A Boy Scout's Diary Of The Great Jamboree

By Scout Will E. Burnett.

Scoutmaster, selecting representatives from each troop, and putting us through our facings in a manner we had not previously experienced. It was a great time training for the Jamboree tests, and our bunch was as good as any I afterwards met in Ottawa or overseas. We all did work hard and worried a lot over the selection. Only two were to be sent officially representing the Province from funds provided by the Chief Scout for Canada, Lord Willington, but our Jamboree Committee arranged for funds for a third so that three places were to be filled. All was excitement on the evening of May 27, when a banquet was held in St. Peter's Hall at which the names of the winners were to be announced. The secret had been well kept, we were all sure Dick Philliter would be one as he was already a King's Scout, and had been most efficient in all tests he had been called upon to undergo. But who were to be the two others? I wanted badly to go and was told I had a good chance, being a first class Scout, but on the afternoon of the banquet another Scout told me I was out of it. This made me quite despondent for a time, and it was not until the Provincial Secretary read out my name, sandwiched between Dick Philliter's and Bob Beer's as the successful Scouts that I was relieved of my anxiety.

The three of us had a busy, hectic time between the date of the banquet and our setting out for Ottawa for our week in camp preparatory to sailing. Our real "guide, philosopher and friend" was Mr. Parent. He thought of everything, and seemed to know everything, and we were only sorry he was not going to accompany us to the Jamboree as one of the officials.

Off on our journey.
To Be Continued.

Billy Cope Steps Remarkable Mile

Matinee Races Were Well Attended Yesterday—Presentation To Caretaker Arbing.

The Matinee Races staged by horsemen of Charlottetown and vicinity were the lure which drew other horsemen from such wide apart places as Souris and Alberton. Intervening towns and villages and country places were also well represented in the gathering which witnessed the curtain closing program of the season. The weather promised to be very good and was up till half past three, then changed its mind and a slight drizzle of rain arrived just at the conclusion of the second heat of the fourth class. The track had been put in almost first class condition, almost, because it required a little sun shine to dry up the damp spots and make it fast. As it was, it was a pretty nice piece of dirt and caretaker Arbing had worked so strenuously to place it in good condition certainly deserved the praise he received. In this connection a very pleasing presentation was made to him by Starter Ed. Acorn on behalf of the horsemen who have been using the track during the summer.

In a few well chosen words Mr. Acorn told the audience of the good work done by Mr. Arbing and the appreciation of the horsemen, as shown by their nice cash gift. Mr. Arbing was very much surprised and almost overcome.

Several of the horses that were expected to start had to be drawn for various reasons. Marge Direct through an injury sustained at Fredericton and Johnnie Walker for a similar cause. Others did not arrive and this narrowed the field a bit, but nevertheless those who were present greatly enjoyed the program.

Class A Pace was the first event called and had as starters Blingen Aubrey, 2:11½, and Billy Cope, both from the MacKinnon Stables, Charlottetown. Blingen was driven by Ernest McTague and Billy Cope by Colonel MacKinnon. In the first heat it was announced that they would go slow to the half and then cut loose a bit the last half. The first half of this mile was in 1:17, then they turned on the gas and stepped the final half in 1:04½, with the last quarter in 31½ seconds. This mile was to prepare for the fast mile which was to follow.

Second Heat. They went away well this heat and reached the quarter in thirty-three seconds, the half in 1:05½. Just before the three-quarter mile Blingen Aubrey made a try to get to Billy Cope, but Billy moved away easily and quickly gained a good lead. This he maintained to the finish, stepping a remarkable mile, 2:10½ being announced. Blingen

INDOOR CIRCUS

He is yet only a boy in his teens and promises by his actions in the ring to become a dangerous man in the game for any man of his weight, and if it were not for the experience and gameness of his opponent the decision would certainly have been in his favor. McInnis has nothing to regret when he came through a row with "Lick" Donovan, because "Lick" has gone all alone to Glace Bay to compete in a Maritime Championship Tournament, and fought in the finals and made the champion of his own weight step fast and hard for an extra round before getting the decision over him. Although "Lick" showed lots of speed and gameness last evening at the Indoor Circus, he still needs more training and workouts. However, all the spectators were well pleased with the performance of both boxers, and it was rumored through the building that those boys ought to be roped into the ring once more. The spectators are well satisfied that "Young" McInnis is one of the coming boxers of the province.

The Garden City Indoor Circus Co., have succeeded in matching Stanley Steele of this city with Preston Donovan, the Maritime Cham-

There was another large attendance last night at the Garden City Indoor Circus. The evening's pleasure opened with old-time music and old-time dancing, and even those who did not take part in the dance kept their feet moving as they listened to the sweet music played by Mr. M. J. Bolger. As has already been reported, Mr. Bolger is certainly a champion fiddler, especially when playing the tunes "Pidgeon on the Gatepost" and "Paddy on the Turnpike." All the visitors were moving their feet when he played "Lord McDonald's Reel."

A Best Seller

"Not by accident or chance does a cigar become a 'best seller'. One man does not take another man's word for a cigar as a rule. He tries it. If he likes it he buys it again and again. When enough men do this then a cigar becomes a 'best seller', but only on its own merit. For years—nearly 40 years—the MARGUERITE has been a 'best seller' because of its uniformly high quality—always good—and today, if anything, better than ever."

The Colonel

plan of the 117 pound class. This bout will take place tonight in the Market Building. Although Donovan may be somewhat lighter than Steele he believes by speed and foot work that he will come through with the decision. Steele is not saying much about this fight and the less said the easiest proved. So when those two boys meet all this street talk will be proved in the ring with an efficient referee.

The Garden City Co., have arranged to match them tonight in the Market Building. There were many lucky winners at the booths last night who could be seen by the visitors carrying out their prizes as they passed out the door, and many favorable comments were made on the management of the Circus. The door prize was won by Mr. Geo. Smith of Douglas St., and he went home with the five dollar gold piece awarded by the Circus. Part of the proceeds of this show which will continue each evening this week will be donated to the Sanitarium Building Fund.

C. N. R. APPOINTMENT

MONCTON, Oct. 2.—Effective October 1st, M. F. Tompkins, traffic manager of the Atlantic region of the Canadian National Railway, announces the appointment of J. B. S. Mitchell as district freight and passenger agent of the lines of railway comprised of the former Quebec Oriental and Atlantic Quebec and western extending from Matapedia to Gaspe, Que., now part of the Atlantic region of the National system. Mr. Mitchell's headquarters will be at New Carlisle, Que.

FOOTBALL

The first football game of the season takes place Saturday afternoon between the old rival teams, Abegweit and St. Dunstan's. There is considerable enthusiasm over football this year and it is hoped that there will be a large crowd out to witness the opening tilt. The Abegweits have some very good material which a little practice would greatly improve. The squad is asked to turn out to-day at the C. A. A. grounds at 5 o'clock for a good, strenuous practice. There are several star players who have not yet turned out, and these are especially requested to be present.

- Class A. Trot**
- Peter Wilton, Jr. (MacKinnon) .. 1
Captain Jackson, (Chandler) .. 2
Time 2:16½; 2:17.
- Special Race**
- Briar Mac, (MacLeod) .. 1
Major S. (McNeill) .. 2
Time: 2:17½; 2:17½.
- Class B. Trot and Pace.**
- Baby Sett (Conroy) .. 1
Dapper Don (Hennessy) .. 2
Laocopia Belle (Hooper) .. 3
Mack Dillon (Weeks) .. 4
Time: 2:30; 2:25.
- Match Race**
- Peter Wilton, Jr. (MacKinnon) .. 1
Briar Mac (MacLeod) .. 2
Time: 2:15.
- The officials were:
Starter, E. F. Acorn,
Judges, W. S. Brown, E. F. Acorn,
R. J. Steele,
Timers, Harry Murphy, W. B. McArthur, Kensington, Jas. Arbing.

Aubrey separately timed went in 2:11½, showing that he was as good if not better than he has ever been over this track.

Billy Cope was bred and received his racing education from Harry O'Brien, Alberton, P. E. I. Mr. O'Brien started him at New Annan races this August and won in 2:17½. Just before he started at Charlottetown he was sold to Wellington McNeill who won two races with him in three days in very handy fashion and gave him a record of 2:12½. The next week Mr. McNeill started him at Halifax and won there, best time 2:13½. A week after Halifax exhibition he sold him to Colonel MacKinnon who thinks he has purchased a high class pacer. Great credit must be given to the breeder, Mr. O'Brien, for the early development of this horse, and particularly to Mr. McNeill who solved a few of his eccentricities and made him into a good race horse.

Class A Trot. This had Captain Jackson, owned by Mr. C. H. Chandler and Peter Wilton, Jr., owned by Colonel MacKinnon, as starters. In the first heat they got away on the second score with Jackson at the pole. Peter grabbed it before the quarter was reached and maintained the lead throughout the mile. Coming down the home stretch at the final, Jackson put on a great burst of speed and it looked as though he would get Peter Wilton, but the latter finished a neck to the good.

In the second heat Peter with the pole staved off Jackson and kept a comfortable lead all through, although Jackson finished very fast he could not get nearer than his sulky wheel.

A special race was a mixed class with a trotter and a pacer. Briar Mac driven by Doug MacLeod being the trotter, and Major S. owned by Harold Stead and driven by Wellington McNeill the pacer. This was a good race. In the first heat Major S. held the lead until entering the home stretch then Briar Mac with a pretty burst of speed gradually drew up on him and won by half a length. In the second heat Briar Mac had the pole going away but Major S. captured it before they got to the quarter and held it until entering the home stretch, when Briar Mac with another of his brushes outfooted the Major to the wire.

Class B. Trot and Pace. This had four starters and resolved itself into a good race between Baby Sett and Dapper Don, the two pacers not having sufficient speed to keep up with the trotters.

First Heat. Dapper Don had the pole and went away fast. At the half he was leading by three lengths with Baby Sett trotting to him. Drawing into the home stretch at the final Baby Sett and Dapper Don were on even terms, but in the last hundred yards Baby Sett outfooted Dapper, winning by almost a length. Laocopia Belle third and Mack Dillon fourth.

Second heat. Dapper Don went away fast and took the pole from Baby Sett. He maintained the lead to the three-quarter pole when Baby Sett came up on even terms and a dandy race resulted from there home. In the last hundred yards Baby Sett drew away and won again by a length. Dapper Don was in good shape and trotted a nice race for driver Hennessy, but Baby Sett is a real little trotter, never makes a mistake and shows that she will be classy next year. She is owned and was driven by Mr. P. J. Conroy.

After the classes had finished Briar Mac and Peter Wilton, Jr., had a little race by themselves, Peter winning in 2:15. There is considerable argument over this race and it is likely that another contest between these two trotters will be arranged.

Altogether the afternoon was a most enjoyable one and the thanks of the horsemen are due to the Charlottetown Driving Park for the use of the grounds and to the officials named below for their splendid services and to the spectators for their kind attendance.

Summary:

Class A. Pace.

Billy Cope, (MacKinnon) .. 1
Bingen Aubrey, (McTague) .. 2
Time: 2:21½; 2:10½.

S. D. U. Annual Athletic Meet

Sanit Dunstan's annual field day was held Tuesday. All the events were keenly contested and splendid time was made in several of the races.

100 yds. (sr.)—E. Donahue 10 3-5.
100 yds. (jr.)—E. O'Connor—11 3-5.
High Jump (Sr.)—L. Duffy—5 ft.
High Jump (Jr.)—E. O'Connor 4 ft. 7.
Broad Jump (Sr.)—J. McLellan 18 ft. 3 in.
Broad Jump (Jr.)—G. MacKinnon—15 ft. 5 in.
Hop, step and jump (Sr.)—F. Cass—34 ft.
Hop, step and jump (Jr.)—G. MacKinnon 33 ft. 6 in.
440 yds. (Sr.)—E. Donahue 59 sec.
440 yds. (Jr.)—E. O'Connor 1 min. 6 seconds.
220 yds. (Sr.)—E. Donahue 24 sec.
220 yds. (Jr.)—E. O'Connor 26 sec.
Mile—F. Cass—5 min. 10 sec.
Cups donated by C. W. Patterson for best senior all round athlete, won by E. Donahue.
Gold medal donated by Sam Doyle, for best junior all round athlete, won by E. O'Connor.
E. Donahue is the son of the late Dr. Bob Donahue, a famous athlete, and a former student of the University.

The Chilean government will give financial support to the effort to establish an iron and steel industry there.

In New Zealand American electrically operated radio receivers are replacing other types from competing countries.

WALTER DEAR WINS BIG FUTURITY

LEXINGTON, Ky., Oct. 2.—Walter Dear, driven by Walter Cox, won the 37th renewal of the \$14,000 Kentucky futurity in the Grand Circuit meeting here today.

Summaries:
