RECRUITING MEETING.—The recruiting meeting held at Glenfanning on Thursday, March the second, was largely attended and much interest was manifested in the proceedings by the large number present.

Major Leigh and Rev. Dr. Fullerton. Both these gentlemen spoke at considerable length the address of the latter being particularly noteworthy and many reasons were advanced why young men should enlist.

The musical part of the programme was performed by Mrs. Cook, Miss Ruth Hildey and Mr. Duncan Macdonald of Georgetown.

The latter of whom gave several selections on the bagpipes. Two young men signed the roll, Messrs. John W. Smith and Eddie Macdonald and it is expected that several others will join shortly.

At the conclusion of the meeting a vote of thanks to the speakers was moved by Mr. Patrick Fogarty and being carried unanimously, was conveyed to those gentlemen by the chairman for which they expressed their thanks and also commented incidentally on the excellent order maintained throughout the meeting.

Much credit is due the energetic committee consisting of Messrs. John J. Reville, James P. Rice and Dominick Bowlen, who on exceedingly short notice made the school house ready for the meeting and conveyed the speakers from Cardigan Bridge on the arrival of the train, and to Mr. Mark McGilvray who kindly lent his organ for the occasion.

The meeting was closed at a late hour by the singing of the National Anthem.—&

SNOW-BOUND.—On Saturday last several young children belonging to Mr. Hugh Yoston of Georgetown crossed the ice from Georgetown to Lower Montague on business.

Some time after their departure the snow-storm began and many fears were entertained for their safety as it was feared that they would be caught in the blizzard on their return.

Mrs. Yoston, unable to bear the suspense crossed the ice between 2 and 3 o'clock during the worst part of the storm and having reached the Lower Montague side in safety was overjoyed to find her children snugly ensconced at Mr. George Poole's, where they had taken refuge from the storm.

They all remained at Mr. Poole's till Sunday forenoon when they returned to the home in Georgetown.—&

GOOD FOR CHILDREN

Mothers! Physicians agree that flavor and the body building elements of grains lie in the dark parts usually thrown away. So also do the lime salts which your child needs to harden bones and teeth. Children fed upon coarse dark cereals develop greater resistance. Witness the Bulgars and Serbs. Roman soldiers who conquered the world fed upon two brands of entire grain food a day. Dr. Jackson's Roman Meal is a scientifically balanced ration made from several entire grains. It's delicious, easily prepared in a variety of ways and nourishes better than meat. It's a natural laxative. Most grocers sell it. Made by Roman Meal Co., Toronto, Canada.
