CONSTANT PAIN AFTER EATING

The Tortures of Dyspepsia corrected by "Fruit-a-lives"

Dr. MARRIS, N.B. For two years, I suffered tortures on Severe Dyspepsia. I had constant pains after eating; pains on the sides and back; and a horrible bitter stuff often came up my mouth. I tried doctors, but they did not help me. But as soon as I started taking "Fruit-a-lives", I began to improve and this medicine, made of fruit juices, relieved me when everything else failed. MRS. UNUSUAL ACCIDENT.—A very unusual accident happened in Centreville, was driving on Black's Hill about Wednesday night, says the Agriculturist. Andrew Noonan, of Centreville, of driving on Black's Hill about 9 o'clock when his carriage was struck by lightning. The bolt struck the back cushion of the carriage seat with such terrible force that the seat was completely torn off and the driver thrown out of the carriage to the ground. The horse was thrown off its feet and was also slightly shocked. Mr. Noonan very fortunately was wearing a rubber raincoat at the time the carriage was struck. This, and the fact that he was using a rubber wrap undoubtedly saved his life, although he was quite badly shocked and had to be taken to a physician. It is pleasing to report that Mr. Noonan has completely recovered from the shock and is no worse off after his exciting experience.

MILITARY CROSS, NOT MEDAL. In the reference yesterday morning to the honors won by Lieut. A. E. B. Murphy, it should have been said that he had been awarded the Military Cross, not the Military Medal.

A LARGE FAMILY.—At the annual picnic of the Bathurst Lumber Company, Bathurst, N.B., last week, Mr. and Mrs. Joseph F. Landry won the prize of \$25.00 for the largest family, recording seventeen children, fifteen of whom attended the picnic. There were several families numbering fourteen and quite a number more than ten.

STINGING THE UNDERTAKER.—The high cost of dying is going up as well as the high cost of living, according to the statement of a Fredericton undertaker. Coffins, horse hire, flowers and other things have been steadily advancing for some time, and now the rate for opening a grave at one cemetery has jumped from \$3 to \$5. One Sheffield man, not long ago, had his own coffin made and it now rests in the attic of his house covered with newspapers and canvas. "That is the time I beat the undertakers to it," he said recently to an undertaker in this city.

AN OPPORTUNITY TO BECOME A "FOUNDER" OF THE NAVY LEAGUE OF CANADA.—While the annual fee is \$2.00, friends of the Saviour have an opportunity now that will not be available after the 31st August. A Life Membership can be

secured by payment of a fee of \$100, and Life Members joining previous to the above date are designated as "Founders" of the Navy League and are given a suitable silver badge. Mr. George J. Rogers, President of the Rogers Hardware Co., is the first applicant for Life Membership in P. E. Island, and it is expected that many others will join up before the 31st August, and receive the honor of being a "Founder" of this great national movement.

Relieves Asthma at Little Expense—Thousands of dollars have been spent upon remedies for asthma and seldom, if ever, with any relief. Dr. J. D. Kellogg's Asthma Remedy, despite its assurance of benefit, costs so little that it is within reach of all. It is the national remedy for asthma, far removed from the class of doubtful and experimental preparations. Your dealer can supply it.
