Slow Dealings On New York Market

(By Victor Eubank, Associated Press Financial Writer)

NEW YORK, Oct. 1—(AP)—The stock market today limped into October on the slowest dealings for more than a month with assorted leaders achieving recovery while many pivotals continued in the retreating column.

Prices tumbled after the opening but improvemnet of steels stiffened other departments and extreme losses were reduced or cancelled by midday.

The Associated Press 60-stock composite was off .3 of a point at 62.7, its third successive decline.

Canadian stocks were mixed with Dome up 5-8 and Seagrams and Lake Shore each off 3-8.

American Tobacco Common finished ahead 3-4 at 76.25. The "B" stock emerged with a net loss of 1 3-4 at 77.50.

U. S. Steel and Bethlehem up most of the time closed unchanged but Republic Steel held an advance of 3-8 at 27.87. U. S. Gypsum was up 2 3-4 at 108.75, Owens-Illinois 1 3-8 at 74.87, Caterpillar Tractor 1 1-4 at 62.75, Chrysler 1-2 at 89.50 and Standard Oil (NJ) 3-8 at 67.87.

Johns-Manville was off 1-2 at 122.50, Norfolk and Western 2 at 229.50, American Telephone 2 at 172.75, Sears Roebuck 1 1-8 at 38.-75, Youngstown Sheet 1 1-4 at 62.25 and Eastman Kodak 1 at 210. Other casualties included General Motors, Goodyear, Goodrich, Woolworth, Western Union "A", North American, Public Service of N. J., Santa Fe, Pennsylvania Railroad, Great Northern, Kennecott, American Smelting, General Electric, J. C. Penney and Allied Chemical.

Trading Is Quiet On Montreal Market

MONTREAL, Oct. 1 — (CP) — Trading was quiet and outside of some isolated strong spots was along irregular lines with losses having a slight edge over gains on the stock exchange and curb market today. Many investors kept out of the market as they were unable to get leads from New York, which was out of touch with Montreal brokers' houses for most of the day due to storm disrupted wire circuits.

Papers staged a rally after noon. Donnacona was leader in the group with a jump of 2 5-8 as reports concerning the company's bond refunding plans continued to be circulated. Others ahead were Abitibi Preferred, St. Lawrence Common, Fraser, Great Lakes and M. & O. International reversed its trend after opening softer. Price and Brown wiped out deficits. Losers were St. Lawrence "A", H. Smith, Consolidated and Quebec Pulp preferred. Abitibi Common gave up an increase.

Southern Canada Power was buoyant, rising 1 3-4, following announcement by the company of an extra dividend. In other utilities boarded, Gatineau, Brazilian and Jamaica pushed up, Winnipeg Electric was harder for a time and off were Montreal Power, Bell, Shawinigan, International Hydro and Ottawa Power Preferred. Royal was a winner in banks. C P R. edged up in carriers and Steamship Preferred slipped.

Higher in Industrials were National Steel Car, off in initial transfers, Dosco, Cement Preferred, Oilcloth, Massey and Canadian Car. In arrears were Cockshutt, Dominion Bridge, Canadian Locomotive, R. Mitchell and Foundries. Celanese improved in textiles.

Displaying strength in beverages were also "A" and "B", National Breweries, Sicks and Labatt. Walker and Canadian Breweries lagged. Seagrams lost a tilt. Commercial alcohols inched back. In oil refineries, McColl was on the upside, B.A. and Petroleum lower while Imperial recovered from a stumble. Aluminium retrieved a point of yesterday's 2 point recession in metals, smelters cancelled a loss and Nickel and H.B. mining were easier.

Santiago, Akaitcho and Central Cadillac worked up in junior mines and in loss territory were MacDonald, Louvicourt, Pitt, Elder and Nechi. Homestead was ahead and Home down in Western Oils.

Harder in miscellaneous were Maple Leaf Milling, Zellers and Argus. Tobacco and Lowney tumbled.

Trading box score: total sales, 153,200 shares; mines, 110,0000; industrials 43,200; stocks lower 48; higher 43; unchanged 72; new highs 4; new lows 6.

CLEAN SWEEP

DENHAM, Buckinghamshire, England — (CP) — Thieves "working" the Denham area have been jacking up cars and trucks and stealing all four wheels complete with tires.

MALARIA'S TOLL

It is estimated that 3,000,000 persons throughout the world die of malaria annually.

Mining
