LET US SEE WHAT GROUNDS we have for believing the "Briscoe" to be the best car of its class in the world. Well, take the matter of the motor alone: It has been admitted by all that the famous Half-Million-Dollar motor (which is the heart of Briscoe's motor car) is the greatest four cylinder motor manufactured giving owners no motor trouble and averaging upwards of 30 miles to the gallon of gas. And, when you stop to think of it, isn't the motor a matter of prime importance? Here, undoubtedly you have one very good reason why the Briscoe should have your consideration. Road Breaking Wanted

Sir.—We would ask you to please find out if any new Road Masters have been appointed for Brookfield and Springville Districts? We know the rare ones have been discharged.

No attempt has been made by anyone in authority to break the roads this winter. Last Saturday the mail carriers of No. 7 and No. 4 Rural routes from North Wilshire had to turn after breaking the roads as far as they could and those who travelled those roads since did so at the risk of losing their horses and breaking their sleighs. We now realize to our cost that the old Grit roads have come again. Please ring the bell and find out what is going to be done. I am, Sir etc.

SNOW BOUND TRAVELLER. Note.—We are informed by the Public Works Department that Messrs. Everett Johnston and Geo. Hickox both of Brookfield were last fall appointed Road Masters for this district.—Editor G.

About Rheumatism

What Thousands have Found Gives Relief From This Painful Trouble

Rheumatism is a constitutional disease, manifesting itself in local aches and pains, inflamed joints and stiff muscles. It cannot be cured by local or external applications. It must have constitutional treatment.

Take a course of the great blood-purifying and tonic medicine, Hood's Sarsaparilla, which corrects the acid condition of the blood on which Rheumatism depends, and gives permanent relief. This medicine combines with excellent alteratives and tonics what is generally conceded to be the most effective agent in the treatment of this disease.

If a cathartic or laxative is needed take Hood's Pills. Purely vegetable.
