SOME PERFORMERS AT BRACKLEY BEACH.—Among those who will take part in the Special Concert to be given at Shaw's Hotel, Brackley Beach on Tuesday evening next are Mr. Frederick Morris, pianist who is well known in Charlottetown, Mrs. Cartwright of Ottawa, Mrs. Roy Brown of Ottawa, Mrs. W. L. Layley of Toronto, Mrs. O. R. Sharp of Montreal, Mr. A. H. Crease of Toronto, and others.

CHURCH PARADE.—Yesterday morning the officers and sailors of the H. M. S. Valerian and H. M. C. S. Patriot paraded to St. Paul's Church where an inspiring and appropriate sermon was preached by Rev. H. D. Raymond. A number of the sailors attended service at St. Dunstan's Cathedral dropping out for that purpose and again rejoining the parade on its return.

WEDDING BELLS.—The marriage took place in Seattle Wh. U. S. A. Saturday, July 12, 1924, of Miss Gladys Marion McCallum, daughter of Mr. and Mrs. Eben L. McCallum, St. Peter's, P. E. I., to Wilbert Robert Bennett, of Seattle, formerly of Regina, Sask., Canada. The bride was attended by Miss Mildred Drummond and Mr. Gilbert Killam, cousin of the bride attended the groom.

ST. JOHN'S CRAPAUD.—There was a large congregation present yesterday morning at St. John's Anglican Church when the Rev. E. M. Malone of St. Peter's Cathedral celebrated the Holy Communion. The large number of communicants speak for the spiritual welfare of the Parish. The interior of the Church has lately been beautified by the addition of ornaments, while the exterior of the church has been painted as well as the Rectory. The church cemetery fence has been moved and rebuilt while the cemetery grounds have been graded and seeded. These and other improvements at the church and Rectory bring great credit on the congregation and hard working lay reader in charge, Mr. Charles Rand.

CAR RIFLED.—Two Charlottetown citizens, who recently were on a fishing and camping trip to the Gasquet end of the island were the unsuspecting victims of hoodlums while in Souris last Friday evening. Intending to establish their headquarters in that place they left their car at the side of the street. On their return they discovered that the car and lockers of their closed-in machine had been forced and the car rifled. Finding nothing more valuable than some tools and a flashlight, they left the car and returned to Charlottetown. The car was destroyed and an expensive club bag, ripping it to shreds with a knife. This was an unexpected reception for the motorists, and needless to say, they lost no time in departing for more congenial parts.

OF LOCAL INTEREST.—Edgell, Windsor, N. S., the Church of England School for Girls has recently issued the report for 1924-25, the 34th year of its existence. The aim of Edgell is to give a thorough education to girls in a happy and healthy atmosphere. The total attendance for the past year was 93 four being from P. E. Island as follows: Miss Keltie Marian Jandine, of Charlottetown; Miss Dorothy Simpson, of Charlottetown; Miss Marian Tuplin, of Convent; Miss Holman who the Book Prize for Form VI, also a prize in the counteracting profession for Mathematics Form IV, and a Diploma for Full Course of Study; Miss Dorothy Simpson won the Gold Star Prize for Form VI, Bible History and Prayer Book Prize Form IV, Prize for best Executive Ability, a Diploma for full course of study, and a Music Certificate Division III. The Lady Principal is Miss N. H. Rochling, M. A., graduate of Oxford, Vice-Principal, Miss E. A. Murray assisted by specialists in Languages and other studies. Pupils are prepared for Matriculation for Universities and Royal Academies of Music and Drawing.

Sunday Service

(Continued from Page 1)

His solution of modern unbalanced conditions was the consideration by governments of co-ordinated systems of education (productive, creative, intelligence), remedial science, and idealism, an ethics of work, a spiritual and religious philosophy, and a government controlled by educators and the educated. Emphasis was put on the fact that regulations should work more for the betterment of living conditions than to not confine themselves wholly to hope in the hereafter.

The evening session was devoted to an exhibition of magic by Frederick Eugene Powell, known as the Dean of American Magicians. His large audience, Mr. Powell delivers a humorous and educational lecture while carrying out his "experiments," were kept continually mystified as the magicians' sleight of hand produced illusion after illusion.

The most spectacular trick was the shooting of a marked steel bullet at a target in front of which stood a girl, through whose body the bullet apparently passed as a ribbon attached to the ball seemed to testify.

Another amazing illusion was the production of numerous silk flags from an obviously empty hat; these flags were bundled up and attached to a rope on pulleys, a few passes made over them and the bundle shaken out to reveal a large Union Jack.

Mr. Powell used the assistance of his audience freely, plucking silver coins from their heads and persons, and frequently calling on the aid of children in the auditorium.

Junior Chautauqua
Junior Chautauqua opened at 9.00 a. m. by singing the Town Song. The Mayor then called the meeting to order and the Town Clerk read the minutes, after which, the following addresses were very creditably read: The Laws of the Tent by Rev. Brady, Laws of the Home by Jack McLeod, and Laws of Charlottetown by James Innes.

The boys brought posters which were hung in the tent. Officials were elected as follows: Health Commissioners, William Henry, Pearl Burns, Grace Hastings; Service Commissioners, Helen Nicholson, Helen Collins, Helen Campbell. The boys and girls are working hard and should put on a very good program the last afternoon.

The officers of Junior Town will be introduced this evening. On Saturday there was a delightful program which pleased the children very much. The Swarthmore Trio, with their songs, recitations, sketches and whistling, and in the evening Mr. Powell the "Dean of American Magicians" contributed greatly to their entertainment.

Prisoner Sings In Court Room
VIENNA, July 27.—The police recently captured Gabriel Ribbat, from Damascus (calling himself Dr. Bertrand), and some companions with 515,250 pounds sterling in false notes. It was found that they had a regular factory at a villa not far from Vienna. Ribbat is 45 years of age, has a past in the counterfeiting profession and had escaped from France and Germany. He has now had to answer for his misdeeds at a trial lasting three days. He entered the court to a strange sing-song, explained by some as being a sort of Egyptian riddle, containing the words "la ruine," "le deshonneur," and "la mort." As he continued to sing during the trial, the judge ordered him to stop it within three minutes and when he refused to stop he was taken out of court.

U. S. Cruisers Will Patrol Northern Seas
HALIFAX, July 2.—A special division of five United States cruisers, under command of Capt. Russell Wilson, which will patrol the northern seas between Newfoundland and Greenland and possibly Iceland and as far as far as possible the land over which the world encircling United States aviators will fly, arrived here shortly after four o'clock yesterday afternoon, reporting perfect weather since eleven o'clock Thursday morning when they sailed from Newport, R. I. General instructions to Captain Wilson, so it is stated, are to remain here until Tuesday and then to proceed to Indian Harbor, Labrador. From there the boats will spread out at intervals of sufficient length to cover the waters extending between Greenland and possibly Iceland. The squadron includes the cruisers Lawrence, Charles, Ansburne, McFarland, Barry and Coghlin.

Deaths
BAMBRICK.—At Glenroy, James Bambrick, aged 82. Funeral notice later.

Deaths

All Ready For Big Western Harvest

(Special to Guardian)

MONTREAL, July 26.—Harvesting of the grain crop in Manitoba will commence about August 20th and in Saskatchewan and Alberta about August 25th, according to information received this afternoon at general headquarters of the Canadian National Railways in Montreal. To handle this crop at least 40,000 harvesters will be required and the west considers itself in a position to be able to supply about half this number. The remaining 20,000 will have to be recruited in the east. Details pertaining to the harvesting of the crop were practically completed yesterday at a conference between officials of the Canadian National Railways and Federal and Provincial Governments and the Labor Board held in Winnipeg. There remains to be settled the final date upon which the harvesters' excursion rates will go into effect, but this final detail will be completed at a further meeting to be held in Winnipeg on August 2nd. The settlement of this date will rest entirely upon the dates when the farmers of the west are in a position to accept harvest labor.

Nothing other remains to be done in regard to the assembling of transportation equipment for the handling of those harvesters over the lines of the national system. Approximately 400 cars of the latest type of colonist equipment are being held in readiness for this movement and the last of the new lunch counter cars has been delivered. There are now sufficient of these lunch counter cars, the largest of their type in service in Canada, to place one on every excursion train and as these cars can feed 350 passengers per hour it is thought that feeding arrangements on these trains will be better than ever before. Tremendous reserves of grain cars have been assembled in Western Canada by the operating department and there will be no lack of facilities for the rapid movement of the grain to the head of the lakes once the harvest gets under way.

Bodies of Six Children Found At Bridgeport

(Canadian Press)

BRIDGEPORT, Conn., July 27.—The bodies of six of the seven children who went out in a canoe last Thursday have been recovered. Three of them were found in different parts of the Sound, and a renewed search is being made for the body of Ethel Bergquist, the only one missing.

Ape Robs Flats At Johannesburg

CAPE TOWN, July 21.—A full grown ape which had wandered from the veld, entered Crescent Flats in Parktown, the most select suburb of Johannesburg, a few nights ago.

It tried to climb through the kitchen window but failed, and then hammered at the door of one of the flats. A woman opened the door, but quickly slammed it again at sight of the ape.

The animal then entered another flat, where it opened the safe chest, removed a bag of lamb and demolishes a pound of butter and various other eatables before its presence was discovered.

It then climbed on the roof, and several men armed with revolvers and shotguns followed. A big game hunt on the housetops continued until a shot brought the ape tumbling into the street.

SPORTING NEWS

FOUR TEAM LEAGUE FAILS TO GO OVER

"All Stars" of S' Side Dumb on the Subject and Won't Come In—3 Team League

According to latest advice the proposed four team Prince Edward Island Baseball League has no chance of materializing, owing to the All Stars of Summerside backing out, and up to the present time no reason is given. Nevertheless, Island baseball fans will yet have the pleasure of seeing an organized league go through as the Summerside Torontos are anxious for ball and willing to line up in a three-counter league with the Abegweit and League of the Cross; the winners of said league to be proclaimed the P. E. Island baseball champions.

Really it is to be regretted that another Summerside team is not available as the schedule of games had been already drawn up, which by the way met with the approval of all teams with the exception apparently of the All Stars. It is now necessary to draw up another schedule which will be published in a few days. It is expected that the first game in above mentioned league will be played on Wednesday either in Summerside or Charlottetown.

It may be mentioned that local baseball officials communicated with the All Stars over a week ago in reference to an Island Baseball League but up to time of writing nothing by way of an answer has been received and as the proposed league was scheduled to start today it is therefore opined that they do not "cotton" to the idea.

THEODORE GUY WINS FEATURE

Good Racing in Grand Circuit at Kalamazoo.

KALAMAZOO, Mich., July 27.—Theodore Guy, won the feature event, the three-year-old pace at Kalamazoo's final Grand Circuit, yesterday. The Chicago horse, driven by Pallin, took three heats and was never pressed. In the second heat Marion C. and Clara Barton Bugenword were in a sulky snail-up in the back stretch. Drivers Candler and Taylor escaped with minor injuries.

Extra heats had to be reached in the other two events. By taking the two final heats, the favorite Irene Scott, took the 2.18 pace, the lead heat being run untimed with beats declared off.

The second half was interesting, Stanward exciting and spectacular all the while. With the wind in their favor the "Barney Google" sailed by Joe McDonald in the comeback Saturday afternoon in the 18 foot class by trouncing her rivals to the line in splendid time.

It was a good race from start to finish with the Sheik and Winona threatening "Barney's" lead all the way. The Sheik which sailed a nice race finished a close second with the Winona third, Pollyguy fourth, Byng Boy, fifth and Emerald J. sixth.

Messrs. A. Campbell and F. McDonald were the judges.

"VALERIAN" SOCCER TEAM LOSE TO "PATRIOT" 2-1

Saturday Afternoon at Victoria Park.—Captain Reid of The "Patriot" Scores Winning Goal Three Minutes Before Final Whistle.—Great Game.

Before a good crowd of spectators at the old cricket ground in Victoria Park on Saturday H. M. C. S. Patriot soccer team defeated H. M. S. Valerian team two goals to one in their fourth encounter. Both these teams had met on three occasions and each time the games had ended in a draw.

Saturday's in spite of some doubt as to the time of play and the scoring of the last goal settles the championship between these two teams and the good sportsmanship of the boys of the navy was evident all the way through the contest and what is more important after it was over.

The game was a good exhibition of soccer. In spite of the warm day and the uneven character of the ground it was fairly fast and accurate and from start to finish was a keenly contested encounter between teams evenly matched and out to win.

At almost every stage of the game there were spectacular displays of clever footwork, effective handwork and neat and quick combination plays. Both teams have particularly strong defences the Patriot aggregation having, if anything, merely a shade on their opponents. The half back line in particular being a very good trio evenly matched and playing their positions to perfection.

Valerian won the toss and kicked off with the wind in their favor. For some time play veered from end to end with the forwards getting small chance to prove dangerous so effectively were they checked by both halves and backs of their opponents.

Near the end of second half Jamieson on a neat pass from Ewart sent in a swift "daisy cutter" which gave Buddy of the Valerian no chance and put the Patriot in the lead, one goal to none. Play became much swifter from now on as the Valerian aggregation were keen to even up and pressed hard. Violations of the offside rule by both teams spoiled some good scoring chances. Before half time a foul in front of the Valerian goal by the Patriot defence gave the Valerians a penalty kick which Child succeeded in converting into the Valerians first goal and thus equalized the score. Half time came with both teams tied at one goal each.

The second half was interesting, Stanward exciting and spectacular all the while. With the wind in their favor the "Barney Google" sailed by Joe McDonald in the comeback Saturday afternoon in the 18 foot class by trouncing her rivals to the line in splendid time.

It was a good race from start to finish with the Sheik and Winona threatening "Barney's" lead all the way. The Sheik which sailed a nice race finished a close second with the Winona third, Pollyguy fourth, Byng Boy, fifth and Emerald J. sixth.
