Shorey's is made in almost as many sizes and proportions as boys are—and though they are stylish, smart and up-to-date they are made for **Boyish Boys**, for good hard wear and will last until the boy grows out of them.

Shorey's do not ask people to buy at one particular shop. That system makes the garments cost more. Every good dealer sells Shorey's "Ready to wear Clothing" and guarantees it to give satisfaction. You will find the Guarantee Card in the pocket.

SIGNS OF THE TIME.—A large flock of wild geese was seen in this vicinity on Saturday. They all got away.

Mr. D. B. McDONALD, representing J. C. Wilson & Co., came over by the Northumberland Saturday evening.

Messrs Goo. McSweeney and R. S. Bowness of Moncton were passengers by the Northumberland Saturday evening.

The paragraph in this column on Saturday morning stating that "Parkside was not distanced etc." should have read "was not fit for New Brunswick," etc.

OVERSEER HOBKIRK received from Sir Louis Davies a few days ago the following telegram, in response to an inquiry as to the proposed change in the oyster fishing season: "My intention is to postpone the commencement of the oyster season till October 1st." It is learned that an effort is being made here to prevent this change from taking place as it is causing a great deal of dissatisfaction among dealers and fishermen.

Two large cases of ladies' jackets were entered through the customs here in July by Messrs Sinclair & Stewart, in order to get the rebate on the duty paid on German manufactured goods. These goods were shipped to them from Berlin, Germany, via New York, and they are going to give their customers the benefit of the low duties and to say that they will be sold cheap is drawing it mild. Look out for their advertisement in next issue. 29 d&w

THERE was a slim attendance at the races on the grounds of the S. A. A. Saturday afternoon. There were two events: a ten mile race open to bona fide residents of P. E. Island who have never raced on a Summerside or Charlottetown track. There were five starters, but only three finished, viz: Chester Burns, George Warren and William Johnson. The first prize was taken by Chester Burns: time, 32 minutes; William Johnson, 2nd: time, 33 min. 40 sec.; 3rd, George Warren: time, 36 min. 20 sec. The second event was a one mile handicap with six starters, won by Roy Holman, 1st: Bruce Harper, 2nd; Allan Sprague, 3rd.

BABY'S Terrible ECZEMA

My baby suffered from terrible Eczema. Doctor and every remedy tried, to no account. He cried all the time and his face was like raw meat. I had to carry him on a pillow, and was fairly discouraged. I used half a box of CUTICURA (ointment) and CUTICURA SOAP, and in one week my baby was entirely cured. To-day his skin is as smooth as silk.
