Our New "Modern" A. A. Waterman Fountain Pens

we believe are equal in mechanical construction, to the best pen made.

In addition to this, they have the following undeniable advantages.

- 1 They are self-filling, filled in a twinkling.
- 2 As there is no joint they cannot leak and soil the fingers as many good pens do.
- 3 The act of filling also cleans the delicate ink channels and prevents clogging.

We have the best \$1.00 pen on the market.
