RETAIL MARKET.—There was a very small market yesterday owing to the wet weather. Fowl were selling at $1.00 to $1.50 each, ducks $1.50 to 1.80 each. Eggs were retailing as high as 60 cent a dozen and butter at 50 cents per lb.

THE RED TRIANGLE.—Mr. William Jessop foreign secretary of the Y. M. C. A., gave a most interesting informal talk before a gathering of citizens at the residence of Mr. R. H. Jenkins, local Secretary last evening. He told in part of the great work being accomplished by the Red Triangle organizations in India, China, Palestine, Syria and Gallipoli. Mr. Jessop related some of his experieinces while with General Allenby's army and his impressions of the battle field, and upon entering the Holy City, were indeed interesting. The speaker closed his most interesting address with a strong plea for support of the organization in bringing to the young people of the East, the advantages and social and moral safeguards which are given those of the western world. Mr. Jessop leaves for the mainland this morning.

U. S. NAVAL CRAFT IN PORT.—Three more American Eagle boats No's 45 46 and 52 arrived in Charlottetown yesterday about noon. Like No's 35 and 36 which were in port here some weeks ago they are on their way from Detroit to Portsmouth, N. H. and are identical in size and armament. One of the boats, No. 45 met with a slight accident and was towed in. Ten more of these boats nave yet to be delivered to the United States Government to complete the contract made by Mr. Henry Ford. The Eagles will probably resume their voyage today.

POULTRY WORK.—Mr. Harry Hyde, Cornwall, was in the city yesterday. He visited the office of the Dominion Poultry representative and reported the results of the demonstration held in Cornwall Egg circle during the past season. Mr. Hyde stated that he culled thirty hens from his flock of sixty kept them seperate for some time. From the thirty hens culled he received only four eggs during the time of seperation. The thirty good producers laid as many eggs during this time as were received from the original flock of sixty thus proving the wisdom of culling the unprofitable birds from the flock. The Poultry Division of the Live Stock Branch have been holding demonstrations along this line in almost every section of the Island and similar good results are in evidence wherever they have been tried.

POLICE COURT.—At the Police Court yesterday morning Arthur Dunn and Robert Shepherd appeared charged with forgery, and were remanded to the Supreme Court. The evidence showed that they presented to Reddin Bros., a cheque for $40 drawn by Dr. S. R. Jenkins on the Royal Bank of Canada in favor of Arthur McEachern, which amount was paid. The endorsement on the cheque thereon of the name of Arthur McEachern was shown to be a forgery. The testimony of Mr. McEachern showed that he had lost such a cheque and had notified the banks not to make payment on same. A prohibition case was adjourned until this morning.
