GOOD CROPS IN THE WEST.

SASKATOON, June 25.—Geo. Bury of the C. P. R., who spent the night here said that he never before saw crops in such a promising condition. He would say nothing about the C. P. R., intentions for development work in the Calgary oil fields.

—BASEBALL.—One of the postponed games in the P. County Baseball League, that between the Red Sox and Pacers was played on Wednesday evening and was a well-played game, ending in a tie 4-4. Jeffrey, who has been one of the independent star pitchers since the league started, having transferred his membership to the Pioneer's pitched effective ball for that Club, while McQuarrie for the Red Sox was also very effective allowing very few hits.

—BASEBALL.—The Kensington Athletes achieved fame on the evening of the 22nd of June, when, in an exceptionally hard-fought game, they inflicted defeat on the Malpeque team by a score of 13-6, and thus more than made amends for their defeat some time ago in Malpeque. Malpeque went to bat first, but the first three men were struck out. Kensington got in one run in their first innings and kept the lead throughout the game except after the ninth inning when the score stood 6-5 in favor of Malpeque, one inning remaining for the Athletes. In this inning the skill with which the Malpeque team had so far played seemed to desert them, for the Athletes after excellent batting scored eight runs. Worthy of special note are E. Pidgeon, pitcher and J. Thompson, catcher and Harry Warren, short stop, who did some excellent batting, of the Athletes, Malpeque had a new pitcher, D. Morrison, who pitched a good game till the last inning. Currie, their catcher and E. Bearisto and H. Bearisto, first and third baseman respectively did good work while their fielders made some excellent catches. Mr. A. J. Rogers was umpire and did his part to the satisfaction of all. A large number of spectators was present. A return match will probably soon be played at Malpeque.—K.

Dr. Chase is No Stranger

In This Home—Receipt Book and Medicines Kept at Hand All the Time.

There is no better safeguard against disease and suffering than a good cathartic medicine. In the great majority of homes Dr. Chase's Kidney-Liver Pills are constantly kept at hand, because they quickly awaken the action of liver, kidney and bowels, and cure the most common ills of life. Mrs. Thos. Smith, Jamestown, Ont. writes:—"Dr. Chase is no stranger in our home, for we have two of his Receipt Books in the house. My father and my husband's father each had one, and I have been familiar with it ever since I can remember. It was only natural that we should use the Kidney-Liver Pills, and we found them so satisfactory in regulating the digestive system and curing the common ills of life that we always keep them on hand. Many a time these pills have saved me from suffering and prevented serious disease. We also keep the Ointment in the house all the time."
