DISCLOSURES RE GERMAN SINN FEIN COMPLICITY

Documents Published Between German Embassy and Washington Foreign Office Show Existence of Complicity Since 1916.

(Special to The Guardian.)
LONDON, Jan. 10.—Documents between the German Embassy and Washington Foreign Office in Berlin in which the names of a number of Irish-Americans mentioned show active connection between the Government during war, was issued by the Government yesterday in the form of a "white paper." After the arrival of Sir Roger Casement in Berlin in 1914 he sent messages through the foreign office in Berlin and the German Embassy in Washington, according to these documents to Judge Cohan, John Devoy and others regarding his mission to Germany. This is charged finally to have led Count Von Bernstorff, then Ambassador to the United States to send to the foreign office in February 1916 a dispatch surreptitiously attached to a message concerning the Lusitania saying that Mr. Devoy had informed him of a rising to begin in Ireland on Easter Sunday, asking that arms be sent to Limerick on Good Friday or Easter Saturday. This was followed by correspondence arranging the details and assistance the Germans were to give.

MR. A. W. HYNDMAN FITTINGLY REMEMBERED

Recipient of Valuable Gifts from Customers of Royal Bank and His Fellow Rotarians. Eulogistic Addresses Delivered.

Mr. A. W. Hyndman, who has been the popular manager of the Royal Bank of Canada this city, for the past eleven years leaves this morning for Halifax to enter on his duties as Assistant Supervisor for the Maritime Provinces. Yesterday afternoon in the Bank he was waited upon by a large delegation of citizens representing the customers of the Royal Bank. After some introductory remarks by Mr. W. Tidmarsh was presented with a valuable gold watch and a club bag, accompanied by the following address which was read by His Worship Mayor Riley, Mr. N. Rattenbury making the formal presentation.

Charlottetown, P. E. I.,
January 10th, 1921.
To Alexander W. Hyndman,
Manager of the Royal Bank of
Canada,
Charlottetown.

Dear Sir:—
Your call to a wider field of activity and responsibility in your profession must be gratifying. We wish to thank you for your numerous friends. Please accept our congratulations on your promotion.

As Manager of the Royal Bank of Canada in Charlottetown, you have won the esteem and respect of our people—esteem for yourself as a citizen, respect for your ability as a Banker.

Being a native of Charlottetown and thoroughly conversant with local conditions, you have had a special advantage in doing business in this Province, and the progress made by the Charlottetown Branch of the Royal Bank of Charlottetown, testifies to your success as Manager.

Your customers fully appreciate the watchfulness you have displayed in our personal interests. We are pleased to know that your abilities have been recognized by the financial institution with which you have been so long identified, and we have no doubt that the same qualities of mind and heart which have won success for you here, will continue to make for your further advancement elsewhere.

In social as well as business circles you have won the regard of our people and Mrs. Hyndman and yourself will be greatly missed in our City.

As a token of our esteem we would ask you to kindly accept these gifts with best wishes for continued happiness and prosperity in your new home which you are entering at the beginning of the new year.

The address was signed by the Mayor and a very large number of citizens.

Mr. Hyndman said he could not find words sufficient to adequately express his appreciation of the kindly action of the Bank's customers. He stated that when he left here in 1912 it was with a heavy heart, but he was glad to be able to resume duty in the Royal Bank in his native city. The opportunity was taken to say that he was in Charlottetown for the past eleven years spent in the happiest of his life. He felt in a pleasure and a privilege to be named here and he intended as in the past to keep fully posted with affairs here. He stated that he had an able successor in Mr. Palfrey and he hoped he would receive the same support. Mr. Palfrey being the next thing to an Islander—a Nova Scotian he was in a position to understand local conditions. Mr. Hyndman concluded by again thanking the present and wishing them a happy and prosperous New Year.

Mr. Tidmarsh in his remarks said he was pleased that the Bank had recognized Mr. Hyndman's valuable services and promoted him, although he regretted his leaving here. He had known him from the beginning of his career and could say there was never a more honorable bank manager. He believed Mr. Hyndman had done much to further the interests of this province.

Mr. Rattenbury spoke to the same effect adding that he believed that Mr. Hyndman in his new capacity would still be in a position to give assistance here.

Mr. Hyndman was also honored by his fellow Rotarians in the gift of a handsome gold watch chain, the presentation being made by Rotarian Archd. Irwin who spoke as follows:

Dear Sir:—
We are here today to deplore the loss of a man whose departure we consider with sincere regret.

As you are aware a Rotary rule compels us to exercise a becoming modesty in the matter of gifts, no matter how imminent an opinion we may have of the recipient of the gift and we ask you to consider our little present more as a sign of the high regard we feel for you and as a token of the kind remembrance in which you will ever be held by your friends, the Rotarians of Charlottetown.

Though the sentence "Go to Hall" has a somewhat sinister reputation we are glad to know that in your case you can obey it with our misgiving. We offer you our hearty congratulations and best wishes for continued prosperity.

Mr. Hyndman made a fitting reply to this address referring to the great benefit and enjoyment he had got out of Rotary. He warmly thanked the members wishing them every success.

Addresses followed from Mr. G. S. Inman, Mr. James Paton, Mr. C. H. B. Longworth, Mr. K. E. Match, Hon. C. G. Duffy, Mr. A. F. Webster, Mr. P. A. Smith, C. C., and Mr. Palfrey the new acting manager.

Mr. Palfrey was given a hearty welcome to Charlottetown and his present took occasion to shake hands with Mr. Hyndman and extend to him and Mr. Hyndman best wishes for the future.

Learns Identity By Confession On Death-Bed

CHARLESTON, S. C., Jan. 10.—Through a death-bed disclosure by the woman who received him, Robert Hayes, of Nesquehoning (Pa.) a world-war veteran, has learned that he was kidnapped from Wrightsville Beach (N. C.) twenty-five years ago, and that his real name is Harry Teboe, and his home in this city.

Teboe served with the second division in France and was severely wounded. When he recovered and returned to this country he found that the woman who raised him was dying. She sought to tell him about his kidnapping but had not the strength. All she could say was "read the Bible." Teboe examined the family Bible and there found a record disclosing that he had been kidnapped at the age of seven while visiting his sister, Mrs. J. R. Turpey, at Wrightsville Beach, and taken to Pennsylvania, where he was reared under the name of Robert Hayes.

The record in the Bible lacked Teboe's real name and that of his family and their residence, but at about that time his sister advertised the circumstances of the kidnapping in a magazine which Teboe read.
