MY EIGHTIETH YEAR.

I am truly aware that my end draweth near
Since I find I have entered my eightieth year.
I am conscious of symptoms predicting so clear
The end of my journey, my earthly career.

There were different stages in life I went through,
Some were bright, some were painful as they came in review.
I had heartfelt bereavements most grievous to bear,
I had days of deep sorrow, of worry and care.

But in all my sore trials, I had guidance and aid,
God's promise was sure, I need not be afriad;
I had timely protection, God's help was my shield
To defend and direct me, my heart aches to heal.

So a bright silver lining is behind the dark cloud,
While nature is smiling with gladness endowed,
I would raise Ebenzer in praises anew
For the help and the safety I obtained hitherto.

I know that I leave many dear ones behind
Whose comfort did cheer in my years of decline.
May God in His mercy their young minds decide
To choose that good part which will always abide.

I watch and I wait for the change that is near,
I feel it is coming and may shortly appear;
I look to God's mercy to carry me through,
To the love of my Saviour my safety is due.

On His grace I'm depending to aid and defend.
With love that will banish all fear to the end;
That my trust in the merits of Christ may be clear
And sing to His praise through my eightieth year.

Junction Road,

Dodd's Kidney Pills are Clearing Out Kidney Disease.

Richard Quirk, One of a Score Cured in One Neighborhood, Tells How Pains of Twenty Years Standing Vanished Before the Great Kidney Remedy

FORTUNE HARBOR, Nfld., Nov. 16.—(Special.)—There are a score of people in this neighborhood who suffered from Lame Back and other symptoms of Kidney Disease and who are now strong and healthy, thanks to Dodd's Kidney Pills. One of the most serious cases cured is that of Mr. Richard Quirk, and in an interview he says:

"I suffered for more than twenty years from Lumbago and Kidney Disease. I almost always had a severe pain in my back, so severe that during intervals for years I was totally unable to work.

"Doctors and medicines gave me little or no relief and after ten or twelve years I had almost made up my mind that my trouble was incurable. Then reading of cures by them led me to try Dodd's Kidney Pills. I had not taken half a box before I experienced relief and after using seven or eight boxes I was a perfect cure and a new man. The cure was permanent."

Cure your Backache with Dodd's Kidney Pills and you will never have Bright's Disease.
