**PASTOR REMEMBERED.**—At the close of the High Mass on Sunday February 27th in St. Joseph's Church, Vernon River the pastor Rev. P. D. McGinlay was tendered a most complimentary address. This was an expression of appreciation and gratitude from the parishioners for the zeal, kindness and earnestness with which the pastor has labored for the spiritual and temporal welfare of the people. The address was accompanied by a well filled purse in appreciation of the services rendered by the Rev. gentleman to the parishioners for their kind words of appreciation, their expressions of good will and for their generosity in responding cheerfully to the financial needs of the church. A few weeks ago a number of the young men of the parish presented the pastor with a nicely worded address and a valuable set of driving harness. This gift is highly appreciated. Many improvements have been made to the church, parish house and church property in Vernon River since Father McGinlay became pastor. During the past summer the interior of the church has been artistically decorated and an up-to-date water system established. While these and many other improvements meant large expenditures it is gratifying to know that through the energy of the pastor, the wise counsel of the trustees and the kind generosity of the people all expenditures are paid with a goodly surplus in the Bank in favor of the church fund.
