Premature Old Age of Women. It is no secret that so many women suffer from ailments peculiar to their sex. Dark circles appear under the eyes, a pale, drawn, haggard expression to the countenance, and the weakness which accompanies such ailments is evidenced by the 'ragged step, headaches, backache and nervous conditions. Every woman who is afflicted in this way should rely upon Lydia E. Pinkham's Vegetable Compound which for half a century has been overcoming some of the most stubborn ailments of women.

"A Good" is a life insurance policy. When it is known that life insurance exists, the Widow finds her credit is "satisfactory"; the home continues; the estate can be administered without loss; just debts are paid promptly, and the Will has a chance to do what was intended. But a vastly different story is told where there is no life insurance; and far more tragic than "a home without a Mother" is the Mother without a home. Life insurance may be so readily secured that the world thinks little of those who fail to protect their dependents in this way. —Life Insurance Service

Snowy Bed Linen—fragrantly clean

HOW sweet and wholesome is that welcome sense of fragrance which comes from well washed linen. How refreshing it is to lie between clean sheets, to rest one's head on a snow-white pillow case; to breathe deeply in an atmosphere of purity; to feel and to know that the things around you are absolutely clean.

To bring about this refreshing sense in the mind of guest or family is a triumph well worth the attention of any housewife. It is best accomplished by using Sunlight Soap.

SUNLIGHT SOAP. To get bed clothes snowy white it is not necessary to boil them or rub holes on the wash board. The sure power of Sunlight Soap itself extracts every trace of soil while the things are soaking. In the rinse it all comes away—all the dirt and every particle of soapy matter, leaving not gray-whiteness, not yellow-whiteness, but snowy white purity and cleanliness. LEVER BROTHERS LIMITED TORONTO
