Island will be held on the grounds of the King's County Exhibition Association of Georgetown, on Wednesday, Aug. 12th, 1914. ORANGEMEN'S PARADE.

Yesterday the several lodges in Charlottetown of the L. O. O. A. paraded to divine service at St. James' Church. In spite of the inclement weather there was an excellent turnout of the loyal Orangemen, and the parade, headed by the Fourth Regiment Band, was a striking one, which was witnessed by many. At St. James, the Rev. Dr. Fullerton preached an appropriate sermon in his characteristically forceful and eloquent manner.

FUNERAL OF MRS. MATTHEWS.

The funeral of Mrs. George Matthews took place yesterday afternoon from her late residence King's Square. In spite of the unpropitious weather, it was largely attended, and this in addition to the large number of beautiful floral tributes bore undoubted testimony to the great esteem in which the deceased lady was held by a large circle of friends and acquaintances. The pall-bearers were Messrs. Benjamin Brenner, E. H. Beer, Edward Chandler, Samuel Lowe, W. W. Stanley and John Whear.

BOYS CAMP.

Mr. Wesley Steele, Rural Boys Work Secretary, leaves this morning for Alberton to take charge of the Western Boys Camp which will be held near that place beginning next Friday evening and continuing for ten days. It is expected that about fifty boys will be in attendance. All boys going to the camp should be on the train leaving Summerside at noon on Friday. During this period the Boys Work Secretary or any of the boys may be addressed to Western Boys Camp, Alberton, P. E. Island.

AGRICULTURAL PICNIC.

An agricultural picnic will be held in North Wiltshire on the farm of Wm. Clark, in the Maple Grove, next week. As quite a number of town people are anxious to attend, it is quite likely that a special train will be sent out from Charlottetown and arrangements will be made for those who would prefer not to be bothered with their own baskets. Live stock judging classes will be prominent feature in the picnic. There will also be quite a number of agricultural addresses. Everyone will be welcomed, especially those with baskets.

EXCELLENT.

Mr. Charles Saunders, from Ottawa, Dominion Cerealist, left Charlottetown on Saturday morning after paying a brief visit to the Experimental Farm here. He inspected the cereal crops at the Farm on Friday and was driven out as far as Vernon by the Superintendent of the Farm, Mr. A. Clarke, in order to give him a view of the country and the general agricultural situation. Mr. Saunders expressed the opinion that the grain in crop at the Charlottetown Experimental Station is the best that he has seen this year.

WEALTH OF HAIR

PARISIAN SAGE MAKES THIN LIFELESS HAIR SOFT AND ABUNDANT

Beautiful hair, fluffy, lustrous, abundant, and free from dandruff, is one of woman's greatest charms—it's her main delight—yet so many of the fair sex have attracted, thin and lifeless hair, and think there is no remedy. Beautiful hair is largely a matter of attention. Parisian Sage frequently applied and well rubbed into the scalp works wonders. Try it today, and you will be surprised with the result—not only will the hair become abundant, soft, fluffy, radiant with life, but really doubly beautiful.

Parisian Sage in fifty cent bottles, really needs. It surely removes dandruff with one application stops itching head and cleanses the hair of all dirt and excessive oil.

All drug and toilet counters sell Parisian Sage in fifty cent bottles. Look for the trade mark—"The Girl With the Auburn Hair." Try at least one bottle from Geo. E. Hughes. He will refund the money if you are not satisfied.

CALL FOR VOLUNTEERS.

Good progress is being made with the building of the new bungalow at the Kensington rifle range. The frame is now up awaiting the promised help to have it boarded and shingled. All volunteers for this help are requested to parade at the bungalow this afternoon at two o'clock and to take along with them a saw and a hammer, or both, and a willing pair of hands. The new bungalow will afford the much-needed room. It is 60 feet long and 30 feet wide, with an eight-foot wide veranda on two sides. The new building has been erected thirty feet further to the south than the old building.

SCHOOL EXAMINATION.

The regular semi-annual public school examination was held in St. Ann's schoolhouse on the afternoon of Monday, June 29th. Although the weather was somewhat disagreeable, there was a fair crowd of parents and visitors present. The pupils were examined in reading, spelling, grammar, history, and geography by Rev. L. Herrell, Mr. Zachariah Buote and the teacher, Mr. Peter LeClair. After the examination speeches were made by Rev. L. Herrell, Messrs. P. P. McGuigan and Zachariah Buote each complimenting the teacher and pupils upon their good work. The proceedings were brought to a close by the singing of the National Anthem.

INTERESTING REUNION.

Mr. E. B. McLaren of Georgetown was in the city on Saturday, accompanied by his sisters, Mrs. H. G. J. Chater of London, Eng., and Mrs. H. H. Davies of Cholame, Cal. The former arrived on the Island several weeks ago, and the latter has been here for about ten days. They had each been absent from their native province for forty years, and they had not seen each other for twenty years. When the reunion took place at the old homestead this summer, they did not know each other. They will spend the summer on the Island. They note many changes in this province during the past forty years, and state that these changes have all been for the better.

THE CHEESE BOARD.

The Cheese Board held its regular meeting Friday with only a fair attendance of salesmen and buyers present. The buyers in attendance were Messrs. Spillet, Biffin and Nowell. Mr. Walker Simpson occupied the chair. The cable message read: "Five thousand five hundred cheese offered on the Brockville Board, 260 sold at 122; curb price the same. Cool cured one sixteenth higher." The following factories offered cheese—Stanley, 204; New Glasgow, 250; Kensington, 300; Gowan Bra, 40; Cornwall, 80. Mr. Nowell offered 124 for selection of the board which the salesman refused. Mr. Spillet made a call at 12 five sixteenths which was also refused, the salesman holding for 122. Mr. Geo. Brown of New Glasgow offered the following resolution seconded by Mr. Profit of Kensington—"That this cheese board greatly regrets the continued small attendance at its meetings and, considering the value the board has been, and is, to the dairy industry, especially in the information given to the salesman by its cable messages received every two weeks, it is felt by this board that to discontinue its meetings would be a distinct loss to all concerned. Therefore, resolved that this cheese board requests all factories to send a representative to the regular fortnightly meetings, or write the secretary explaining their attitude as to the support of future meetings of the board, either by sending a representative or pledging their financial support." The board meets on the following dates: July 24th, Aug. 7th, and 21st, Sept. 4th, and 18th, Oct. 2nd, and 16th, and 30th.

Mr. Murchison spent a week in New York on his way here and will leave in about two weeks for London, England, where he will be joined by his wife and daughter. Mr. Murchison has become interested in the fox business and is greatly pleased with the outlook and proposes to recommend it to some of his friends abroad. He is at present the guest of Mr. and Mrs. J. Theo. Lantz, Killbuck.

THE SEMI-ANNUAL EXAMINATION OF DARLINGTON SCHOOL TOOK PLACE ON THE AFTERNOON OF JUNE 30th.

The pupils were examined in the various subjects by their teacher, and answered the questions asked them readily and promptly. The ratepayers present expressed themselves as well pleased with the standing of the school.

JUST BEFORE THE CLOSE OF THE EXAMINATION, MISS ETHEL CAMPBELL, ONE OF THE SCHOLARS, READ THE FOLLOWING ADDRESS TO THE TEACHER, MISS MYRTLE NOY:—

Dear Teacher,—Having learned with regret of your intention to leave our school, we the undersigned, on behalf of the pupils of the Darlington School, desire to express to you our appreciation of your faithful services as our teacher during the past seven years. By your kind help and encouragement, school work to us has been comparatively easy and has been profitable. We will always think of the years spent under your care as the best and happiest of our lives.

Winston-Salem, N. C., U. S. A.

P. A. strikes 13 every time you fire up!

Prince Albert smashes the big joy gong whether you jam it into a jimmy pipe or roll it into an acehigh makin's cigarette, the like of which you never got next to before.

Pretty quick you forget about the chaff-brands and fire-brands! For P. A. is all there—signed, sealed, delivered!

Men everywhere smoke P. A. because it's a revelation—can't bite the tongue! The bite's cut out by a patented process. Hence, no tobacco can be like

PRINCE ALBERT
the inter-national joy smoke

Listen: You can never tell from where you're sitting how your picture's going to look. Nor can you tell how bully P. A. is until you fire up! It's a case of "show me." We've made a "show down" for millions of men everywhere.

In five years Prince Albert, from a little stranger in a big land, has become the largest selling pipe and cigarette tobacco in the United States.

Got the nerve to put up the price for a tidy red tin to find out something for what ails your smokappetite?

Prince Albert is imported into Canada by wholesale dealers and is on sale, in one-eighth-pound tidy red tins, by all of the leading retail dealers.

BEAVER FLOUR

COSTS LESS - IS BETTER - AND GOES FURTHER THAN ANY WESTERN WHEAT FLOUR

"BEAVER" FLOUR makes a real home-made loaf of bread, close grained, beautifully white and tempting, with the delicious old-time flavor that "mother's brand" always had.

"Beaver" Flour makes Pies and Pastry that far excel anything made of western wheat flour, and with less shortening. And do you know why? Western wheat flours are strong and absorb much water, but they lack flavor. "Beaver" Flour contains the choicest Ontario wheat with a little Manitoba wheat to increase the strength.

The bakers of Toronto and London—the experts at the Agricultural Colleges—and thousands of homes through Ontario, Quebec and the Maritime Provinces—have proved that "Beaver" Flour is superior to any western wheat flour and is equally good for Bread and Pastry. Try it.
