

Tired, Tired Tired. That one word tells the whole story. No rest. No comfort. All tired out. Fortunately, physicians know about Ayer's Sarsaparilla. They prescribe it for exhaustion, anemia.

IN MEMORIAM—At Hunter River, on
Saturday night the 2nd, inst., Mary Ann,
beloved wife of Malcolm Beaton, sudden-
ly passed away to her eternal reward, in
the 54th year of her age. The cause of
her death was heart failure. The de-
ceased was a daughter of the late Alex-
ander McLeod of Hunter River. Her
aged mother, Bessie McLeod survives
her. She leaves a husband and four sons
to mourn the loss of a loving and devoted
wife and mother. About ten years ago,
in a revival at Hunter River, conducted
by the Rev. A. D. McLeod, Mrs. Beaton
gave herself to the Lord, and entered into
the joy and fellowship of the Christian
life. She afterwards united with the
Methodist Church at Hunter River; and
through her constant and unswerving
faith in God, and by a patient continu-
ance in well-doing, our dear sister faith-
fully endured to the end. Mrs. Beaton
was a bright, cheerful, sweet-spirited
Christian. She gave one the impression
that, notwithstanding the clouds and
dark days of life, she lived much in the
sunshine. Her countenance wore, not
the frown, but the smile; and therefore
as wife and mother in the home, as a
member in the church, and as a woman
in the community, she will be sadly
missed. She was respected and beloved
by her neighbors and friends, because of
her kindness and unselfishness of her
disposition, and her many true wom-
anly qualities. The presence of a large
concourse of people at her funeral on
Tuesday the 5th, inst., testified to her
worth, as a neighbor and friend. In the
Presbyterian Church at Hunter River,
where the burial took place, a funeral
service was held, conducted by Revs. Dr.
Geo. Millar and G. A. Sellar. The deepest
sympathies of the entire community go
out to the husband and sons in their
great sorrow, and to the little orphan
grand-daughter, Bessie.

"IRELAND'S DAY"

The General Committee, having charge
of "Home Comers' Week" arrangements,
happily assigned to each nationality a
particular day. On next Tuesday,
"Ireland's Day" will be held at Sum-
merside. It therefore becomes the duty of
every Irishman to be present and assist in
making this day a credit to his nation-
ality. An excellent program of sports
has been arranged; prominent orators will
be present, and the afternoon oration
will be interspersed with music and song
by our favorite artists. Nothing has
been omitted to insure the success of this
feature of Home Comers' Week,
consequently it is hoped that all the sons
and daughters of Erin on this Island, will
regard it as their duty to attend and make
the occasion such as will throw an
additional halo of glory around their race
in this Province.

A special train will leave Charlottetown
on the morning of the 19th inst. at 8:45.
Fare only 75 cents. Reduced fares, all
along the line of railways.

Strong Testimony From a Lady
Resident of Clarksburg, Proving
That Ferrozone Surpasses All
Other Remedies for Diseases
Peculiar to Women.

If the thousands of the women who si-
lently suffer from functional derange-
ments were to tell their sad story, it would make
a book of countless pages. The health of
many women is constantly imperilled
through failure of certain organs to work
according to nature's requirements.
Where this condition occurs there is no
other remedy so commonly known as
which has a specific effect on female
troubles. Not only does it act directly on
the organs, ensuring regularity and free-
dom from pain, but by forming rich red
blood fortifies the system against weak-
ening drains.

Every young girl and woman will find a
true friend in Ferrozone. It is a special
remedy for their troubles that offsets the
deadening influence of ill health by re-
storing order
and regular-
ity. Ferro-
zone posses-
es a volume
of merit
totally ab-
sent in the ordinary medicine, and
its superiority is proclaimed by
thousands of women it has restored to
vigorous health. From Mrs. E. G. Cald-
well comes the following endorsement
written from her home in Clarksburg:

"I went through a most trying experi-
ence with what is commonly known as
'Female Trouble.' It isn't necessary to
state my symptoms but I suffered a
great deal. My health was well nigh
ruined and I got into such a condition
that I couldn't even sleep. I was dread-
fully nervous, weak and pale. Different
prescriptions were recommended and I
tried them all. Ferrozone was the first
to help. I improved steadily under Fer-
rozone, and normal conditions were finally
established. I gained weight, my color
and spirits improved and my former
health was restored. Ferrozone cured me
and with a full heart I recommend this
good medicine to all other women.
No greater blessing ever came to
suffering woman than Ferrozone. It de-
serves a trial because it is the best medi-
cine, tonic and restorer money can buy.
Beware of imitations. Don't allow a
druggist to palm off anything else for
Ferrozone which costs 50 cents per box or
six boxes for \$2.50, at druggists, or by
mail from The Ferrozone Co., Kingston,
Ont.
