## A CRIPPLE FROM RHEUMATISM

Tortured Four Years Until He Took "Fruit-a-lives"

RIDGEMOUNT, Ont., May 21st, 1913. "Your 'Fruit-a-lives' cured me of Rheumatism. It was the only medicine that made any impression on me. I was a terrible sufferer from Rheumatism. I was laid up for four winters with Sciatica and Muscular Rheumatism, and was a cripple completely, not being able to do anything. I doctored with four different physicians, but they did not help me. Other advertised remedies were equally unsatisfactory, and I have taken several. Some neighbor of mine told me that 'Fruit-a-lives' helped him, and I took them faithfully every day and the result was marvellous. For over two years now, I have been free from any Rheumatic pains whatever, and give 'Fruit-a-lives' the full credit for making a remarkable cure."

W. T. RACHER

If you are subject to Rheumatic Attacks, Sciatica, Lumbago or Neuralgia, take 'Fruit-a-lives' right now and start the permanent cure which 'Fruit-a-lives' will complete if taken faithfully. 50c a box, 6 for \$2.50, trial size, 25c. At dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

## THE CENTRAL GUARDIAN

IT PAYS to buy in this province.

CHURCH OF SCOTLAND.—Rev. E. McDougall will preach Sabbath, Mar. 8th, at Dundas at 10.30 and Bangor at 5 p. m.

VISITOR IN LONDON—Among the Canadian visitors to the General Commissioners office recently was Mrs. A. E. Ings of Charlottetown.

THE MARKET—Owing to the wet weather and bad roads there were very few in attendance at the market in Charlottetown yesterday, only the regular stall holders being present.

LADIES WITH THE NEW STYLE OF DRESS.—Our coiffure must also undergo changes to correspond as our head dress adds so much to our appearance. The fashionable high coiffure is very effective and can be obtained by calling on Mrs. White, "The Lenox."

M. GENEROSOFF'S FOX REPORT.—Mr. Vladimir Generosoff, the Russian Government representative that his official report on Prince Edward Island Silver Black Fox Industry is now in the hands of the printer, and that those interested may obtain copies by sending their names to the Hunting Division of the Department of Agriculture, St. Petersburg.

SELLING FAST.—The Rayner International Fur Company, Limited, gives you an opportunity to invest in Rayner foxes—foxes which have made fortunes and fame for their lucky owners, have an unsurpassed pelt value, and an unequalled breeding record. Invest now. \$1,000 each. Canada Fox Exchange and Investment Company, Limited, Charlottetown. 1148

PRACTICAL WORK.—Through the kindness of Mr. E. G. Saunders, the students of the Short Course were enabled to witness a practical demonstration in cutting up a side of beef into the proper pieces for marketing. The different cuts and how to use them to the best advantage were clearly explained and thus a lesson of great practical value in actual housekeeping was given. The class thoroughly enjoyed, and most certainly have profited greatly by Mr. Saunders' demonstration.

WEDDING BELLS.—A very quiet but pretty event took place in St. Stephen's Church, Fair Haven, Mass., on Feb. 23rd, 1914, when Miss Bertha McInnis, daughter of Mr. and Mrs. Daniel McInnis and Francis McCordie both of Charlottetown, were united in the holy bonds of matrimony by Rev. Father R. G. Noonan. Miss Lyde McInnis, sister of the bride, was bridesmaid, while Mr. P. J. Norton, New Bedford, was best man. The bride was very becomingly attired in a traveling suit of white broadcloth, and a white picture hat to match, while the bridesmaid wore a wondrous broadcloth and a black picture hat. After a delightful wedding breakfast at the home of Mr. and Mrs. Herbert Bryant, Fair Haven, the bridal party left on a short wedding trip to Boston, New York and Providence. On their return they will reside at 1128 Purchase St., New Bedford, Mass. Their many friends join in wishing Mr. and Mrs. McCordie a long and happy wedded life. (rat. please copy.)

SACKVILLE HOCKEY.—In the deciding game of the Intercollegiate series played here Friday night, Mount Allison defeated the Seabirds from the University of New Brunswick by the score of 4-2. The game was one of the fastest played here for some time and the large number of fans present were not treated to one dull moment. The Mt. Allison forward line was all that could be desired, and only the phenomenal goal keeping of Malmann of U. N. B. kept the score down. The first period ended 2-1. There was no score in the second period. In the third period Mt. A. notched three but one was not allowed. The final score standing 4-2. This was the first game Mt. A. played on home ice, and it was the first game U. N. B. played away from home. Another game is to be played between Acadia and Kings College to which little importance is attached, as these Colleges have been defeated by both Mt. Allison and U. N. B. The Garnet and Gold team are Intercollegiate Champions, and although playing several outside teams, have come through the season without a defeat.

Now is the time your horses and cattle need attention. The Island Condition Powder will do more than anything else to put new life in them. We know its good—people who have used it tell us so. Try it 25 cts. lb., 5 lbs. \$1.00. Prepared and sold by E. A. Foster Central Drug-store.

## Worth Trying Stewart's Cream Bread

Ask your grocer for it. Or it will be delivered at your home every day if you leave your order at our shop. No 163 Kent Street or  
Phone 211.

LADIES INSTITUTE tea and banquet in Marshfield Hall on evening of March 5. Admission free. Tea 15 cents.

RAYNER STOCK.—Look it over and see why you should invest in The Rayner International Fur Company, Limited. Prospectus sent on application. Canada Fox Exchange and Investment Company, Limited, Charlottetown. 1448

RELEASED.—Edwin Harrington, who was convicted of a second offence against the Prohibition Law and sentenced to four months' imprisonment with the option of paying a fine, has, after serving a portion of the time in the Queen's County Jail, now been released; the fine of \$200 and costs being paid.

PLANT GROWTH.—On Friday afternoon the Household Science Short were privileged to hear a lecture from Mr. W. J. Reid, of the Department of Agriculture which interested them greatly. The subject "Plant Growth and Animal Nutrition," dealt with the manner in which the elements of the soil become part of the plant structure, how these combinations are taken into the human body as food, the process of digestion through the alimentary canal, where the different agents which can be made use of in the body, are absorbed into the system and become bone, blood and muscle. In the waste of the body tissue these substances are again broken down into the simple elements in which state they are first taken into the plant. This lecture was the complement of a talk given to the same class on the proper combination of foodstuffs in the daily menu, to bring about the best bodily health. Such a discussion on proper feeding is one of the most important subjects with which house-keepers have to deal. The undivided attention of the students showed their appreciation of Mr. Reid's instructive lecture. 11,000 11,255

Miller's Worm Powders are par excellence the medicine for children who are found suffering from the ravages of worms. They immediately alter the stomachic conditions under which the worms subsist and drive them from the system, and, at the same time, they are tonic in their effect upon the digestive organs restoring them to healthful operation and ensuring immunity from further disorders from such a cause.

### NEW LINE TO BE OPENED

On March 23rd the Canadian Northern Railway will operate trains into Calgary. A first class station has just been completed at Calgary. Although only of temporary construction the interior is very handsomely finished in Hardwood and furnished throughout in first class style.

An immense Freight Shed of standard Canadian Northern construction has also been completed. Hot and cold rooms for the storing of perishable freight are features of these sheds.

### MAN'S DEATH IS A MYSTERY.

TORONTO, March 2.—Whether Charles E. Robillard, a foreman in the employ of Norcross Bros., who was killed in the new Drummond building, at the corner of Peel and St. Catherine Streets, yesterday afternoon, was killed by being crushed in an elevator or by his fall from

the fourth storey, will probably be determined at the inquest today. The unfortunate man's body fell amongst a number of men working in the basement, but when the Royal Victoria Hospital ambulance arrived life was pronounced already extinct, the physician being of opinion that it had been crushed out before the fall.
