FINANCIAL NEWS BRIEFS

(Received over Pitfield and Co's Private Wire)

NEW YORK, Oct. 5—London steady at first but later reacted. President Roosevelt in one of his speeches yesterday hinted that he might call a special session of Congress in November. Crop control and the Wage and Hour Law were stressed in connection with an extra session of Congress. There is considerable speculation, however, whether the country as a whole would want an extra session. Yesterday's market did not show much it was not very encouraging, but, nevertheless, volume on the sell off was very light. However, we would look on the first thing this morning to see how well the market takes additional selling.

NEW YORK, Oct 5—U. S. Treasury awards $50,000,000 issue of 273 day bills at average price of 436 per cent against .384 per cent last week and .441 per cent two weeks ago total of **$183,266,000** subscribed for issue.

NEW YORK, Oct 5—There is no change in our market calculations of last week. Briefly, several days of irregularity and reactions were anticipated after the rebound from lows of a week ago Monday must be awaited as a signal of market strength for answer to question whether a phase of fall recovery might be anticipated. Allowing for a day or two more of dull irregularity and reaction, it will be time in the latter part of the week to look for the signal.

Chrysler—To spend nearly $4,000,000 on new Windsor plant, expansion based on better sales prospects in Canada and improved general business outlook.

Copper—American customs Smelters advanced price of domestic copper to 12 3-4 cents, last week's low 12 cents.

Steel—In Pittsburgh area steel companies expect to operate beyond 63 per cent this week, incoming orders approximate 62 per cent which believed will hold production at 65 per cent for balance of year.

Assoc. Tel and Tel Special Dividend—To pay regular quarterly dividend of 49 cents per share on 7 per cent pfd. and 42 cents on $6 pfd. Nov 15 to record Nov. 1 and moreover a special dividend of 98 cents on 7 per cent pfd and 84 cents on $6 pfd. payable October 25 record Oct 11.

MONTREAL, Oct. 5—A sharp drop in steel production figures had a somewhat depressiing effect on New York prices yesterday and the local market turned irregular in sympathy. Base metal stocks were easier, nickel and Noranda both losing half a point. Newsprint stocks acted rather well with St. Lawrence Paper Pfd. up four points after selling as high as 68. Trading was once more at a very low ebb and the market's action was not at all impressive.

MONTREAL, Oct. 5—Rolland Paper—Business of Rolland Paper Co. after an unexpectedly quiet August is understood to be showing moderate advances with some indications of a return to the trend reported for the six months ended June 30. Sales at that date were stated to be running 25 per recent higher than for the corresponding period 1936. The August recession particularly affected the the company sales of high grade paper used in office and stationary trades and was partially attributed to the tendency to buy from hand to mouth and exceptionally warm weather which definitely slowed up decisions on supplies, etc. Despite currently better tendencies prospects for fall business are stated to be difficult to estimate due to the fact that company products are not normally contracted for future delivery unless price increases are forecast. Western sales are reported to be better than last year with collections fair to good.

In Memoriam

MRS. MARGARET JANE FORD

Many friends will regret to learn of the passing of Mrs. Margaret Jane Ford at the age of 69 years, widow of the late John Edward Ford, which occurred at her home, 17 Bishop St., Sunday, August 8th. She always enjoyed good health until seven months previous to her passing. All that medical skill and tender care could do was done but to no avail and on the above date her spirit moved on to God Who gave it.

She will be sadly missed not only in the home where she was a cheerful and loving mother, but also by her many friends and relatives. She was before her marriage Margaret Jane Neill, daughter of the late John and Margaret Neill, North Milton, and will be kindly remembered in that district.

The funeral was held Tuesday, Aug. 10th, at her home, the service being conducted by Rev. H.L. Denton, pastor of the Charlottetown Baptist Church, who spoke words of comfort to the sadly bereaved family. She leaves to mourn, two daughters and three sons, Louise and Leona, and Archibald; one grandchild Forrest, at home; James and Ernest, residing in this city; also two sisters and two brothers, Mrs. Samuel Gillespie, North Milton; Mrs. Thomas Flanagan, Boston, Mass.; Angus and Henry, North Milton.

The remains were laid to rest in Fairview Baptist Cemetery, Rustico Road. The pallbearers were: Messrs. John McQuarrie, William McQuarrie, Hammond Johnston, Christopher Ford, Henry McInnis, Angus McInnis.

The many lovely flowers and large gathering of friends testified to the love and respect in which Mrs. Ford was held.

CHARLES WESLEY SHEIDOW

There passed peacefully away at the Prince Edward Island Hospital on Sunday, October 3, 1937, Charles Wesley Sheidow of Millview, aged sixty-nine years. The deceased enjoyed good health until Wednesday last when an operation was performed. Despite all that medical skill and tender nursing could do, his spirit passed to Him who gave it just as the Sabbath sun was rising.

The deceased was a man of sterling worth and character whose word was his bond. By his thrift and his toil he established a comfortable home at Millview. It was at contracting and carpenter work, however, that the deceased was really a master workman; a workman who needeth not to be ashamed, knowing that both the unseen and the seen was equally well done. Millview and the surrounding communities are the richer for his having lived, but the poorer for his having passed on. It is in the home, however, that he will be sorely missed. He was a kind and loving husband and father who never raised his voice in anger or let the sun go down on his wrath. Truly he never let his right hand know what his left hand was doing. His conversation was, "Aye aye, and nay nay."

He leaves to mourn their loss his widow, nee Josephine MacMillan of Eldon and three children, his son Ralph on the homestead; his daughter Leslie, wife of Percy W. Jenkins of Malden Mass., and his daughter Marie, wife of D. Irving Tweedy of Vernon River.
