As the western train was nearing Summerside Monday evening the driver noticed a man on the middle of the track, who apparently imagined he had the right of way, as he threateningly and authoritatively motioned the train off. The engine was pulled up while the man was side tracked by a brakeman and the train was allowed to pass on. He was under the influence of liquor and came very near being under the train.

# SORE HANDS

## CURED BY CUTICURA

My sore hands commenced with a burning on my fingers. When I rubbed them you could see little white pimples, and I felt like twisting them out of their sockets. I had high fever and cold chills, night I had to walk the floor until I fell asleep. My hands peeled like an onion, the finger nails got loose, the water ran out, and there the burning fire was. My hands puffed up worse than a toad, the water ran through the bandage on to the floor. I went to a doctor for a year. I got CUTICURA SOAP and CUTICURA SOAP, gentle soaps with CUTICURA, and mild doses of CUTICURA RESOLVENT.

## HEART DISEASE

### SOME FACTS REGARDING THE RAPID INCREASE OF HEART TROUBLES.

#### Do Not be Alarmed, But Look For the Cause.

Heart troubles, at least among Americans, are certainly increasing and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, of poor digestion.

Real, organic heart disease is incurable, but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by branches of the same great nerves, the Sympathetic and Pneumogastric.

In another way, also the heart is affected by that form of poor digestion, which causes gas and fermentation from half digested food; there is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action; hence arises palpitation and short breath.

Poor digestion also poisons the blood, makes it thin and watery, which irritates and weakens the heart.

The most sensible treatment for heart trouble is to improve the digestion and to insure the prompt assimilation of food.

This can best be done by the regular use after meals, of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores and which contain valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular, persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Full sized package of the tablets sold by druggists at 50 cents.

#### THE STATE'S ELECTIONS.

NEW YORK, Nov. 8.—There is tremendous excitement over to-day's state elections in this State. The betting is 10 to 8 in favor of the Democrats.

The Medical Profession Recommend Dr. A. W. Chase's Ointment.

Dr. C. M. Harlan, writing in the American Journal of Health, February 10th, says:—"Among the proprietary medicines deserving recognition is Dr. Chase's Ointment. As a remedy for Piles, Eczematous skin eruptions of all kinds, for which it has been used with marked success and has effected remarkable in many obstinate cases which seem to baffle the skillful medical attendant."

#### TURKEYS FOR ENGLAND.

OTTAWA, Nov. 7.—The agent of the department of agriculture in England says there is a good market there for Canadian turkeys this month and in February. He does not advise December shipments, as the market will be glutted.

#### Baby Eczema and Scald Head.

Infants and young children are peculiarly subject to this terrible disorder, and if not promptly arrested it will eventually become chronic. Dr. Chase made a special study of Eczema and diseases of the skin, and we can confidently recommend Dr. Chase's Ointment to cure all forms of Eczema. The first application soothes the irritation and puts the little sufferer to rest.

## THREE YEARS IN BED

From Kidney Disease—Although a Man of Three-Score and Ten, Dr. Chase's Kidney-Liver Pills Gave Him Back Perfect Health.

This is to certify that I was in bed the most of the time for three years with kidney disease. I had several boxes of pills—different kinds—and a great many other kinds of patent medicines; besides that I was under treatment by four different doctors during the time and not able to work. I began to take Dr. Chase's Kidney-Liver Pills, and since that time I have been working every day almost a man nearly 70 years of age. Dr. Chase's Kidney-Liver Pills have cured me.

JAMES SIMPSON, Newscomb Mills, Ont.

If the Kidneys are not in a perfectly clean and healthy condition, the blood becomes impregnated with impurities and a decay of the Kidneys takes place. Bright's Disease, Catarrh, Gravel, Stone in the Bladder, Inflammation of the Bladder, and a long list of Kidney diseases become seated, and sooner or later in some instances end fatally. Dr. Chase's Kidney-Liver Pills cure all these troubles. Sold by all dealers at 25 cents per box.
