethell, the pastor, performed the ceremony. The bridal music was effectively rendered by Miss Ada Steekley. During the signing of the register Mrs. Deacon sang with her usual pleasing effect. The bride, who was given away by her father, wore a most becoming suit of blue gabardine, the coat opening on a dainty blouse of white silk crepe de chene. Her picture hat of Belgian blue, trimmed with ostrich feathers and French flowers, was very beautiful. The Church was artistically decorated with flowers in colors of green and white. After the ceremony Councilor W. J. Free led the bridal party in his automobile to the bride's home, where a sumptuous supper was served. Many good wishes followed the happy couple as they boarded the evening train for Moose Jaw. The bride travelled in a costume of military style with hat to match. On their return they will make Winnipeg their home. The bridal gifts were very handsome. Mrs. Johnson, mother of the bride, was gowned in black satin.—The above is from a Western paper. Mr. Carter referred to is a son of Mr. Benjamin Carter, of this city.

EDUCATIONAL MEETING—An educational meeting of more than usual interest was held in Murray River Hall on Friday evening, May 7th inst. There was a large attendance of teachers and rate-payers, also the Women's Institute was well represented. At the opening of the meeting Mr. Robert Whiteway, Jr., was appointed chairman, Mr. Whiteway after a few introductory remarks called on Mr. Coughlan to address the meeting. Mr. Coughlan gave a pleasing address along agricultural lines. He pointed out the great benefits to be derived from school gardening. He was followed by Mr. R. H. Campbell, B.A., Chief Superintendent of Education, who gave an eloquent and instructive address along educational lines. The next speaker was the Hon. Murdoch McKinnon, Commissioner of Agriculture, who spoke of the great work the women's institutes were doing in improving the schools, etc., of this province. The closing address was given by Mr. Adams, inspector of Southern Kings County, who spoke of the improvement of the school in general and urged the rate-payers to co-operate with the teachers in still furthering the interests of Education. After a few complimentary remarks by Rev. A. J. MacNeill and Mr. William Carson, a hearty vote of thanks was tendered Mr. Whiteway for the capable manner in which he presided. The meeting then closed by singing God Save the King.

TUESDAY

SCHOOL WORK—The standing of North Winsloe school for April was as follows: Grade V.—1, Katie Cudmore; 2, Harold Cudmore; 3, Vera Cudmore; 4, Sadie Roberts, Grade IV.—1, Lena Roberts; 2, Bessie Saunders, Grade III. Jr.—1, Bessie Saunders, Grade II.—1, Mary McDonald; 2, Ira Saunders. Those perfect in attendance for the month were: Sheldon Cudmore, Howard Cudmore, Inza Cudmore, Mary McDonald and Katie Cudmore.

SAD ACCIDENT—While Mr. Cyprian McDonald, of Grand River, Lot 14, was unloading a load of hay at his farm last Friday he slipped off the load and sustained injuries from which he died on Sunday. Mr. McDonald was alone at the time. His wife being in the stable and hearing the noise ran into the barn to find Mr. McDonald lying at the feet of the horse. Mr. McDonald was about 77 years of age and a highly respected farmer. Much sympathy is felt for the family in their sad bereavement.

ANOTHER ISLANDER KILLED—The name of another Prince Edward Islander—Alexander Lorne McNeill, formerly of Rocky Point, is added to the list of those who have yielded up their lives for the Empire at the battle front.—Mrs. Charles Newson, Rocky Point, received the sad news on Saturday. No particulars are given. Deceased was about 25 years of age and was a son of Mr. A. F. McNeill, former keeper of the Blockhouse. He enlisted in Winnipeg, to which city he removed about five years ago. His father is in the West. His mother is dead. Much sympathy will be felt for the relatives here of the brave young man who has thus given his life for his country. Mr. Charles Livingstone, of Prowse Bros., is a first cousin.

HOME GUARD—Number two Company (which means also members of late three company) under command of Capt. James Landragan and Lieut. O. Baird, will turn out tonight at eight sharp. The militia authorities have granted the use of rifles, at the company drills at the Armory, which will enable the men to practice rifle drill. The rifles have been ordered for target practice, and are now on the way here, thanks to Capt. Landragan, who has been of much assistance in the branch of the service during the winter months. A few members of Civilian Rifle Club, (who have private rifles) and some members of the "Reds" will be glad to instruct any young men anxious to enlist for Overseas Service, at rifle shooting at Kensington Range. This may be arranged by consulting the Secretary or Captain "The Home Guard" may be weak, but its all there is just now, and those who criticize strengthen it. If the two hundred fifty or more members who have signed the service roll last November, and since, will turn out at company drills this week, and try to enlist others, for service, the effort will encourage the officers, and create enthusiasm for overseas service as well.

AN ISLAND BOY—The Sheaf, published monthly by the University of Saskatchewan at Saskatoon, says that Mr. M. A. McMillan has had a brilliant career at that university. He is a son of Mrs. Mary C. McMillan who is at present residing with her eldest son, Dr. W. J. P. McMillan, Provincial Health Officer of Prince Edward Island. Mr. McMillan was President of the Students' Representative Council Executive, and Secretary of the Athletic Directorate, 1914-15. His career is set forth in The Sheaf as follows:—

Michael Allan McMillan, the president of the S. R. C., is a true Easterner. Born in Clermont, P. E. I., he received his public school education in the town of his birth. In 1909 the call of the West brought Mac to Saskatoon, and it was here that his Collegiate course was taken. In 1911 he entered Varsity, where in his Freshman year he not only won a University Scholarship, but also the highest esteem of his fellow students. Various organizations can truly vouch that Allan knows how "to make things go." For three terms he represented his year on the S. R. C.; twice as an officer of the U. of S. Athletic; sometimes president of his year. All who know Mac expect great results in his chosen career, and wish him every success.

His picture appears in three places in the magazine; first as president of the S. R. C.; then in connection with athletics; and lastly where a sketch of his career is given. Mr. McMillan, already mentioned, is a son of Prince Edward Island, and he has certainly won great distinction in the province of Saskatchewan. Evidently he is versatile in his ability. He is a brilliant scholar, noted in athletics, and the responsible positions to which the students have elected him prove his popularity and the high esteem in which he is held. It is a great pleasure to record the splendid success won by our Island boys in other parts of Canada or the world. More than one member of this family has distinguished himself in his collegiate career, and we heartily congratulate Mr. M. A. McMillan and predict for him a notable future in his chosen profession, the law.

WHEN RUN DOWN

Hood's Sarsaparilla, the Reliable Tonic Medicine, Builds Up.

The reason why you feel so tired all the time at this season is that your blood is impure and impoverished. It lacks vitality. It is not the rich red blood that gives life to the whole body, perfects digestion and enables all the organs to perform their functions as they should.

Get Hood's Sarsaparilla from any druggist. It will make you feel better, look better, eat and sleep better. It is the old reliable tried and true all the year round blood purifier and enricher, tonic and appetizer. It revitalizes the blood, and is especially useful in building up the debilitated and run-down.

Hood's Sarsaparilla is helping thousands at this time of year. Let it help you. Get a bottle today and begin taking it at once. Be sure to get Hood's. Nothing else acts like it.

PATRIOTIC ABSTINENCE LEAGUE—A meeting of the Executive of this League met in the Legislative Chamber last night when splendid progress was reported in connection with the city, bringing the returned signatures to date up to 1,600. It was also reported that the enthusiasm outside of the city was increasing and that sheets and cards to the number of about 30,000 had been applied for and sent out. Returns are expected to be in in about two weeks' time. Those in charge of said returns would facilitate matters very much by sending in as soon as possible to Mr. R. H. Campbell, Secretary.

LAI D TO REST—The funeral of the late Mrs. Alex McNevin, of Bonshaw, takes place this afternoon, the service being held in the Bonshaw Presbyterian Church. The late Mrs. McNevin died in Boston on December 20th, and the body was brought home last night via Charlottetown for interment. The deceased went to Boston last autumn to visit her daughters and shortly afterwards took seriously ill, death ensuing as above stated. Her husband predeceased her by about a year. She leaves to mourn three daughters, Mrs. McMichael, of Rexton, N. B.; Mrs. Pierson, of Everett, Mass., and Miss Agnes, of Boston, and one son, Frank, of Providence, R. I.; also two sisters, Mrs. Parkman, Charlottetown, and Mrs. Darrach, of Boston, and three brothers, Mr. John Boyce, Winchester, Mass.; Messrs. James and William, of Bonshaw. The body was accompanied by Miss Agnes, daughter of the deceased.

TRANSFERRED—The New Glasgow Chronicle says:—Worcester has come to New Glasgow that Mr. M. E. MacLaggan manager of the Royal Bank here, was to be transferred to Pictou. The announcement caused a stir in town circles for Mr. MacLaggan has won a coveted position in the confidence of our people and become fastly popular with the many patrons of the Bank. We are heartily in accord with the movement to petition the head office to have Mr. MacLaggan remain here, and trust the effort will be successful. It would be a decided loss to the business interests of the town to lose him at this juncture, and the removal of him and Mrs. MacLaggan, who is a Charlottetown lady, would socially be much regretted. The hope is generally expressed that the heads of the Bank can see their way clear to let Mr. MacLaggan remain with us as manager of the Royal in New Glasgow for yet awhile.
