

Zion Church Annual Meeting Last Night

The regular annual meeting of Zion Presbyterian Church congregation was held last evening in the school hall.

On motion, Rev. G. Carlyle Webster was appointed chairman, Reginald MacNutt, secretary with Miss Suzanne MacKinnon and W. Blair MacDonald as press committee for the meeting.

Minutes of the last annual meeting, as well as special congregational meetings, were read and approved.

A very encouraging social report was read by Mr. Donald MacKinnon, clerk of the Session. A lengthy and most heartily approved Trustee report was read by Mr. E. A. Cudmore, chairman of Trustees.

The financial report of the congregation was submitted by the Treasurer, Mr. George W. MacLeod who also reported on the following: Repair and Maintenance Fund; Cemetery Trust Fund; Mosaic Property Account; and the Missionary Association.

A summary of the following reports was given by Mr. A. A. MacDonald: Women's Auxiliary, Memorial Window Committee, Women's Missionary Society, Mission Board, Choir, Benevolent Fund, Session Fund, Civil Guides, Young People's Society of Christian Endeavour, Men's Association, Sunday School, Cubs and Brownies.

Following the auditor's report, which was given by Mr. Gordon Ross, the estimates for the present year were placed before the meeting and approved as stated.

The trustees board elected for the present year consists of: E. A. Cudmore, A. A. MacDonald, A. H. Roper, Joseph Rodd, J. C. Cooke, B. Eadie MacDonald, J. M. MacFadyen, Geo. Douglas, N. J. MacLeod, Gordon Leitch, Norman MacPherson.

After a short discussion the meeting was closed by Benediction. During the meeting an enjoyable lunch was served by members of the Women's Auxiliary of the congregation.

In Memoriam

In memory of the late Hillus Rodd who passed away Jan. 16-42.

They say time heals all sorrows and helps us to forget. But time so far has only proved how much we miss you yet. God gave us strength to fight it. And courage to bear the blow. But what it meant to lose you. No spirit will ever be forgotten. You are lovingly remembered by his wife Violet, daughter Inez and sons, Bud and Wendal.

In Memoriam

In fond and loving memory of our dear mother who departed this life January 16th, 1947.

Sweetest memory always lingers To a grave not far away Where we laid our darling Mother Just one year ago today.

Your place in the home it is empty Your smile we can see it no more Still in memory we hold you dear Mother

And think of the good times of before.

Sadly Missed by Daughter and Sons, Mrs. Angie Monieth, Mrs. Andrew LeClair, Mr. Ben Martin and Bruno Martin.

Knights Of Columbus Monthly Meeting

The regular monthly meeting of Charlottetown Council, Knights of Columbus, was held in their home at 8.15 p.m. Tuesday evening, January 13th, with a large attendance of members present.

In the absence of Grand Knight Dr. J.A. McMillan, who is at present away from the Province, Deputy Grand Knight Leo F. McDonald presided.

The meeting opened with prayer, offered by the acting Grand Knight, after which the minutes of last regular meeting were read and approved.

Mr. Walter Morrissey, as chairman of raffles, gave his report. He told the meeting that up to December 31, 1947, the amount made was about the same as last year.

For bowling, Preston Curley, gave a short report stating that the game was progressing favourably. The report on the Christmas Port, which was held in Holy Family Hall on Dec. 17th, was given by the lecturer, Dr. J. McMillan.

Mr. Leo F. Doyle reported for the house committee. The sick committee chairman gave his report. He reported particularly of selling Bro. Henry Fitzgerald at home in company with the members of the committee.

Stresses Insect Damage To Farmers' Crops

The destruction caused by insects to farm crops of various kinds was emphasized in the report of F.M. Cannon, of the Entomological Laboratory at the Experimental Farm in his report to the conference of agricultural technical men here this week.

It had been common practice prior to 1928 when Mr. Tinney took over supervision of the Farm (flock) to select for the breeding pen, birds with high individual records for egg production. But studies showed that high individual producers did not always transmit that quality to their progeny. It was found, however, that if a hen and her siter all were high producers, that the progeny were more likely to be satisfactory from a production standpoint.

With this evidence before him, Mr. Tinney outlined to Ottawa a plan for selecting breeders by pullet sifter groups, not known as family groups. So far as he was able to determine this was the first time that such a scheme had been proposed either in Canada or the United States. But it now forms the basis of R.O.P. poultry in both countries, and the basis as well of all serious breeding work in both countries.

Mr. Tinney believes that more definite and objective studies should be made in diseases of poultry. This would call for a poultry pathology with necessary laboratory facilities. No other single feature would be so important in the mechanics of egg production as does high-pullet mortality. "If we could rid the province of the major poultry diseases such as fowl cholera, etc., I am fairly convinced we would enjoy an immediate advantage in the day-old chick and hatching-egg business of Eastern Canada and Eastern United States."

The advantages, if any, of deeper houses and double-deckers, a study of the role of minor elements in the feeding of poultry, and studies to determine the relative value of pure bred Rocks, Hampshires and Light Sussex were other desirable developments. The study of various crosses involving those breeds was also mentioned.

Mr. Tinney's declining egg quotations, the summer months is one that has been troublesome for years, he stated. It results in lower grades and consequently lower prices. It is a problem that merits attention in the immediate future, he emphasized.

Coal Production Shows Increase
OTTAWA, Jan. 15 (CP)—Canada produced 1,733,476 tons of coal last October compared with 1,627,186 in October, 1946, but this six per cent. increase was offset during the rest of the year, the Dominion Bureau of Statistics reported today.

Total output for the 10 months ended Oct. 31 was 12,331,993 tons compared with 14,688,149 in the similar period of 1946.

Coke production in October, was 380,000 tons, compared with 285,000 in the preceding month and 371,000 in October, 1946, bringing the total for the first 10 months of 1947 to 2,880,000 tons, against 2,973,000 in the like period of 1946.

Exports of coal in the month amounted to 89,467 tons, compared with 85,423 tons in the 10 months, 567,745 tons, compared with 684,616 tons.

Confer On Canadian Rail Strike Threat
MONTREAL, Jan. 14 (AP)—A 45-minute meeting between Union and railway representatives with a Federal labor conciliator ended today without settlement of Union demands for wage increases which would cost Canada's big railroads an estimated \$150,000,000.

Conciliator H. R. Pettigrove said he met both sides in the dispute in which the Union is seeking wage increases of 35 cents an hour for 200,000 Brotherhood members but he had failed to "reconcile the differences between the parties."

The conciliator said he would make his report to Labor Minister Mitchell immediately but declined to say whether he would recommend establishment of a conciliation board to hear the dispute.

There was no comment from either the Union or the companies.
