### MORELL SCHOOL FAIR

The first school fair of Morell, Morell East, Bangor and St. Peter's Harbor schools was held on Tuesday, October 1st, and was a great success. On the previous evening a concert was held in Morell Hall by the pupils of these Districts to raise funds for the fair. This realized the snug sum of about \$80. The Hall was crowded and the kiddies acquitted themselves most creditably.

The exhibits of vegetables, seed and handiwork was held in the Hall and the cattle show and sports were held in the skating rink and the kiddies as well as the older folks had the time of their lives. The Judges and teachers had a busy day but the result was such that everyone is looking forward already to the show of 1919. This has done more to interest the young people in farming operations in this section than all the big exhibitions for the last twenty years. Big things are anticipated next season.

The judges were Messrs. Mitchell, McMillan, Gairan and Inspector Cairns as well as all the teachers who did their part excellently. The following is the prize list.
