you know why we are selling skates cheaper than anyone else? Well it is just this way: the manufacturers who were to supply our wholesalers failed. The wholesalers had to fill the order at prices quoted. They were unable to secure them at regular prices and consequently had to supply them to us at cost. See the point! "Starr", Acme, and Hockey Skates at cost. Central Grocery and Fancy Goods Store.

It is said that the wires became suddenly warm yesterday with messages to representatives of Parliament, to the Marine Department at Ottawa, to officials at Tormentine and others, subsequent to the despatch received stating that the Stanley was being taken to Georgetown.

There was universal indignation in Summerside yesterday when word was received by telegram from Cape Tormentine that the Stanley was leaving for Georgetown. The despatch stated that the steamer arrived at the Cape at 12.20 and would leave for Georgetown at one p. m. Shippers express their disappointment in the longest terms and passengers were sorely vexed at the unkindly and sudden removal of the steamer without the least warning. It is said by those careful in their observations that the condition of the ice did not by any means warrant the departure of the steamer.
