I., was united in the holy bonds of wedlock to Robert N. MacGregor of Cornwall, P.E.I. The marriage ceremony was performed by Rev. Mr. Tufts of the First Presbyterian Church, Boston. Among the invited guests, the bride wore a pretty dress of embroidered net and was accompanied by her sister Jessie White. The groom was supported by John H. MacQuarrie of Bonshaw, P. E. I. The wedding march was played by Mrs. David MacDougald, cousin of the bride. The young couple were the recipients of many beautiful and valuable presents which go to show the esteem in which the young couple were held by their friends.

HAVE YOU A SKIN RASH?

Zam-Buk Will End It.

For skin rashes, eruptions, eczema, etc., either in adults or children, there is nothing known to science which equals Zam-Buk in the quickness and certainty of its curative power. Mr. Raymond Webber, of Allanburg, Ont., writes: "I have tried Zam-Buk for many ailments, and every time have found it successful. Some time ago I had a bad rash all over my body. I tried home-made salves, herb salves, and various home-made preparations, and these proved of no use, but when I tried Zam-Buk I was cured in a quarter of the time that I had been experimenting in vain with other preparations."

On another occasion I had one of my fingers crushed, and in that case also Zam-Buk was the only remedy I used. It healed the wound splendidly.

"My boy had boils, and once again Zam-Buk brought about a complete cure. We have also used it as a household balm for the injuries and skin diseases which are common to every person, and can say that in our experience there is nothing to equal Zam-Buk."

Zam-Buk owes its unique healing power to certain herbal extracts it contains. Unlike most ointments it contains no poisonous coloring matter, no animal fat, but is purely herbal. For eczema, piles, blood poison, abscesses, ulcers, cuts, burns, and all skin injuries and diseases it is without equal and should be in every home 50c. box all druggists and stores. Use also Zam-Buk Soap, 25c. tin.

CONSTANTINOPLE, May 9—A plot to blow up the train in which the Minister of the Interior and the members of the reform commission were travelling was frustrated by the discovery of a dynamite bomb under the bridge between Ochrida and Resna in Monastir.

Eight members of the Bulgarian band have been arrested in connection with the affair.

The Council of Ministers here have the desire to expel Italians with the exception of priests and nuns from Smyrna within fifteen days.

A MONTH WILL ELAPSE BEFORE NEW CHAIRMAN NAMED.

OTTAWA, May 9—It is expected that three or four weeks will elapse before the appointment of a new head for the railway commission to succeed the late Judge Mabee, who passed away at 3.15 p. m., Monday.

H. Frank Cechrane, who is making official journey over the government railways in the western provinces and Quebec, is expected back in Ottawa by the end of May and the matter will, in all probability, be dealt with then. In the meantime the more important cases which have been before the board will stand for re-hearing.

HAVE YOU A SKIN RASH?

Zam-Buk Will End It.

For skin rashes, eruptions, eczema, etc., either in adults or children, there is nothing known to science which equals Zam-Buk in the quickness and certainty of its curative power. Mr. Raymond Webber, of Allanburg, Ont., writes: "I have tried Zam-Buk for many ailments, and every time have found it successful. Some time ago I had a bad rash all over my body. I tried home-made salves, herb salves, and various home-made preparations, and these proved of no use, but when I tried Zam-Buk I was cured in a quarter of the time that I had been experimenting in vain with other preparations."

On another occasion I had one of my fingers crushed, and in that case also Zam-Buk was the only remedy I used. It healed the wound splendidly.

"My boy had boils, and once again Zam-Buk brought about a complete cure. We have also used it as a household balm for the injuries and skin diseases which are common to every person, and can say that in our experience there is nothing to equal Zam-Buk."

Zam-Buk owes its unique healing power to certain herbal extracts it contains. Unlike most ointments it contains no poisonous coloring matter, no animal fat, but is purely herbal. For eczema, piles, blood poison, abscesses, ulcers, cuts, burns, and all skin injuries and diseases it is without equal and should be in every home 50c. box all druggists and stores. Use also Zam-Buk Soap, 25c. tin.
