THE PRINCE COUNTY GUARDIAN

Offices in Summerside, John Dickieson, Agent, and in Alberton, Herbert Clark, Agent.

—The latest news, first of all.

—Peter G. Clark, Summerside, went to New Brunswick yesterday.

—Geo. Lockhart, Spring Valley, returned last evening from a trip to Western Canada.

—John McDonald, Livery, Summerside, crossed over by the Empress yesterday on a trip to New Brunswick and Nova Scotia.

—Rev. A. E. Estoll, Sussex, N. B., will preach on Sunday the 8th at Freetown at 11 a.m., Bedeque 3 p.m. and Summerside 7 p.m.

—Mrs. Dr. Covey formerly of Summerside and now of Boston arrived last evening on a visit to friends. She was accompanied by her daughter, Miss Evelyne.

—R. T. Moase, Kensington, left Summerside by the Empress yesterday on a business trip to Cape Breton and other parts of Nova Scotia. He will be absent for some weeks.

—The excellent hay weather has brought hay making pretty nearly to a close in Prince Co. Rain so start up the after-grass is the next thing wished for by the farmers.

—The marriage took place on Wednesday evening last, at the home of the brides' parents, of Miss Mary Carr daughter of G. W. Carr, North St. Eleanor's, to Frank Montgomery, lower Bedeque. The ceremony was performed by Rev. W. A. Mason, assisted by Rev. Dr. Carr, Campbellton, N. B., uncle of the bride in the presence of about fifty invited guests. The presents were many and valuable. After the ceremony the happy couple drove to their future home at lower Bedeque.

—At 11.30 a.m. yesterday, a fire alarm was rung out in Summerside. A small blaze was discovered by some boys, near the rear of a stable occupied by Thomas Arsenau and owned by H. C. Mills, located about two hundred feet west of the Queen's wharf along the railway only a few feet from the track on the north side. The fire started at the edge of a pile of dry manure, quite near the building, the firemen were quickly on the spot, but the fire was extinguished by a few pails of water before they reached. Again at 12.15 p.m. a second alarm was sounded to put out a fire very similar to the first and only about one hundred feet further west along the railway, but on the south or lower side of the track, near a stable occupied by Joseph Gillis, and owned by the LeFursey estate. The firemen lost no time in getting to work but as in the case of the first fire their services were not required. The origin of the fire in either case is unknown.

"Black Prince" Hose for boys are worth trying. They make less work for the mother.

BEAVER FLOUR

DOES BOTH

—makes the best Bread
—makes the best Pastry

—because it is the best blend of the best two flours that are known to every good cook as "bread" flours and "pastry" flours.

Western wheat flour makes a "big" loaf of bread. But the bread lacks the whiteness and delicate flavor of a loaf made of Ontario wheat flour.

Ontario wheat flour, while not quite so high in gluten, has the flavor, the lightness and whiteness, that western wheat flours lack.

BEAVER FLOUR is a blend of Ontario Fall Wheat and Manitoba Spring Wheat. It is both a "bread" flour and a "pastry" flour.

Beaver Flour makes the "big" loaves of bread like the western wheat flours. But better than that, bread made of Beaver-Flour also has the delightful flavor of the Ontario wheat.

BEAVER FLOUR also makes the light Cakes, snowy Rolls and Biscuits, like the special "pastry" flours, because like them Beaver Flour contains a large proportion of Ontario wheat flour. Just try a sack of **BEAVER FLOUR**. You'll like it.
