WOULD ADVANCE EFFICIENCY OF DENTAL INSTRUCTION

PROVIDENCE, R. I., July 29.—Great changes are taking place in dental education owing to recent discoveries of the intimate connection between the teeth and general health, according to a statement given out today by the Dental Education Council of America through its secretary, Dr. Albert L. Midway.

CANADA BUILDING UP AUTO EXPORT TRADE

OTTAWA, Ont., July 29.—Automobiles manufactured in Canada numbered 101,097 in 1922, according to a report just compiled by the Dominion Bureau of Statistics. This was an increase of 53 percent over the 1921 output.

DESIGN AERIAL RAMS TO DEMOLISH ENEMY PLANES

LONDON, July 29.—Heavily armored, steel-proved battering rams, for use in the levitation airships now being designed, are being constructed secretly by British aircraft experts, says the Daily Chronicle's aeronautical correspondent. These new terrors of the air will be launched at an immense height from the mother-airships and will rush down guided by a sonar man sitting protected with his back to the wind in their hulls, ready to strike hostile air ships or bombing planes.
