

HOCKEY YALLAN AND MEMORIAL CUP PLAYDOWNS

A very fast and interesting game of hockey was played in Kensington rink on Wednesday evening, March 23, between the Spring Valley Rangers and Sea View Hawks. Score ending 7-1 in favor of the Hawks.

FIRST PERIOD
The first period opened very fast with both teams trying to score. At the three minute mark E. Murphy fast right winger of the Hawks grabbed the puck at his own blue line and came down very fast split the defence faked a shot went in close and scored. Play lived up to considerable Rangers trying hard to score. At the ten minute mark Sutherland drove a hard shot past Champion from blue line making score 2-0.

SECOND PERIOD
The Rangers came out very determined but the Williams-Burt combination staved them off. After about three minutes of play W. Simmonds carried the puck to the blue line shot followed in fast and scored on his own rebound. Shortly after Williams the husky defenceman of the Hawks took the puck from inside in own blue line raced the entire length of the ice and scored unassisted. During this period the Rangers played some brilliant hockey and Murphy was given a few anxious moments. Just before the end of the period Duggan of the Hawks back handed a shot in from a mix-up in front of Rangers net. Period ended 5-0.

THIRD PERIOD
The Rangers came out full of fight and at the three minute mark Fred Profit coasted in and passed out to Champion in front of the net, who batted it in past Murphy making the first and only score for Rangers. Shortly after R. Sutherland again scored for Sea View and near the end of period Williams made a beautiful solo fooled the goalie who never saw it. From then on the Rangers tried hard but were bottled up by the Hawks. Near the end a regrettable accident occurred when A. Burt husky defenceman of the Hawks accidentally received a bad gash over the eye and had to be carried off the ice. Game ending 7-1 in favor of the Hawks.

LINE-UP
Hawks Goal L. Harrington
Defence H. Williams
Forwards R. Sutherland, E. Murphy, L. Coulson, W. Simmonds, W. Duggan, J. Murphy
Rangers Goal R. Harrington
Defence B. Riley, H. Tuplin
Forwards R. Champlon, C. Champlon, F. Profit, I. Davison, W. Duggan, G. Bryenton
Referee—J. Burns.
Among the outstanding players of the Hawks is Leslie Coulson flashy centre man, although failing to score proved a thorn in the Rangers side. Williams made a good showing for his first appearance of the season with the Hawks.
Penalties:—
1st period: J. Murphy 2 min. for holding.
Score: 2-0.
Penalties:—
2nd period: H. Williams 2 min. for illegal check.
Score: 5-0.
Penalties:—
3rd period: No penalties.
Score: 7-1.

HOCKEY
A very closely contested game of hockey was played in Victoria rink, March 10, between the B.Y.P.U.

Kensington Rink Activities

The final game for the grand trophy donated by Kensington Rink Association to interscholastic hockey champions took place in Kensington rink on Tuesday night, March 23, between teams representing Summerside and Kensington High School's. The result was a victory for the Summerside High team by a score of 6-2. The first game between these teams took place in the Crystal Rink, Summerside, resulting in a 2-2 tie score. Immediately after the game, the cup was presented to the captain of the winning team, on mid ice by Dr. A. A. Lockhart President of Kensington Rink Association. The genial doctor dwelt at considerable length, in fine clear toned language, on the object of the cup donation. He said that the first thought was to give a fillip to proficiency at the National Canadian winter sports in this Province. He regretted very much that the other high schools, could not see their way clear to declare themselves in the high school league this year, but hoped that such a hockey would be a real live issue next year. He deplored the fact that so comparatively few of our hockey players attain the proficiency displayed in the game of our fellow Canadians in Upper Canada and the West—and also the fact that we have to import players from the other provinces to keep in the running at all. He hoped that the struggle for possession of the cup in the future years would do its bit to develop the highest point of excellence in Prince Edward Island hockey playing.—K

Physical Education Replaces Culture

MONTREAL, Que., Mar. 23.—(By The Canadian Press)—"Systems" of physical training in the old sense of the word found little favor with Dr. Lamb, head of the Physical Training Department at McGill University, in an address delivered by him to the Unitarian League recently. He claimed that such programmes of training were being perpetuated in Canada by the Department of Militia and Defence, under whose jurisdiction the Strathcona qualifications were administered. Now the trend was to emphasize the noun "education" and not the adjective "physical", and the physical educator was taking the place of the old physical culture expert or trainer, he said. "Last year over five thousand teachers in our normal schools were qualifying for the rank of specialists in physical training. The duration of the course, covering anatomy, physiology, hygiene, psychology, education, practice teaching and kindred subjects, involves a period of only forty-five hours' study," Dr. Lamb pointed out. "This travesty," he said, "will persist until the programme for the training of teachers is modified."

Tracing the history of the public attitude toward physical education during the past generation, Dr. Lamb said that up to 1900, "systems" and "methods" prevailed, in which formal calisthenics, drills and exercises were the order of the day. Some of these were taught today in certain schools and they were termed "poisonous" by the speaker. From 1900 to 1910 games and sports with high-powered competition became the vogue. The coach was enthroned in all his glory. From 1910 to 1920, probably as a revolt from previous decades, he said, our public play made "play for all" a motto. Then from 1920 to 1931 emphasis was placed upon the health education programme.

Hurried late arrival in railway carriage—Er—do you mind if I smoke, sir?
Irascible colonel in the other corner—No, sir! Burst into flames if you like!

Primo Wins

LONDON, Eng., Mar. 23.—(A.P.)—Primo Camera, giant Italian, knocked out George Cook, Australian heavyweight champion, in the fourth round of a scheduled 10-round bout tonight.

The spectacle was not pelating to the crowd. Some of the women spectators shouted "disgraceful" and "it's a shame" at the end of the fight, while many of the men raised a chorus of boos for the big Italian.

Cook was in bad shape after the knockout and it was some time before he recovered.

Glace Bay Faces Bankruptcy

HALIFAX, N. S., March 24.—The bill seeking authority to borrow \$110,000 to retire the town of Glace Bay's overdraft with the Bank of Montreal as on December 31, 1932, was ordered reported favorably to the Legislature by the private and local bills committee today. In order to save the town from bankruptcy it was necessary that the bill pass, Neil R. MacArthur, K. C., town solicitor, told the committee, and this view was concurred in by D. E. Cameron, M. L. A., who introduced the measure. "If conditions continue as they are now, we are in a dangerous position," said Mr. MacArthur. If the additional coal market developed, however, that condition would not be so bad. "We think we have reached the stage when we see some light," he added. Later in the day Mr. Cameron introduced another bill dealing with the overdraft, which would give the bank first call on this year's taxes.

WILL SHOW GRATITUDE TO FAITHFUL SERVANTS

Money at the rate of \$800,000 a year is being left to servants. More than \$120,000 has already been bequeathed this year to housekeepers, butlers, gamekeepers, grooms, maids, chauffeurs, and other servants. Housekeepers particularly are being generously remembered. A solicitor who has handled thousands of wills suggested that the greatly increased generosity towards servants was due to the high value placed on good ones. "Good servants used to be taken for granted," he said. "Now they are prized as treasures." Requests to servants in recent wills included: \$4,000 to a woman companion; \$1,000 each to two nurses; \$500 to a cook; \$275 each to two maidservants; and \$100 to a coachman.

Heavy Coffee

"No, I told you I don't care for any coffee. That was the cause of my father's death."
"Coffee killing any one, how come?"
"Five hundred pounds fell on his head."

To Avoid Grippe Check the Simple Cold

Dangerous Pneumonia May Follow Unless a Good Recovery is Made

With so much Grippe and Flu about no one can afford to neglect even a simple cold. For a real protection against "Flu" many experienced nurses advocate the following simple treatment. Put a saucepan containing one pint water on the stove; then add one-half teaspoonful of Catarrh-o-zone, and bring to a boil. Let the steam rise so you can inhale it. The healing fumes of Catarrh-o-zone will quickly disinfect your nose, throat and lungs. Flu germs are destroyed. You can prevent Grippe and Influenza by using Catarrh-o-zone. It is healing and efficient. To stop colds, sore throat, or Catarrh, nothing is more satisfactory than Catarrh-o-zone. Even to sit in a room with Catarrh-o-zone Vapor rising from a wonderful protection to children, and overcomes all sorts of winter coughs and colds. All druggists sell Catarrh-o-zone, 50c bottle.

CATARRH-O-ZONE
Stops Grippy Colds

When Is Pork Pig And When Not

MONTREAL, Que., Mar. 23.—(By The Canadian Press)—Pigs is pigs, but butcher's pork is not always farmer's pork—at least, not according to a decision made in the Recorder's Court here recently when Joseph Rheame, farmer of St. Remi de Napierville, was brought before Recorder Morrison on a charge of selling pork at Bonsecours Market which he had not bred, fed and raised to maturity. It was alleged he had bought the meat at an abattoir and was competing with butcher shops in selling it.

Years ago, it would seem, City Fathers gathered around the council room and passed a by-law defining what constitutes pork, this with a view towards controlling its sale of city markets. The by-law rules that no meat can be sold at city markets by farmers unless the original bull, cow, calf, lamb, pig or deer is "raised, fattened and butchered on their owners' farms." Particular mention is made of pork, it being held that country raised pigs only constitute pork, sale of which is permissible in the eyes of the law, from farm wagons at the markets. If the pig is a city bred pig which has met its death within an abattoir it may be sold over butchers' stalls only. At first Farmer Rheame asserted his innocence but later pleaded guilty and was fined \$10 and costs with the alternative of fifteen days in jail. "Let this be a warning to farmers," said Recorder Morrison in giving judgment.

VICTORIA AND VICINITY

Mr. and Mrs. Keith Boswell, Victoria made a business trip to Charlottetown on Friday.

Ms Diana Dougherty, Victoria, was the guest of Miss Gertrude Howatt recently.

Mr. Kenneth Boulter, Victoria, made a business trip to Summerside on Saturday.

Mr. Clifford Foy of British Columbia is spending the winter with her mother Mrs. Almira Foy.

The many friends of Mr. and Mrs. Frank MacDonald of Crapaud are very sorry to hear that their daughter Jean is seriously ill in the Prince County hospital.

Mr. and Mrs. Thomas Cameron, Hampton, were recent guests at the home of Mr. and Mrs. Ross Boulter.

Mrs. Avarid Bell has returned home after spending a very pleasant week with her daughter Mrs. Lloyd Sturdy of Tryon Branch road.

Congratulations are heartily extended to Mr. and Mrs. Maynard Foy, Tryon, on the arrival of a bonnie wee laddie.

Miss Amy Lea Charlottetown was the guest of Miss Minnie Wright recently.

The many friends of Miss Fanny Rogerson are glad to hear that she is improving slowly after a long illness.

Victoria's school is progressing nicely under the capable and efficient management of Mr. Charlie Howatt and Miss Bertha Thompson.

Ms Minnie Wright has returned home after spending a few days very pleasantly at the home of Miss Beth Boulter.
