## Remembrance Day

as a national observance, is a beautiful and significant expression of a nation's thoughts and hopes.

May we all join in the strict observance of the two minutes of silence from 11 o'clock to two minutes past 11 tomorrow. In compliance with the request of Federal Authorities, all vehicular traffic will be suspended, and all noise subdued, so that we may dedicate our hearts and minds to the hope of Peace on Earth, Goodwill Toward men.

# REMEMBRANCE DAY

NOVEMBER 11th.

The Day is emblematic of a common interest in perpetuating the cause of peace. The observance furnishes a pause for contemplation upon the story of war and what it means. This contemplation penetrates the illogical belief that war will end war .... and reaffirms the pure logic that the steady progression of peace and peaceful methods is the best defense against future wars.

THANE A. CAMPBELL, Premier
