ARTHUR AND MRS BURROWS left yesterday on return to Kansas city Missouri, after visiting friends in Summerside.

GORDON CASSIDY of Bowness' photographic studio, Summerside, left yesterday for Amherst where he has secured a position.

The many friends of B. W. and Mrs. Lea, Tryon, will sympathize with them in the death of their little six year old boy, William Stanfield, who died Sunday morning.

DR. ALDEN LEARD and wife are visiting friends in Tryon. Dr. Leard is a son of the late Adam Leard who carried on a general merchandising business in Victoria, Craipaud, many years ago, afterwards removing to Iowa, where he resided until his death.

E. W. HOEGG of the Sussex Packing Co. returned home yesterday after a short prospecting visit to Summerside. The Sussex Packing Co. is one of the largest concerns of its kind in the Maritime Provinces and like other progressive institutions, is seeking new fields for the extension of its business. Naturally the unrivalled, and in this line, unimproved opportunities have attracted it, and it was for the purpose of forming a closer acquaintance that Mr. Hoegg visited Summerside. Mr. Hoegg says that he is most favorably impressed with the natural advantages here, both as the centre of a fine agricultural district and as a convenient city port. As a result of the impressions he has formed, his Company will in the near future, establish a canning factory in Summerside, provided the farmers undertake to grow sufficient quantities of the vegetables required, such as peas, corn, pumpkins, squashes, etc. It will certainly be to the interests of the farmers of this country to encourage this process in every way, and no doubt Summerside will extend tangible courtesy for the sake of having this much needed addition made to its too small list of industries.
