Creative Banking

IS MONEY plus VISION

As a chartered bank, our first duty is to safeguard the depositors' money — to let it work at useful jobs where its future will be secure. That responsibility calls for critical judgment. Creative banking calls for that and something more: vision and a willingness to share the borrower's point of view...

Let's do it together!

N. B. Arranges For Aerial Forest Patrol

FREDERICTON, May 4 — (CP) — Award of a contract for aerial forest patrol to Bathurst Air Services, Ltd., was announced today by Hon. R.J. Gill, Minister of Lands and Mines.

"We believe this step will at once effect a more efficient method of forest fire control and represent a real economy," Mr. Gill said.

In addition to the immediate demands of forest fire protection, the aircraft of the contracting company will also be available for aerial photography.

The contract was effective yesterday and is of one year's duration.

One plane will be available at all times and additional aircraft will be on call during the period of greatest hazard—May 1 to Nov. 1.

One of the craft is to be an amphibian plane.

The planes will have regular bases at Fredericton, Bathurst, and
