Little Peter Wins Cumberland Race

GORGAM, Me., Sept. 9.—The racing at the Cumberland County Fair today was excellent with a big attendance. In the fast class, Dick Foster showed speed but acted badly. He showed great speed in the second heat, almost distancing the field in 2:14.2, but failed to show after that, the race going to Gleaming Silk from Mason's Rumford stable.

Little Peter, a worthy son of Peter the Great, had it easy in the 2:19 pace, Cliff Card's Rube Jones taking second. Todd Maxey took the 2:20 trot in straight heats. Cliff Card's Burton getting second.

The summary:—

Exciting Races On Woodstock Track

WOODSTOCK, Sept. 9.—This afternoon's racing program at the Woodstock Exhibition was exceptionally good although the attendance at the track was comparatively small. The 2:40 trot, the first race called, Ella Watts experienced little difficulty in taking first money in straight heats. The feature of this race was Nevada's mastery drive in the third heat to bring Mildred Forbes, which had a third and second in her credit in the preceding heats out of second money. The 2:17 trot and pace went four heats. Anxiety finally annexing the major portion of the \$400 purse. In this race, Emotionless upset the talent by being distanced in the third heat after taking the second in 2:14 1-4. The best racing of the afternoon was provided in the out stake race. Both heats, taken by Peter the Tramp, thrilled the fans by the close finishes provided and the unusually good time made.

Preparations Are Rapidly Near Completion For Big Fair

The extensive repairs, alterations and preparations for the Big Fair, Exhibition week are being rapidly rushed to completion and the grounds have taken on the appearance of something bigger than usual.

Men are busy everywhere, building grounds and track are being put in the best of condition, provisions have been made for the handling of a larger live stock entry than anything heretofore in the history of Charlottetown Exhibitions.

The management are sparing neither time or expense for the accommodation of those having exhibits and to the general public who will be attending the Fair.

The Tourist Association, Boards of Trade, Merchants Association all worked in harmony to help boost the island as a summer resort, that they succeeded beyond their expectations, one only has to read of the increased traffic from all parts of the world to P. E. Island this season.

Now the farmers turn has come to do their little bit for the further boosting of the island as a Agricultural and Live Stock Province and it only remains to be seen how they will respond to the call.

Every year the exhibits have been bigger and better and it is confidently expected that this year will surpass all other exhibitions.

The Horse Races this year have every indication of being the best in years while there is no Single G's, or John R. Braden's on the list, every class is filled with horses that go to make a horse race that will be on the tongues of those present for months after.

The specialties are of a very high class order and are bound to furnish you with a thrill for every minute you are there.

So tell your friends to meet you at the Charlottetown Exhibition, Sept. 22nd to 25th.

Chasing the "Pig-Skin" to be Revived

An article appeared in these columns some time ago on the reviving of the good old game of Football.

Tonight there will be a meeting of those interested in forming a three cornered League as in Baseball in the Y. M. C. A. at 7.30.

Every year something usual was being proposed in order to get this game back to its popular standing among the different branches of sport, but other than a meeting or two it seemed hard to get further.

This year we understand it is going to get an extra big boost and all that is asked is for the ones interested to get behind it and give it a shove so that this season will see Football an established fact and going in the slope that will bring the old game back to the battles of former years.

So come along and help us to organize so that at an early date we will again the familiar sound of the Pig-skin when it comes in contact with a big broad toe. The first scrim is tonight at 7.30 at the Y.

'Peter Pan' Immortal Masterpiece at The Prince Edward

The Paramount screen version of J. M. Barrie's stage play "Peter Pan," a Herbert Brennon production is the feature deluxe at the Prince Edward. The picture is an adaptation by William Goldbeck and features Betty Bronson, chosen especially for the part of "Peter Pan" by J. M. Barrie Ernest Torrence, Cyril Chadwick, Virginia Brown Faire and Anna May Wong in the leading roles.

Five years ago it might have been said that such a picture couldn't be made. And it would have been true. For Paramount needed every last particle of its long experience and every trick down to present-day motion picture production to make "Peter Pan," a possibility. Just such a picture as "Peter Pan."

Most people know the story which is even more pleasing in its screen form—with Betty Bronson in the title role! They searched here and found Miss Bronson rich under their very noses in the Hollywood studios. To say that she is a "find" is putting it mildly. She is perfect!

Ernest Torrence, as the frightful pirate captain Hook, gives a characterization which overshadows his role of Jackson in "The Covered Wagon." And the same goes for every other member of the cast. It is said that six months were spent before a camera was turned on "Peter Pan" that it might be as near perfection as it was possible to make it. The musical setting by the orchestra adds greatly to the enjoyment of the picture, which will be repeated today afternoon and evening.

Halifax Oarsman Finishes in Third Place at Worcester

WORCESTER, Sept. 8.—Joseph Reardon, Maritime Province single scull champion, lost a tough race here this afternoon early in the race, being beaten somewhat by the cox, which passed under a five span bridge on the Northern route and again on Southern route to the home buoy. Reardon in his practice spins on the lake here since his arrival last week, had won quite a number of friends, by his excellent work and many predicted a win for him in today's feature event of the New England Amateur Rowing Association annual Labor Day regatta. He finished third in a field of four starters bowing to Jeremiah J. Shea, of the St. Alphonsus Boat Club of East Boston, who has won this event several times. John J. Crooks, of the Union Club of Boston, finished second. There was about two lengths of water between the first three at the finish.

THE MEN WITH THE PULL

One of the delightfully humorous stories told by Admiral Sir James Fergusson at the Exhibition directors' luncheon yesterday related to the South African War, where he served on land with the naval force that did such effective work before Lord Roberts' has begun to arrive. One of the huge naval guns became mired in a swollen sput, and all the strength of the small force in charge could not budge it. "Of course," said the Admiral, "we should have got it out eventually, as we have a way of taking our guns where we want them to go." However, said Sir James, "a company of Canadians came along, and I asked them to give us a pull. 'Sure, Mike,' they answered; and" said the speaker, with a reminiscent chuckle, "that gun came out like a cork from a bottle."

If King Were King

If King were king and wore a crown
And we were vassals all,
Would Canada move up or down?
Or, would it move at all?

If King were king he'd need a flag
Of quite a different hue;
The Union Jack won't do for him.
He must have something new.

He'd wean us slowly just at first
'Til we accustomed grew;
He'd add, perhaps, a maple leaf,
Perhaps he'd add a few.

Perhaps he'd straighten out the lines,
And add a few more bars,
And then, to make it scintillate
He'd sprinkle on some stars.

And when his flag was finished,
He'd unfurl the blessed thing,
And stick it up at Ottawa,
But just—if King were king.

QUITE A DIFFERENCE.

Lawyer—"What was he arrested for?" Mike—"They told me at the station that he took one too many." "Lawyer—"Too much or too many?" Mike—"What is the difference?" "Lawyer—"Intoxication or bigamy."
