The election of Mr. Lemieux, Liberal for Gaspé and the Magdalen Islands adds another to the ministerial majority. With the changes made on declaration day the total strength of parties is about as follows: Liberal 131; Conservatives 80; Government majority 51.

On another page of this issue will be found a political map of the United States showing in white the states which supported McKinley and the Bryan states in black. The picture is a striking one showing the north-eastern, middle and Pacific coast states solidly Republican, while the Democrats carried only the southern states with Kentucky omitted, and the sparsely populated Northeastern states of Montana, Idaho, Nevada, and Colorado.

THE WILLOWS.

With trunks aslant the willows stand, And o'er the river lean; They seem to pour their foliage down, A cataract of green. Their wind swept branches downward flow To mingle with the stream; The leaflets bend to kiss the waves, The dearest friends they seem. And this is why the willows weep And mourn, as well you ken; The little waves all say "good-bye," But ne'er come back again. —Boston Transcript.

Poor Quality of Blood

A Frequent Cause of Consumption, Heart Failure and Other Constitutional Diseases—Dr. Chase's Nerve Food as a Blood Builder.

The heart, the lungs, the stomach, the liver, the kidneys, and bowels cannot perform their functions and repair wasted tissue when supplied with blood that is deficient in nutritive qualities, and sooner or later the weakest organ succumbs to the attacks of disease. The indications of this, watery blood are paleness of the lips, gums, and eyelids, shortness of breath, weakness of heart action, and languid, despondent feelings. These symptoms are usually accompanied by nervousness, sleeplessness, and general weakness of the body. It is positively useless to doctor the symptoms, and injurious to use opiates or stimulants. Cure can be brought about gradually and certainly by the use of Dr. Chase's Nerve Food, which contains in condensed pill form all the elements required for strengthening and revitalizing the blood. As a blood builder and nerve restorative, Dr. Chase's Nerve Food is of inestimable value. In pill form, 50 cents a box, at all Dealers, or Edmanson, Bates & Co., Toronto.

Eczema in Its Worst Form.

Blank Covered With Blisters—Terrible Itching—No Sleep Possible—Dr. Chase's Ointment Simply Marvellous in Its Curative Power.

Mr. John Kelly, 73 Trinity Street, Toronto, in an interview, made the following verbatim statement:— "I have been troubled with eczema in almost its worst form for the past three years. At times my back and shoulder blades were literally covered with patches like water blisters, and these, accompanied with terrible itching on my legs, put sleep out of the question. I tried various well-known ointments (names mentioned), and did everything possible to obtain relief, but with little success. I had frequently heard of Dr. Chase's Ointment, but meeting with so many disappointments, I had not tried it. Seeing the advertisement one day I concluded to get a box. Since using Dr. Chase's Ointment, I am like a new being. Its soothing and healing properties are simply marvellous, and I am honestly grateful to Dr. Chase's Ointment for the release from long suffering."

Dr. Chase's Ointment, a positive cure for all itching skin diseases, 50 cents a box, at all dealers, or Edmanson, Bates and Co., Toronto.
