### Reporters and Correspondents Everywhere.

"Changes" of ads. must be in not later than 1 p.m. each day to insure insertion following morning and not later than noon Saturday for the "Weeklv."

The market was very largely attended yesterday. There was a large amount of pork in the city but the buying was dull. The prices have fallen to 8c and 4c for dead and 3c to 4c for live. The firms buying most largely were R. E. Mutch & Co. and J. H. Myrick & Co.

JERRY FROM KERRY at the Opera House last night put on an entire change of program which was thoroughly up to the standard of good comedy. Mr. Pasten as Jerry and Mr. Perry as Obadiah are certainly great laugh producers. The entire company are all clever in their respective parts. The band and orchestra are the talk of the city being much above the average. To-night will be their last appearance here this season. All lovers of good clean comedy and music should attend this evening.

It means something for a man or woman to sever home ties, and associations, and enlist for service in the Foreign Missionary field. These sacrifices for the good of others, all right thinking people admire and appreciate. All men, are welcome to come and hear the Rev. Geo. B. Forbes of Nova Scotia in Y. M. C. A. Hall tomorrow, Sunday afternoon at 8.45 p.m. Korea where Mr. Forbes is going, is at present the seat of considerable disturbance, between Japan and Russia. Frank Stanley will sing a solo, and what the Rev. Mr. Forbes will have to say will be of great interest to the men of our city. This address will be the first of the winter course of Sunday addresses to men.

### SOCIAL EVENING AT VICTORIA

On Friday, Nov. 20th, shortly after the shades of night had fallen the tranquillity of our quiet and peaceful village was slightly ruffled when the repeated rumbling of carriages on our naturally macadamized streets, the evident hilarity of apris and the brilliant appearance presented by the Hotel Orient, announced the fact that an event of more than ordinary importance was about to take place—a Ball at the Hotel Orient. From Cape Traverse, Augustus Cove, Crapaud, Hampton and other districts, arrived creditable contingents of "fair women and brave men" as courteous, sociable and agreeable as ever assembled in a ballroom. A cordial invitation having been extended to the guests, old acquaintance having been renewed and new ones made, M. Mrs. Harry Clark and Brenton McIntosh escorted Gilbert Gallant to a seat in the ball room and as from the violin under his skilful manipulation the music arose with its voluptuous swell soft eyes looked love to eyes that spoke again and all went merry as a marriage bell." It was also quite apparent that the unanimous verdict was—without a recommendation of mercy "No sleep till morn when youth and pleasure meet to offend the glowing hour with flying feet." A twelve o'clock supper was announced and the guests were introduced to the dining room where they encountered a table literally groaning with good things and it was surprising to note that appetite at no time very delicate and recently whittled by the exhilarating and mirthful mance of the dance brought speedy though almost imperceptible relief to the encumbered and suffering table. Supper having been finished the ball room was again sought out and many youthful aspirants were initiated into the mysteries of the light fantastic by those skilled in the "gestic lore."

"But alas this ball like other balls was destined to come to an end, this shy glance and sweetly eloquent look, this youthful exuberance of spirit was rudely interrupted when Mr. Wadman's officious barnyard fowl made proclamation that fresh morning was beginning to streak the east and that the time for dancing had transpired.

The proclamation was respected and the guests departed all concurring in the opinion that the ball was in every respect a brilliant success, and that if such social gatherings were more encouraged and of more frequent occurrence a more friendly, sociable and sympathetic feeling would be developed in the breasts of this rising generation which must tend to the elevation of character the inspiration of pure and lofty sentiments and to the perfection of man and womanhood—a glorious consummation devoutly to be wished. The step dancing of Messrs Gilbert Gallant, R. Dixon, J. Myers and T. Stretch, and the evolutions of the cakewalk as executed by G. Burgess and M. Mrs. Winnie Wadman, W. H. Brown and Miss Annie Luman were much appreciated features.

The presence of all the members of Mayflower Division is requested at their regular meeting next Tuesday evening, as the entertainment committee have important matters to bring before the Division in connection with the proposed public meeting of the 15th of Dec. By order of committee.

A LETTER received yesterday by Messrs. Joseph Salters' Sons announced the wreck of the Newfoundland schooner Marguerite Marie, Capt. Buffett, at New London, P. E. Island, on Tuesday the 17th inst. The vessel left here a few days previously with a cargo of coal and was enroute for her destination when she came to grief. The place where the vessel struck is one of the worst on the P. E. Island coast, the water being shoal and the place very much exposed. Capt. Buffett and crew had narrow escapes and lost all their effects. The vessel which was an old one, was owned by Capt. Buffett and was fifty-five tons register. Neither the schooner nor cargo were insured.—Sydney Record.

## A WOMAN'S FACE.

Plainly Indicates the Condition of her Health.

How to obtain Bright Eyes, Rosy Cheeks and the Elastic Step of Perfect Health.

"A woman's face," said a well known physician, "is a mirror which reflects unerringly the condition of her health. One can tell at a glance if she is well or not and usually one can tell what the trouble is. It so often happens that instead of bright eyes, rosy cheeks and an elastic step, there are dull eyes, pale, sallow or a greenish complexion and a languidness of step that bespeaks disease, and perhaps an early death if the right treatment is not resorted to. The whole trouble lies with the blood, and until it is enriched and invigorated there will be no release from suffering and disease. Unquestionably the greatest of all blood-renewers is Dr. Williams' Pink Pills. Good blood means health, vigor, life and beauty and the one sure way to make your blood rich and invigorated is to take Dr. Williams' Pink Pills. Good is to take Dr. Williams' Pink Pills. Out of many cases which illustrate the truth of this may be cited that of Miss Amanda Dampousse, Ste. Anne de la Perade, Que., who says:

"For more than six months I suffered greatly from weakness, having almost no nervous prostration. I suffered from headaches, palpitation of the heart, and pains in all my limbs. I had no energy, no appetite, no color, and my nights were frequently sleepless. At different times I consulted three doctors, but none of them seemed able to cure me. A friend strongly urged me to take Dr. Williams' Pink Pills and I finally followed her advice. With the use of the first box my health began to improve, and five boxes completely restored me. I now have good appetite, headaches and pains have disappeared, and I never felt better in my life than I do now. If I am ever sick again you may be sure that Dr. Williams' Pink Pills will be my only doctor. I am a sufferer from rheumatism, neuralgia, rheumatism, or any of the other best of troubles caused by bad blood, Dr. Williams' Pink Pills will surely cure you. Be careful to get the genuine, with the full name, 'Dr. Williams' Pink Pills for Pale People,' printed on the wrapper around the box. Sold by all medicine dealers or sent post paid at 50 cents a box or six boxes for \$2.50, by writing to the Dr. Williams' Medicine Co., Brookville, Ont.
