DOWN THE BACK STRETCH

The Boston Horse Show will be held in Commonwealth Armory commencing on Tuesday evening...

and his record of 2.01 was made over a half-mile track.

We are indebted to Mr. Ed. Murphy of Montague, for interesting clippings concerning Billy Direct...

Savage possessed unusual business ability and would make contracts for exhibition miles in which Dan Patch would race against a runner from the same stable...

The trotting horse record has been reduced to 24 1/2 seconds in 93 years. Lady Suffolk was the first trotter to best 2:30 as in 1845 she trotted in 2:29 1/2.

Minor Heir 1.58 1-2 became the next great attraction after Dan Patch had started to wane, and as he was a beautiful horse he too became a popular favorite.

Dean Hanover, holder of the world's record for three-year-old and four-year-old trotters—1:58 1-2, failed in his effort at Alken, South Carolina last Saturday to trot a mile in 1:57 1/2.

For years the buildings were unoccupied and gradually started to disintegrate. Then the property was used partly as a dairy farm, and last but not least, in 1928 a Minneapolis syndicate built grand stands and started dog racing there.

Frank G. Trott writing in the Boston Globe says: "Putting the blame on the starter because of an error in placing horses in a finish is unfair. Unless he is a judge as well as a starter he has no voice in the placing dispute the fact that he calls the numbers.

The authorities quickly put the kibosh on that form of amusement as there was an awful howl at such desecration, and dog racing went to the wall. Now Dan Patch and other famous horses were stabled and trained and will be planted to crops and in a few years not the least vestige of its former greatness will remain.

John P. Scripps of the Scripps-Howard chain of newspapers, mighty mouldeers of public opinion in the United States, has quite a formidable race stable, twenty head of which he is consigning to the November auction at Indianapolis.

"The old race track is hushed and still. And fitful shadows play where crafty devils drove at will their steeds yesterday. Gone, alas, those steeds and drivers. But I know they'll reconvene Up there by the placid waters, In the pastures evergreen."

Dr. D. B. Rice of Britton, South Dakota, has as his hobby a stock farm headed by two high-class stallions and a band of well-bred broodmares. Every fall the Doctor offers for sale yearlings, the produce of the farms. Concluding his advertisement in the Horseman and Fair World, he says: "Often one may think that a hobby such as the harness horse may be too expensive. We examine here at our clinic an average of 17,000 patients yearly. During the last five years we have tried to keep a professional man without a hobby and compare his findings with the individuals who have a hobby. We are pleased to inform that hunched posture, physical findings, especially blood pressure, the man with the hobby is in better physical condition than the man minus a hobby."

Twenty years ago last week Thomas W. Murphy, then the leading reinsman of the United States, has completed the windings of his stable for the season of 1938 and they totalled the sum of \$100,000. That same year many of the race meetings in the United States had to be declared off because of the Spanish flu. Just about the same time the Allies were delivering knock-out blows to the German armies in France and Belgium.

Only three pacers have ever won ten races as two-year-olds. They are Blackstone 2.03 3-4, champion two-year-old pacer of 1938, and Air Elk 2.07 1-4 in 1927, and Calumet Flingo 2.04 in 1934, which were undefeated.

Just to peruse the list of horses that will be sold at Indianapolis Speed Sale November 1st to 4th makes one anxious to be there and along here are some of the tons that will be offered. J. E. Vonlan 1.59 3-4, Lew Hall 2.00, Worthy Grattan (3) 2.01, Linworthy 2.02-1.4, Peter Silk (4) 2.02 3-4, Ideal Grattan 2.03 1-4, Warren C. Grattan 2.03 1-2, Grattan Brooke 2.03 1-2, Nell Hanover (4) 2.03 3-4, Peter Brooke Jr. 2.04 1-4, Lulu C. Grattan 2.04 1-2, Widow Brewster 2.04 3-4, Catherine 2.05, Margaret 2.05, Thina Grattan 2.05, My Jane 2.06, Giv Cano 2.05 1-4, Colossal (2) 2.05 3-4, Heir at Grattan (2) 2.05 3-4.

Alas, the race track on which the famous pacer Dan Patch 1.56 1-4 made his history is now being demolished. Having been plowed up and the remaining buildings of what was once the show place of Minnesota are being removed. It is almost forty years since the plant was sounded to the hoof beats of race track immortals such as Dan Patch 1.56 1-4, Minor Heir 1.58 1-4, George Cano 2.02, Hedgewood Boy 2.01 1-4, Lady Maude C. 2.01 1-4, Arion 2.01 1-4 and many other famous names in the harness horse world. The place was so complete that it included a mile outdoor race track and a half-mile track completely enclosed so that it could be used in unfavorable weather on winter time.

The speed colony at Summerside has been reinforced by that good pacer Peter Onward 2.08 3-4, record taken at the Provincial Exhibition, Charlottetown, 1937. He is in the ownership of Don Bakke to whom we offer congratulations and the hope that he will head many summaries.

The late Mr. Savage made a fortune from the sale of international Stock Food and from the famous horses that he bred, owned and raced. He was born in 1859 and moved when a young man to Iowa, where he tried farming with very little success and took up residence in Minneapolis, Minnesota, where he set up the stock food company, advertised freely and placed it on sale in practically every part of Canada and the United States.

Elsewhere on this page will be found an ad for some real race horses from the stables of very successful driver Earle Avery, Woodstock, N. B. Almost all our horsemen know about Tracey Hanover, winner of the Free For All at the Provincial Exhibition, Charlottetown, 1937, and a consistent race horse everywhere, also the success Mr. Avery has had with Volo Grattan 2.09 and Volrida 2.06. Both have headed summaries in the toughest kind of competition throughout Maine. Miss Uhleen Volo 2.08 1-2 is one bang-up trotter and also one of the best bred mares should be bought for racing purposes then used as a brood mare with one of our best stallions here and the fortune owner might have a world's champion. Miss America is in foal to Rip Hanover, an almost two-

Lewis Retains Lighthavy Boxing Title

NEW HAVEN, Conn., Oct. 28.—(AP)—John Henry Lewis went full steam ahead in the final five rounds to pound New Haven's Al Gainer into submission and retain his world lightweight title tonight. The Phoenix, Ariz. Champion weighed 174, Gainer four pounds less.

Weak from making the weight and hard hit by Gainer's consistent attack in the first ten rounds, the Negro Champion went to work in the final five to earn the unanimous decision of the two Judges and referee, and a bit enigmatical of the title.

Gainer, tremendous favorite with the crowd of 3,000 started well. He belted Lewis with three steaming left hooks in the second to take the command. He stayed there by winning the fourth and fifth and headed into the 10th well ahead.

Governor Cross of Connecticut presented the belt to the weary but grinning winner in the ring after the bout.

Colleges Clash In Sudden-death Rugby Encounter

HALIFAX, Oct. 28.—(CP)—St. Mary's College and St. Francis Xavier University clashed here tomorrow in a "sudden-death" game for the Nova Scotia Intercollegiate English Rugby title that is expected to eclipse the city's other rugby fixture, the senior league Dalhousie University-Halifax Wanderers battle.

St. F. X. crushed St. Mary's 24-3 at Antigonish last year in the Provincial final but the Irish supporters are confident that rout won't be repeated this year. In fact, they look for a St. Mary's victory at home.

The Antigonish team, present Maritime Champions, have been crowned in the Cape Breton League pending the Intercollegiate playoff. In that contest they won one game and lost three—two to them in the eastern Canadian trophy series.

That game incidentally, was Sydney's first victory in eight years over any senior squad. St. Mary's, however, on the other hand, blanketed King's 15-0 and Nova Scotia Tech 11-0 to win the Halifax City title, tied Acadia 6-6 at Wolfville and defeated them 13-8 at Halifax to win a final berth.

Both teams will be at full strength. The Wanderers-Dalhousie game probably will see Wanderers crowned champions of the Halifax City League for the second consecutive year. The Redmen with four straight victories in the league including two over Dalhousie by 20-0 and 15-3, aren't expected to have any difficulty in disposing of the once-formidable Tigers again. The other two victories for the Wanderers were over Acadia University, third team in the league.

Dutton Says His "Keep Punching" Boys Will Be Much Stronger This Season

SASKATOON, Oct. 28.—Acquisition for one season and Goldson's is an outright purchase. The other newcomer to the roster is Willie Field of Trail, B. C., the husky defense rookie, last year with Seattle of the Pacific Coast League, will pair with Johnny Gallagher. The other backline combination consists of the Amerks' heavy-duty standouts, Al Murray and big Joe Yewer. Earl Robertson, so vital a factor in carrying the Amerks to last season's Stanley Cup semi-finals, again will be in goal.

The second-string forward line also remains unchanged with veteran Nels Stewart as centre for Tommy Anderson and Eddie Wiseman. Fourley Smith, play maker last year for Sorrell and Beattie, will be the utility man, filling in on attack or defense.

Only veterans of the 1937-38 squad who will be missing when the A's open their campaign November 3 at Chicago against the Stanley Cup-defending Black Hawks will be the Johnny Sorrell and Beattie in his own right with Minneapolis of the American Association, and Happy Day, who may be a N. H. L. referee this season.

Graham And Sparks Expected To Put Up Gruelling Fight

Tuesday night's boxing card at the Charlottetown Sportsman Club will feature a three-Province affair with no less than three Amherst mitt-slingers performing against two Island fighters and a middleweight hailing from Boston.

George Graham tackles the toughest of the trio when he meets Bill Sparks in the 10-round main event and here is a scrap that has the fans wondering just how the Island boy will get along. Opposed against the Amherst Flash Graham will be facing the shiftless fighter he has ever met in an Island ring and it is just a question whether or not his punching prowess will carry him through to a victory.

Sparks himself is no mean hitter and if both boys decide to get in there and punch it out fans will see a very rugged scrap as Graham is just the type of fighter who is at his best when the going gets tough.

Jack Burns, brother of Harry Burns who has always pleased fans here on several appearances, is pitted against Tiger Hennessy of Boston. Hennessy is the lad who handled last Saturday night's bouts so satisfactorily and looks as if he will be a very shifty fighter.

Second Saints And P.W.C. Resume Series This Afternoon

The second game of the Island Intercollegiate series between the Saints and the Prince of Wales College fifteens is scheduled for this afternoon at the C. A. A. Grounds at 3:30.

Trailing their opponents but on a game defence of the title they held last year as a result of P. W. C.'s 9-3 victory in the opener Saints will be fighting with their backs to the wall this afternoon to stay in the running but this is when the University teams are at their best and it would not be surprising if they turned their tables on their opponents.

Prince of Wales with an 8-0 tuncup victory over an Amherst squad a week ago will have their strongest lineup on hand for the Tray and their rooters are eyeing a straight games victory. However, P. W. C. themselves expect the toughest of opposition from the defending champions and have prepared for a tough grueling battle all this year.

The game will get underway at 3:30 sharp with James McCallum handling the whistle.

Horses Being Prepared For Racing Duel

(A. P. by Guardian's Special Wire) BALTIMORE, Oct. 28.—No temperamental prima donna ever received more pains-taking attention than is being lavished on two handsome horses now quartered at Pimlico race track. Object of the anxiety and affection of two fussy corps of retainers are Charles S. Howard's Sea-biscuit and Samuel Riddle's War Admiral.

These tycoons of the turf are being groomed for a special duel race next Tuesday, Pimlico's opening day, and their handlers are employing all their extensive knowledge of horseflesh to nurse their charges to peak condition and keep them there.

Behind all this bother is more than the \$15,000 prize money. When the Biscuit and the Admiral walk up to the line and break away on the 1 3-16th mile dash, they will be competing for supremacy of the United States turf.

If the weather is bad, the track muddy, the race will be postponed until Thursday, for neither horse likes sloppy going. Jervis Spencer, Jr., chairman of the Maryland Racing Commission, will inspect the track at 8:30 a. m. Tuesday and announce whether or not the race will be postponed.

Army-Notre Dame Football Classic Today

NEW YORK, Oct. 28.—(AP)—Climaxing a month-long buildup of numerous upsets, wide-play and striking emphasis on the forward pass, the current United States College football campaign tomorrow hits its 1938 peak in attendance.

Four of the day's games will attract crowds of 70,000 or better, leading off with 78,400 at Yankee Stadium for the renewal of the country's oldest inter-sectional rivalry, between Army and Notre Dame.

The Pitt Stadium will be packed to its 75,000 capacity for the all-conquering Panthers' clash with under-dog but unbeaten Fordham; 71,000 will be in the Yale Bowl as the Elis deploy against Dartmouth and 70,000 which fill Franklin Field's two tiers for Pennsylvania's engagement with Navy.

Elsewhere only lack of additional space will keep the crowds below these figures. That applies to Northwestern's clash with Michigan where 47,000 will see the Wildcats tackle Minnesota in the big ten feature; to the Dixie headlines matching Tennessee and Louisiana State in the southeast conference and Duke and North Carolina in the southern, due to draw 35,000 each, and to the 27,000 crowd expected for the Texas Christian-Baylor game which brings together two undefeated southwest conference rivals.

REMEMBER WHEN

(By The Canadian Press) Henry Armstrong, Los Angeles negro, won the world feather-weight boxing title at New York one year ago tonight with a sixth-round knockout over Percy Sarron. The challenger—later a triple-crown holder—lost four of the five rounds before he uncorked a terrific bombardment that gave him the title.

Mailed in 1904, Fulham, England, a card has just been delivered in Wood Green.

New Regulations Disturb Goalies

VANCOUVER, Oct. 28.—Pacific Coast Hockey League goalkeepers will have to work harder for shut-outs this season as result of new rules by league officials designed to build up scoring records.

Most drastic change calls for a goal mouth four inches higher and six inches wider. "Goeh" said Goalie Percy Jackson of Vancouver Lions when he learned of the new measurements, "it was tough enough before, I hope they give us a lacrosse stick to stop those pucks."

Walters Confident Of Receiving Prize Money & Of Trophy Being Found

(A. P. by Guardian's Special Wire) BOSTON, Oct. 28.—Captain Angus Walters expressed confidence today that his missing international fishermen's trophy would be found, that his \$3,000 prize money would be forthcoming and that "we'll be forthcomin' and taking our money."

He ordered his big salt banker Bluenose, which won the North Atlantic fishing fleet championship from Gloucester's Gertrude L. Thebaud, back to Lunenburg, N. S., before she, too, "disappears."

Leaving her skipper behind, the Bluenose was ordered to stay in American waters only long enough to refuel her engine and propeller, taken from the vessel before the race series started.

The doughty Canadian captain optimistically expressed his confidence from the Speaker's rostrum of the Massachusetts House of Representatives. He addressed the cheering representatives at the invitation of Horace T. Cahill, House Speaker and a personal friend.

Captain Walters was in a cheerier frame of mind than yesterday. He had won the fishermen's trophy, but—

The cup was lost, the prize money was not immediately available, he had been offered \$100 by a disappearing "dealer" and to add insult to injury, Thebaud challenged him to another race, adding "put up or shut up."

Insurance company investigators, who were interested in the cup to the extent of \$500, proved its disappearance today, while race committee members said they believed it was the work of pranksters.

The committee explained the Boston group had \$1,900 and a Gloucester group \$2,700 and added both groups had pledges for more, which would be ample funds, when collected, to provide Walters with his \$3,000 first prize money and Captain Ben Pine with Thebaud's \$2,000 shares.

In 1902 he purchased Dan Patch, 1.56 1-4, with a record of 201, paying \$50,000. Intimate friends thought he had gone berserk to pay a price like that for a pacer that nobody would race against because there was no competition available. Dan was so far ahead of any living pacer. He had never met defeat.
